### Practicum Release Form-Counselor

**This form must be submitted by counselors** of students in the Master of Arts in Biblical Counseling Program at Dallas Theological Seminary. Students in Practicum I and Practicum II are required to receive individual counseling for a total of 24 sessions. The purpose of individual counseling is to introduce students to the counseling process as well as engage them in self-analysis of personal issues they need to address individually.

While DTS provides free counseling to all Practicum students, Practicum students may choose to receive off-campus counseling rather than that offered by DTS. **This form verifies off-campus counseling.** The following is to be completed by the counselor at the end of Practicum I and Practicum II. Otherwise stated, it must be submitted at the end of the 24 sessions.
