WM615	Methodology and Practice of TESOL (3)
WM620	Introduction to English Syntax (3)
SL205	TESOL Internship (1)

<sup>1</sup> Missions electives should include a Contexts course (2 hours), a Strategic Approaches course (2 or 3 hours), and a Biblical and Theological Studies course (2 or 3 hours). Students electing the three-hour courses may be adding hours to the normal requirements for the M.A./CM degree. Students not needing the extra hours may reduce expenses by taking WM405, WM410, or WM505 for two hours of credit and one hour of audit. Contact the Registrar's Office for details. Students lacking adequate missions experience will be required to complete a missions-related internship as part of their elective requirements.
