Senior Class Gift

Our opportunity to give back to Dallas Theological Seminary
Presented by Ellen Edmonson
The senior class gift is our opportunity to show appreciation for all that the seminary has given us.
While Dallas Seminary may not have given us straight A's, a perfect marriage, or a senior pastor position immediately upon graduation,
The seminary has given us a slight addiction to coffee, the ability to crank out several papers at our wits end, and the capacity to read more books than humanly possible in 14 weeks.
What has Dallas Theological Seminary given you?
For me personally...

- Closer relationship with God,
- Developed concept of grace,
- Resources for further study,
- Community of fellow laborers in Christ
Now it's our turn.
