In accordance with the seminary's Preventative Health and Safety Policies and Protocols for Fall 2020, we have implemented several steps to ensure attendees are as safe as possible. These include required pre-registration of attendees, one-way entrance/exits, socially-distant seating, and the requirement of attendees to wear masks.

Those who are unable to attend or are uncomfortable with attending chapel in person may view a live stream of the service at dts.edu/live or a recording at voice.dts.edu/chapel.

Please visit our chapel webpage (dts.edu/chapel) for more information.

In light of the unique circumstances created by COVID-19, DTS is waiving all chapel requirements for the fall 2020 semester.
