Welcome Letter

Dear Friend,

The story of Dallas Theological Seminary is the story of God's faithfulness. For over 96 years, DTS has remained focused on training believers in the inerrant Word of God. In fact, a central characteristic of the DTS curriculum is that students are able to study all 66 books of the Bible in expositional and exegetical courses. Studying the entire Bible has been at the core of DTS since it opened its doors in 1924. Our founder, Dr. Lewis Sperry Chafer, had a passion put on his heart by the Lord to establish a seminary that had the Bible as its central focus and textbook. What began as a class of thirteen students is now over 2,500 students who are training to proclaim the truth of God's Word.

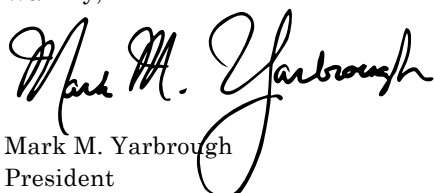

A DTS education extends beyond the academic pursuit of biblical and theological disciplines to the art of communicating biblical truth effectively. Courses in ministry and communication seek to cultivate in students a sensitivity to spiritual needs, zeal for world missions, fervor in evangelism, and Spirit-filled enthusiasm for effectively communicating the Word of God. Our focus on biblical education and application is summed up in the DTS slogan: Teach Truth. Love Well.

Indeed, God is the one who continually provides the seminary team—faculty, staff, board, donors, and friends—committed to preparing the next generation for Christian service. He also provides the students—those who entrust DTS to help them serve Him more effectively. DTS's commitment to “teaching truth and loving well” is reflected as students move outside the seminary walls and engage compassionately in the communities in which they work and live.

The responsibility of “equipping godly servant-leaders for the proclamation of His Word and the building up of the body of Christ worldwide” is a mission we take seriously. Those who consider attending seminary are taking a significant step to be a light in a dark world for the sake of Jesus Christ. To honor that, DTS remains committed to providing a biblical and theological framework to help students thrive in the diverse ministries to which God has called them.

I realized long ago that one never regrets preparation for a lifetime of ministry. We serve a great God, and I'm excited to see Him use the mission of this historic institution to help accomplish His work in the world.

Warmly,

Mark M. Yarbrough
President

WELCOME TO DALLAS THEOLOGICAL SEMINARY

DTS is a community of men and women of different ages, denominations, ethnicities, countries of origin, and gifting, joined together by our common faith in the triune God and our common calling to make disciples wherever we go.

About DTS

MISSION: The mission of Dallas Theological Seminary as a professional, graduate-level school is to glorify God by equipping godly servant-leaders for the proclamation of His Word and the building up of the body of Christ worldwide.

Expanded Statement of Purpose

The following Expanded Statement of Purpose articulates the practical outworking of the seminary's mission to equip godly servant-leaders and provides elaboration or qualification related to elements of the seminary's mission statement.

1. Dallas Theological Seminary is a professional, graduate-level theological seminary that seeks to provide training at the master's and doctoral levels to prepare its students for a variety of Christian ministries.
 - As a professional, graduate-level theological institution of higher learning, DTS seeks to provide training for specific Christian ministries and to encourage the pursuit of Christian scholarship at the highest levels of research befitting the mission of a theological seminary.
 - While the doctrinal commitment of the seminary is intentionally evangelical, Dallas Theological Seminary seeks to provide a contribution to a broader constituency through community, theological and ecclesiastical involvement, and dialogue.
 - The seminary seeks to maintain an appropriate balance between the training it provides for effective vocational ministries and the academic rigors necessary to graduate those who will research, write, and teach at the highest levels of theological education. As both a professional and graduate-level educational institution, the seminary is committed to providing the appropriate support services, departments, resources, and facilities to accomplish the mission of the institution.

2. In order to equip men and women for ministry as godly servant-leaders, Dallas Theological Seminary encourages the development of godly character in each of its students.

- The seminary is committed to the preparation of students who are deeply committed to Jesus Christ and are marked by biblical and theological knowledge and maturing spirituality along with the skills necessary for their future ministries.
- Students are encouraged to grow spiritually in their personal relationship with God, to function responsibly within the Christian community, and to engage and witness to the world from a life of faith and integrity.
- DTS is committed to helping leaders develop a biblical philosophy of servant-hearted leadership as defined by Jesus Christ and as modeled by Him and the other godly individuals depicted in the Scriptures. Such leadership results from the gracious working of God through a person's experience, training, spiritual gifting, natural talents, and the enablement of God's Spirit.

3. Dallas Theological Seminary is committed to its founding ideal that the central subject of study is the entire Bible.

- DTS stands unequivocally committed to the Bible as God's inerrant, infallible, and authoritative written revelation. Members of the school's boards and faculty subscribe to the seminary's doctrinal statement, which is purposefully complete and detailed, thus helping safeguard the school's unwavering theological stance since its founding.
- The seminary's commitment to the Scriptures leads to a framework of doctrine in which the great fundamentals of the Christian faith are affirmed and expounded. The doctrines of evangelical orthodoxy are taught in the framework of premillennial, dispensational theology, derived from a consistent grammatical-historical interpretation of the Bible. These truths include such essentials as the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ.
- The goal of all biblical and theological instruction is to glorify God through a transformed life that is manifested by a wholehearted love for God and a servanthearted love for others.

4. In order to prepare godly servant-leaders who reflect the heart of God, DTS is committed to a worldwide vision of Christian ministry.

- DTS is committed to fulfilling the mandate of Jesus to make disciples of all nations. The seminary community is enriched and has its vision for ministry expanded by the presence of students from a wide variety of countries and ethnic backgrounds.

- DTS embraces a wide context of ministries. Training for vocational ministry is the primary purpose for which the seminary was founded and now exists. A secondary purpose is to provide theological training for those who choose to remain in their professions but who desire to be trained for leadership and a more effective ministry in the church.
- DTS is firmly committed to promoting the missionary endeavor throughout the world. This commitment is demonstrated in a variety of ways that provide both exposure and experience for students in the diverse nature of missions and the unique opportunities for vocational service in missions around the world.

DTS Core Educational Values

Core values are deeply held commitments to beliefs or principles deemed vital in the formation of students for the proclamation of God's Word and the building up of the body of Christ worldwide. These values flow from the mission of the seminary and find fuller expression in the seminary's expanded statement of purpose. They are reflected in the heritage, distinctives, services, and curricula of the seminary. During a student's time at DTS, these values lead to a vibrant community, meaningful interactions, and significant learning experiences in a manner consistent with the unique purposes of each academic program.

The seminary's ultimate purpose is to glorify God through all its programs, services, and curricula.

The following core educational values guide the seminary's pursuit of this goal.

The Bible

DTS values the accurate interpretation and appropriate application of all sixty-six books of the Bible, which are the inspired, inerrant, and authoritative Word of God.

Theology

DTS values theology supported by Scripture that is consistent with the orthodox, protestant, evangelical faith and the seminary's doctrinal convictions, and which is lived out in a variety of cultural contexts.

Communication

DTS values contextualized, effective communication of biblical and theological truth by a variety of means for personal and corporate transformation.

Christian Spirituality

DTS values Spirit-empowered, personal relationships with the triune God in the context of Christian community that result in increasing Christlikeness and love for God and others.

Christian Leadership

DTS values Christlike leadership that equips others and emphasizes humility with sacrificial service.

Cultural Engagement

DTS values relationships with diverse individuals, cultures, and ideas that result in acts of evangelism, dialogue, application, and service that are biblical, courageous, and compassionate.

History of DTS

In the fall of 1924, the first student body of Dallas Theological Seminary met to study under noted Bible teacher Dr. Lewis Sperry Chafer. This class of thirteen students was the result of Dr. Chafer's burden and vision to found a seminary that would emphasize expository preaching and teaching of the Scriptures.

Dr. Chafer first shared the vision that would become Dallas Theological Seminary with Dr. Alex B. Winchester, pastor emeritus of Knox Presbyterian Church, Toronto, Canada, and Dr. W. H. Griffith Thomas, an Anglican scholar and professor of Old Testament exegesis at Wycliffe College, Toronto. Two years later, while Dr. Chafer was ministering at First Presbyterian Church in Dallas, he shared his burden with the pastor of that church, Dr. William M. Anderson.

Dr. Chafer and Dr. Anderson assembled the first temporary board. In May 1924 Dr. Rollin T. Chafer organized the school, which was incorporated by the State of Texas as the Evangelical Theological College. The name was changed to Dallas Theological Seminary in July 1936. The seminary pioneered the four-year Master of Theology degree, which is a year longer than the Master of Divinity degree offered at most other seminaries—and which emphasizes systematic theology, Hebrew and Old Testament exegesis, Greek and

New Testament exegesis, and Bible exposition. DTS also offered the Doctor of Theology degree.

In 1974 the seminary instituted the two-year Master of Arts in Biblical Studies for students whose ministries would not require the in-depth language training of the ThM program. It was renamed the Master of Arts in Christian Studies degree in 2015. The Doctor of Ministry degree was introduced in 1980 to provide further pastoral training for seminary graduates to meet the changing demands of ministry. In 1982 the Master of Arts in Christian Education degree was added so that students could receive specialized training for Christian ministries. The Master of Arts in Cross-cultural Ministries degree was inaugurated in 1987 to give specialized missions training (degree name changed to Master of Arts in Intercultural Studies in 2021). In 1993 the seminary launched a three-year Master of Arts in Biblical Counseling degree program and a two-year Master of Arts in Biblical Exegesis and Linguistics degree program. The latter program is offered jointly with Dallas International University (formerly the Graduate Institute of Applied Linguistics) in Dallas. Also, in 1993, the seminary changed the nomenclature of the ThD to the PhD.

In 2004 the Online Education program began, with the first online Chinese course being offered in 2006. In 2005 the seminary launched the Master of Arts in Media and Communication degree program for those interested in employing the media arts in ministry (name changed to Master of Arts in Media Arts and Worship [MAMW] in 2013). The first online Chinese course was offered in 2006. In 2011 the seminary began offering the Master of Arts in Christian Leadership degree program. In 2012 the seminary began offering a Doctor of Educational Ministry program. The Master of Biblical and Theological Studies program and the academic Master of Arts with majors in Old Testament Studies, New Testament Studies, and Theological Studies began in 2015. In 2016, the first online course in Spanish

was offered as part of the *DTS en Español* initiative. In 2020 the seminary launched two new degree programs, a Master of Arts in Apologetics and Evangelism and a Master of Arts in Chaplaincy and Ministry Care, and began offering most MA degrees with an entirely distance-based option.

DTS began the fall 2020 semester in the midst of the COVID-19 pandemic with a record enrollment of 2,486. The spring 2021 semester began with a new record enrollment of 2,551.

Outstanding leadership and scholarly expertise have characterized the seminary's presidents:

Dr. Lewis Sperry Chafer, 1924–1952
Dr. John F. Walvoord, 1952–1986
Dr. Donald K. Campbell, 1986–1994
Dr. Charles R. Swindoll, 1994–2001
Dr. Mark L. Bailey, 2001–2020
Dr. Mark M. Yarbrough, 2020–

Throughout the seminary's history it has steadfastly maintained its allegiance to biblical truth. A doctrinal statement articulates the beliefs of DTS, and each year the faculty and board members reaffirm their agreement with this statement.

Mosher, Turpin, and Miller Libraries

The 58,000 square-foot Dallas campus library comprises the Mosher Library building (1960), named in memory of Dallas businessmen William and Theodore Mosher, and the Turpin Library building (1988), named in honor of Jack and Sally Turpin. The library includes study space for 550 people, the library collection, a conference room, small-group study rooms, copiers, scanners, lockers, doctoral carrels, a computer lab, audio suite, and video suite. Wireless connection to the Internet is available throughout the facility.

The Dallas library collection exceeds 400,000 items, including more than 270,000 print volumes, in addition to DVDs, microforms, and electronic resources. The library licenses access to scores of bibliographic databases, including the Atla. Religion Index, Religious and Theological Abstracts, Old Testament Abstracts, New Testament Abstracts, Christian Periodical Index, ERIC, JSTOR, WorldCat, AcademicSearch, PsycINFO, Philosopher's Index, and many others. Millions of books and articles are available online. The general collection is strong in systematic and historical theology, but it especially emphasizes biblical exegesis and interpretation, biblical languages, and the history, culture, and archaeology of the biblical world.

Miller Library is located on the Houston campus. Named for Dallas businessman Norm Miller, the library houses a growing collection of over 18,000 items that have been carefully chosen to support the curriculum of Dallas Theological Seminary. This library contains generous

study space and computers, copiers, and scanners for student use. Students at DTS-Houston also have access to all the electronic resources available to students at the Dallas-campus library, and materials from the Dallas-campus library can be sent to Houston on request.

Staff with theological, research, library, and computer/technical expertise are available to assist students in Dallas and Houston. Reference help is available in person and via phone or email. The library provides access to additional resources through inter-library loan and the TexShare consortium, which includes borrowing privileges at hundreds of libraries in the state of Texas.

See the library website (library.dts.edu) or contact library@dts.edu for additional information about facilities, hours, collections, services, policies, etc.

Annual Conferences and Lectureships

The Nathan D. Maier Memorial Series in Bible Exposition features outstanding Bible expositors with significant experience in Christian ministry. The series honors Nathan D. Maier, a Christian businessman and layman whose life reflected the character of Jesus Christ as he modeled servant-hearted leadership.

The Missions and Evangelism Lectureship brings to campus missions executives, evangelists, and theologians to speak on issues pertaining to missions and evangelism. The speakers are recommended by the Department of Missiology and Intercultural Ministries.

Arts Conference provides an opportunity for students to think critically about the integration of creativity and theology in the church and the world. Lectures from world-class philosophers, theologians, and artists challenge students to engage with both on-campus art exhibits and discussions about the role of the arts in their own ministries.

The World Evangelization Conference (WEC) allows students to interact with outstanding missionaries and missions executives representing many mission boards and ministry contexts. The purposes of the conference are to introduce students to the spiritual needs of the world, confront them with the challenge of missionary service, and enlarge their missionary concern.

The Spiritual Life Conference is designed to challenge and encourage students in their spiritual walk.

The W. H. Griffith Thomas Memorial Lectureship was created in memory of William Henry Griffith Thomas, a DTS founder. The lectureship hosts speakers who are capable of insightful analysis of contemporary issues.

A complete list of conference titles and speakers can be found in the Annual Conferences and Lectureships section of this catalog.

GETTING STARTED

Team Admissions is available to help students navigate toward the degree that will best prepare them for their planned ministry context. Academic and financial advisors help students navigate the responsibilities of seminary life so that students can focus on their training for the ministry to which God has called them.

Admission Process

Team Admissions would encourage any prospective student who is considering DTS to visit one of the seminary's locations. In addition to personalized visits, the Admissions office also hosts several on-campus events throughout the year called *Seminary Preview Day*. These events are designed to give prospective students a good feel for what life is like at the seminary. For more information or to schedule a visit, please go to dts.edu/visit.

DTS enrolls men and women who:

1. show evidence of saving faith in Christ,
2. are of proven Christian character,
3. are endowed with appropriate spiritual gifts, and
4. adhere to the following doctrines:
 - the authority and inerrancy of Scripture,
 - the Trinity,
 - the full deity and humanity of Christ,
 - the spiritual lostness of the human race,
 - the substitutionary atonement and bodily resurrection of Christ,
 - salvation by grace alone through faith alone in Christ alone, and
 - the physical return of Christ.

Applicants will be evaluated on the basis of (1) academic records, (2) the assessment of references, (3) the extent and quality of involvement in Christian service, and (4) apparent gifts and potential for placement in Christian ministry.

The Admissions Committee will also consider compatibility of ministry goals with the applicant's intended seminary program of study; future ministry placement; personal stability; and issues of character, behavior, and lifestyle. Applications are evaluated on receipt of all necessary information. All new students are subject to a criminal background check.

Meet Team Admissions at www.dts.edu/admissionteam

While all degree programs at DTS are coeducational, the seminary holds the position that Scripture assigns to men the roles of elder and senior pastor in the local church. Therefore, the seminary programs of study are not designed to prepare women for these roles.

Enrollment is based on a four-year bachelor's degree, or its equivalent, conferred by an accredited college or university. Exceptions to this requirement are necessarily limited. If approved for admission, applicants who have a weak undergraduate GPA (below 2.5 cumulative), who are graduates of unaccredited institutions, or who do not possess a completed bachelor's degree are placed on academic probation for the beginning of their studies at DTS. This probation is removed after one year (24 credit hours) of satisfactory progress toward their degree (2.0 or above GPA).

Application Procedures

Applicants for all programs, including audit-only, must make formal application through the Admissions office. Applications may be submitted by completing the online application on the seminary's website: dts.edu/apply.

Applicants may review the status of a submitted application at any time from the application portal. The Admissions office urges applicants to apply four to eight months before the anticipated enrollment date, but no earlier than 15 months before that date. The following dates represent the Admissions office's priority deadlines: for the fall term, July 1; for the winter term/spring term, November 1; and for the summer term, April 1.

International applicants should consult the international admissions website (dts.edu/ais) for official deadlines. (Applications, except those for international students, may be submitted after the above deadlines; however, priority will be given to applications received before the deadline.)

Master's applicants can apply for financial aid once an application for admission has been submitted, except for those applying for the MACS, MBTS, and CGS programs. For questions about doctoral scholarships, please contact the DMin/DEdMin Office or the PhD Studies Office.

(Please see the Financial Aid section for scholarship application dates.) To be considered for scholarships, international applicants must submit the completed application, including English proficiency examination scores.

Application Credentials

There is a nonrefundable application fee of \$75. The following credentials must also be submitted.

1. Character references from three individuals.

One must be from a pastor or ministry leader. The second should come from a college professor (if currently enrolled in college or recently graduated) or professional contact (supervisor or an employer). The third can be from any personal acquaintance. References cannot be related to the applicant.

2. Church reference.

The form should be completed by a church official or staff member and should confirm the applicant's membership or regular participation in good standing. In addition, the reference should endorse the applicant's potential for effective ministry and describe the length and kind of ministry involvement. (Note: This is in addition to the pastoral reference.)

3. Demonstration of English proficiency.

Applicants for whom English is not their native or birth language must submit a score for the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS). This applies even to applicants who are U.S. citizens or permanent residents. (See "International Students" in this section for further information.)

4. Official transcripts from all colleges and universities attended.

This includes work beyond the bachelor's level. Transcripts are not required for schools where less than 12 hours were taken. Final approval for admission is contingent on receiving an official transcript verifying conferral of the qualifying degree. DTS accepts two types of official transcripts: (1) paper copies sent by the school's registrar in a sealed envelope; and (2) electronic copies sent directly by the institution. **Note on international transcripts:** *if a school is located outside of the United States, the transcript must be sent in the mail directly from the school. DTS is not able to accept faxed transcripts as official. The Admissions Committee generally prefers an official transcript evaluation through World Education Services (WES). Transcripts must be in English if not sent through WES.*

5. Assessment test scores.

Certain applicants are required to submit results of assessment tests to supplement their undergraduate academic record. Assessment test scores are required as evidence of academic aptitude when (1) the preseminary GPA is less than 2.5 on a 4.0 scale or (2) the applicant does not hold a bachelor's degree from an accredited institution.

Scores from either of two assessments can be used for this purpose: the Graduate Record Examination (GRE) or the Miller Analogies Test (MAT). Note: On the GRE, only the Verbal and Analytical scores are considered for admissions purposes.

The GRE General Test is administered across the United States and Canada. One may obtain information concerning this examination from the Educational Testing Service at [gre.org](https://www.gre.org). The institutional code for reporting scores to the seminary is R6156.

The MAT is administered at colleges and universities throughout the United States. One may obtain information on this exam by reading the information available at [milleranalogies.com](https://www.milleranalogies.com).

More information about these assessments, including helpful tips, can be found at dts.edu/gre. Please contact the Admissions office to discuss which exam to take.

Nonbaccalaureate Admission

Admission of students without bachelor's degrees is highly selective. Qualifications considered include maturity, educational background, ministry experience, and vocational goals. Applicants must be at least 30 years of age, and preference is given to those who have the most qualifying educational background. Applicants are expected to take and achieve acceptable scores on the GRE or MAT to demonstrate their readiness for graduate-level study. Please consult the degree-specific pages for additional academic details regarding admission.

Classification of Students

Regular Students

Students enrolled for credit in a degree program (i.e., not the CGS) are classified as regular students. Continuation as a student depends on satisfactory progress toward graduation.

Nondegree Students

A limited number of applicants may be admitted as nondegree students. Academic and spiritual qualifications necessary for regular student admission are the same for nondegree students. Application procedures are also the same.

A maximum of 30 credit hours may be taken by nondegree students or by students in the Certificate of Graduate Studies program. All standard prerequisites apply when enrolling in courses.

Nondegree students can take courses for credit or for audit. For those taking classes for audit, please see the following section, "Audit Students." Coursework requirements for nondegree students taking courses for credit are the same as for degree students. For-credit students are expected to do the coursework, which is graded, and upon satisfactory completion of the work they receive credit for the course. The credit is transferable to a degree program at DTS or another graduate-level institution if it satisfies the curriculum requirements.

Audit Students

Any current student (regular or nondegree) may audit a course, as long as that course is not required for completion of the student's program. Alumni may audit courses as nondegree students at a reduced rate.

Spouses of regular students may audit up to three courses a term for a nominal charge. Spouses of students enrolled in the Alumni-in-Residence program are also eligible to audit courses at the spouse-audit rate. Spouses who audit must pay the audit fee. No permanent record is kept and no transcript is issued. Please contact the Registrar's office for more information.

Audit students can participate in the class discussions and receive copies of handouts, but coursework and examinations are not assigned or graded, and academic credit is not given.

Nondegree Special Students

A student pursuing a degree at another accredited seminary or graduate school may apply to enroll as a nondegree special student to take one class. Please contact the Admissions office for further information.

Transfer of Credit

Course credits with a minimum grade of C earned at other accredited seminaries, graduate theological schools, and through other related programs are accepted to the extent that the courses are comparable to the seminary's stated requirements.

Additionally, no more than half of the credits earned toward a completed graduate degree at another institution may be transferred to a DTS degree program. Typically, coursework more than ten years old is not eligible for transfer.

An official transcript from the institution attended showing satisfactory course completion is required. Nondegree students—except for those enrolled in the Certificate of Graduate Studies program—cannot transfer in credit hours. Transferability of credits earned at DTS is at the discretion of the receiving institution. (Please see dts.edu/transfer for more information.)

Disclaimer for Transferability of DTS Credit

The mission of DTS is to glorify God by equipping godly servant-leaders for the proclamation of His Word and the building up of the body of Christ worldwide. This unique mission may limit the transferability of DTS courses to other educational institutions. Students should be aware that transfer of credit is always the responsibility and prerogative of the receiving institution. Any student interested in transferring credit hours should check with the receiving institution directly to determine to what extent, if any, credit hours can be transferred.

Advanced Standing

Students entering DTS with a strong background in Bible or theology may choose to pursue advanced standing. Advanced standing is a curricular adjustment based on a student's demonstrated competency. In most cases this competency is gained from courses taken at an approved Christian university, Bible college, or parachurch ministry. Two types of advanced standing are available at DTS: substitution and reduction of credit hours.

For more information about advanced standing, please see dts.edu/advancedstanding.

International Students

Dallas Theological Seminary is enriched by the presence of more than 140 international students from nearly 70 foreign countries.

Applicants for whom English is not their native or birth language or who were not born in the U.S. are required to demonstrate their proficiency in English by submitting satisfactory Test of English as a Foreign Language (TOEFL) or International English Language Testing Systems (IELTS) scores taken within two years of the date of application. This applies even if the applicant is a U.S. citizen, has attended American or English-speaking colleges and universities, and is a longtime resident of English-speaking countries.

Waivers for the English proficiency requirement are rare and are typically only given to applicants who have completed both high school and an accredited bachelor's degree in the U.S. The Admissions Committee reserves the right to require an official TOEFL or IELTS score from any applicant whose correspondence and/or application materials do not demonstrate the necessary English-language proficiency for graduate study.

The minimum score on the Internet-based TOEFL (iBT) for the CGS, MBTS, and all MA programs is 86, with subscores of 21 for Reading and Listening and 22 for Speaking and Writing. The minimum requirement for the ThM, STM, and all doctoral programs is 90, with subscores of 22 for Reading and Listening and 23 for Speaking and Writing. For required scores regarding the bilingual Chinese ThM

program, please consult the Chinese Admissions Office. The TOEFL institution code for DTS is 6156, and more information can be obtained at toefl.org. DTS also accepts scores from the IELTS exam. The minimum overall score requirement is 6.5 with subscores of 7.0 in Speaking, 6.5 in Reading and Listening, and 6.0 in Writing.

International applicants, like other students, must submit a nonrefundable application fee of \$75. The application fee must be paid with funds drawn on a U.S. bank, a money order in U.S. dollars, a U.S. credit card over the phone, or a traveler's check. Occasionally applicants have a contact in the U.S. who will pay the fee on their behalf. No application will be processed until this application fee is received.

International students must show evidence of financial documentation for the first year of study and provide a plan of support for the length of their program. Documentation can be in the form of bank statements which show the current balance. Family or friends who provide financial support must sign a financial pledge form and return it, along with bank statements from the past six months, to the International Student office. (Pledges for students are not tax-deductible.)

The documents needed to apply for a student visa will not be issued until proof of financial support has been shown. For a current estimate of tuition and living expenses, please visit the International Admissions website: dts.edu/ais.

A very limited number of tuition scholarships are available for international students each year. Application forms are processed by the Financial Aid office and can be obtained online. To be considered for scholarships, an applicant must be granted initial approval by the Admissions Committee by January 27.

International students must be in Dallas for the International Student Orientation, which is held the week of New Student Orientation.

Additionally, all international students are required to take RS5100 Research Seminar for International Students (see course description in "Interdepartmental Courses"). This course is designed to orient incoming international students to DTS's academic standards and culture.

English Proficiency Requirement

All Chinese Program applicants are required to submit satisfactory Test of English as a Foreign Language (TOEFL) or International English Language Testing Systems (IELTS) scores taken within two years of the date of application. This applies even if the applicant is a U.S. citizen, has attended American or English-speaking colleges and universities, and is a longtime resident of English-speaking countries. Waivers for the English proficiency requirement are only given to applicants who have completed both high school and an accredited bachelor's degree in the U.S. The Admissions Committee reserves the right to require an official TOEFL or IELTS score from any applicant whose correspondence and/or application materials do not demonstrate the necessary English-language proficiency for graduate study.

The minimum score on the Internet-based TOEFL (iBT) for the CGS, MBTS, MACS, MACE, and DEdMin is 55, with subscores of 14 for Listening, 15 for Reading, and 13 for Speaking and Writing. The minimum requirement for the ThM (Chinese) is 78, with subscores of 21 for Reading and Listening and 18 for Speaking and Writing. The TOEFL institution code for DTS is 6156, and more information can be obtained at toefl.org. DTS also accepts scores from the IELTS exam. The minimum overall score requirement is 5.5, with subscores of 6.0 in Listening and Reading and 4.5 in Speaking and Writing. The minimum requirement for ThM (Chinese) is 6.0, with subscores of 6.5 in Listening and Reading, 6.0 in Speaking, and 5.5 in Writing.

Please see dts.edu/chinese or contact the Chinese Studies office for more information on Admissions.

Academic Procedures

Registration

Students cannot be admitted to classes without formal registration, which takes place around the middle of the preceding fall or spring term, while late registration continues into the beginning of the term. Priority enrollment will be given to students graduating that year. Without special approval, a student may not add a class after the first week of the term.

Summer-term registration occurs at the same time as registration for the following fall term. Winter-term registration occurs at the same time as registration for the following spring term.

A late fee is assessed to returning students if registration is completed after the published deadline for a term. New students have until July 1 (fall term) or November 1 (spring term) to register for classes without a late fee. New students admitted after these deadlines have two weeks from the time they are admitted to register without paying a late fee. Students registering late run the risk of courses or sections being filled or cancelled. Space in class and availability of textbooks are not guaranteed after the registration deadline has passed. Final dates for late registration and other deadlines are available at dts.edu/registrar.

Class Attendance

Class attendance and participation are an important part of the academic process and should be considered a privilege and a responsibility in both face-to-face and online contexts. The course professor has the right to dismiss any disruptive student during any class session. Absences should be taken only for important and necessary reasons.

Each professor will establish the attendance requirements for his or her course in the syllabus. However, the professor must provide for a minimum number of permitted absences in the fall and spring terms equal to twice the number of times the course meets each week. For example, a three-hour course that meets twice a week for seventy-five minutes each term would qualify for a minimum of four permitted absences a term. Each unexcused absence in excess of the prescribed limit given by the professor of the course may cause a reduction in the final course grade. Students who fail a course due to lack of attendance must reregister for and pay the normal tuition and fees for the course. (See the Class Attendance section in the DTS Student Handbook for additional information on class attendance.)

Independent Study

Students may complete a portion of the following graduate-level programs by independent study:

- ThM—up to 18 hours of elective credit;
- MA—up to 12 hours of elective credit; or
- MBTS, CGS, and STM—up to 6 hours of elective credit.

Courses requiring independent study are available with special approval. For more information please contact the Registrar's office.

Academic Load

Students may earn up to 18 hours of credit each term, including the summer term. Students taking a language course in a five-week summer session are encouraged not to take additional courses during the same session due to the heavier workload in language courses.

Course Papers

Unless otherwise specified by the professors in individual courses, all course papers and theses must be typewritten and in thesis form in conformity to the standards outlined in *A Manual for Writers of Term Papers, Theses, and Dissertations*, 9th ed. by Kate L. Turabian, and supplemental instructions as authorized by the faculty.

Academic Warning and Probation

Students whose grade point average (GPA) falls below a 2.0 (2.5 for STM) are given an academic warning. If the GPA falls below this level again, the student is placed on academic probation. Students who are admitted without a completed, accredited bachelor's degree or with a low grade point average (below 2.5) are also placed on academic probation. For further details please see the Student Handbook.

Student Progress

The maximum length of time students have to complete a DTS degree varies by degree and is published for each degree in the Degree Time Limits table in this catalog. Students may be withdrawn from the seminary for failure to complete their degree programs in the allotted time. Readmission to the seminary is possible through the Admissions office and is contingent on an acceptable written plan for program completion. Students may access current program status at any time by accessing their student portal online.

Grading System

The seminary follows a 4.0 grading scale. Grade points are determined on the basis of hours attempted according to the following scale:

• A+	(99–100)	4.0
• A	(96–98)	4.0
• A-	(94–95)	3.7
• B+	(91–93)	3.3
• B	(88–90)	3.0
• B-	(86–87)	2.7
• C+	(83–85)	2.3
• C	(80–82)	2.0
• C-	(78–79)	1.7
• D+	(75–77)	1.3
• D	(72–74)	1.0
• D-	(70–71)	0.7

Graduation Requirements

Students are responsible for meeting the graduation requirements set forth in the catalog at the time of their matriculation. Students who leave the seminary for more than one year are automatically withdrawn from school. If reinstated, students are subject to the graduation requirements set forth in the catalog at the time of their reinstatement, unless written permission was obtained before the extended leave. Students who reclassify are also subject to the graduation requirements set forth in the catalog at the time of their approved reclassification. (See the Student Handbook regarding reclassification to another degree program.)

Degree Conferral

While the graduation ceremony is held only once a year in May, degrees are conferred in May, August, and January. Students who finish during the summer term will receive degree conferral in August. However, they are encouraged, if they desire, to participate in the May commencement ceremony preceding the summer in which their work will be completed. Those who complete their degree requirements in December will be able to participate in the commencement ceremony held the following May. Students unable to complete their work in the spring, summer, or fall may be required to pay a fee to postpone their graduation date and cover costs related to the postponement.

Financial Information

Fees and Expenses for 2021–2022

Every effort is made to keep student expenses low. Because of the contributions of generous friends of the seminary, students pay only a portion of the real cost for their education. The seminary recommends that entering students come with sufficient funds for at least one term.

Students may access their student account statement and make payments online via students.dts.edu. Payment of the term balance completes a student's registration for that term. Payment of a term balance must be received or fully covered by other means by the designated payment deadline for each term. Deadlines are announced during the academic year, but are normally in the following months: August for the fall term, November for the winter term, December for the spring term, and April for the summer term. For registrations after the term payment deadline, payment is due the Friday after registering for a class or classes. Deadlines are subject to change.

Payment on student accounts can be made by cash, paper check, electronic check (echeck), debit/credit card, or through Western Union Business Solutions (WUBS) for payment by international funds. Debit/Credit card payments (American Express, Discover Card, Visa, and MasterCard) are made online. A nonrefundable service fee for debit/credit card use will apply and be shown as a separate transaction. No service fee is assessed for electronic check transactions. Third Party Support Payments from church, family, or friends may be done online at dts.edu/give-to-a-student.

A monthly payment plan is also available. For more information regarding payment plans, please consult the information about Tuition Management Systems Payment Plan (TMS) in this catalog, or go to dts.edu/tms.

The tuition and fee rates that follow are effective beginning with the fall 2021 term. Tuition, fees, and refunds are subject to change without notice.

Refunds

Tuition refunds are granted according to the course drops and withdrawal schedules published in the Course Drops and Withdrawals section of the Student Handbook. Term fees will be refunded only if the student withdraws from all classes prior to the beginning of the term. Exceptions to refund policies may be approved by the Credits Committee for justifiable extenuating circumstances. A Credits Committee petition must be completed online at students.dts.edu. Reading Week in the fall and the World Evangelization Conference (WEC) and Spring Break in the spring are not counted as part of the calculations for refund.

When a student drops one or more courses or withdraws from seminary, grades and tuition refunds are given based on when the course is dropped and the type or length of the particular course (please refer to the section on Registration and Dropping or Changing Courses in the Student Handbook). Term fees are nonrefundable beginning the first day of

the term. Fees may be waived only with approval of the Credits Committee. Students who withdraw from all classes prior to the beginning of a term in which the classes are scheduled will receive a 100% refund of tuition and fees paid for that term.

For the most current refund schedule of tuition, please consult dts.edu/registrar or the most current Student Handbook. Term fees are nonrefundable once the term begins.

Financial Aid

The seminary's student financial aid program, including scholarships, a payment plan, and loans, offers students realistic opportunities to finance their education. The amount of scholarship funds available to students has increased in recent years—total aid available now exceeds \$4.6 million.

Students become eligible to apply for need-based scholarships after submitting an admissions application or being accepted for admission to the seminary. Applying for financial aid is a two-step process. First, students should complete the Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov. Next, students should complete the DTS financial aid application form on students.dts.edu. Other documents may be required depending on the type of aid requested. The scholarship application deadline is two months before the application for admission deadline; thus, new students who intend to apply for financial aid should plan the admission process accordingly.

For continuing students, scholarships are awarded on an annual basis. Applications for need-based scholarships must be submitted by May 1 for the following academic year fall/spring terms. Applications for new students must be submitted by June 1 for the fall term and November 1 for the spring term. All international student scholarships are awarded on an annual basis only. Scholarship

applications are due March 1 for consideration for the following academic year.

Financial aid is distributed as tuition scholarship grants. Financial need is the primary criterion for the distribution of institutional aid. Secondary criteria include academic program, academic load, and academic performance. Applications for scholarships are reviewed by the Director of Financial Aid and the Financial Aid Committee.

Eligibility

To be eligible for scholarships, a student must have financial need, be employed, have a minimum 2.5 GPA, be in good standing, and not be in default or delinquent on any account or loan program with the seminary.

In addition, recipients must register each term for at least:

- 9 hours on the Dallas campus or online only;
- 6 hours on the Houston or DC campuses; or
- 3 hours at another extension campus.

For more information, please contact the Financial Aid office.

If you receive a scholarship through the seminary and also receive additional outside assistance, you must report this immediately to the Financial Aid office. Name and address changes and changes in academic course load also must be reported.

Determination of Financial Aid

After receiving the need-based scholarship application form, the Financial Aid office will determine students' needs and the types of awards for which they qualify.

Financial need is determined by calculating the difference between the cost of attending the seminary and the resources available to the student. Therefore, financial need equals the cost of attendance minus student contribution and outside resources.

Students are expected to contribute toward the cost of their education from summer earnings and from employment during the academic year. Financial Aid personnel are available to counsel students about their educational financial situations.

Direct Loan Program

The seminary participates in the Direct Loan Program, which provides limited low-interest funds and a delayed repayment schedule to eligible students. Nondegree students are not eligible for direct loans.

Students may apply for an unsubsidized Direct Loan on which interest payments can either be made monthly or capitalized per a designated period of time.

To apply for a Direct Loan, the student must submit a Free Application for Federal Student Aid (FAFSA) to the Department of Education. The FAFSA may be completed online at fafsa.ed.gov and is used to determine financial need. Once processed by the Department of Education, a

Student Aid Report (SAR) will be available. The school code for DTS is G03562. Entering the school code on the FAFSA application will ensure that the student's information will be sent electronically to DTS. In addition to the SAR, a Master Promissory Note and a Loan Request Form are required to process a Direct Loan. To access these forms online, go to dts.edu/financial aid and click on "Direct Loans."

To ensure that loan funds are available for the student's payment deadline, all documents must be received in the Financial Aid office by May 31 for the fall term, November 1 for the spring term, and April 1 for the summer term.

Student Loan Deferment

Interest (on subsidized loans borrowed prior to fall 2012) and principal repayments are deferred as long as the student remains on at least half-time status in an approved degree program. DTS considers full-time status to be enrollment in 9 hours per term for all master's programs and 6 hours per term for all doctoral programs. Master's-level students enrolled in at least 5 hours per term and doctoral students enrolled in at least 3 hours per term are considered half-time.

The Director of Financial Aid is available to assist students and their families by providing advice and suggestions suitable for their financial status. For more information on the specific forms of financial aid available, please contact the Financial Aid office at 800-DTS-WORD, ext. 5087.

Student Responsibilities

The student has the following responsibilities:

1. Complete the application for student financial aid accurately, as errors can result in long delays in the receipt of financial aid. Intentional misreporting of information on application forms for federal programs is considered a criminal offense subject to penalties under the United States Criminal Code.
2. Return to Financial Aid and/or the Department of Education all requested documentation, verification, corrections, and/or new information.
3. Read, understand, and keep copies of all forms requiring a signature.
4. Accept responsibility for all signed agreements.
5. Notify the servicer(s) of any change in name, address, or school status.
6. Know and comply with deadlines for application and reapplication for aid.
7. Know and comply with attending school's refund procedures.
8. Maintain good standing and satisfactory academic progress.

Satisfactory Academic Progress

A student is required to make satisfactory progress toward his or her degree in order to be eligible for scholarships and federal financial aid. Students must maintain a 2.5 GPA for scholarships and a 2.0 GPA for federal loans, without excessive course drops.

A minimum number of hours must be completed each year to be considered making satisfactory academic progress:

- Students in the ThM must complete a minimum of 15 hours per academic year.
- Students in the MAAE, MACE, MACL, MAIS, MAMW, MABEL, MACS, MACE, and MA (with majors in OT, NT, or TS) must complete a minimum of 10 hours per academic year.
- Students in the MACP must complete a minimum of 12 hours per academic year.
- Students in the MABC must complete a minimum of 13 hours per academic year.
- Students in the MBTS must complete a minimum of 6 hours per academic year.
- Students in the STM must complete a minimum of 6 hours per academic year.
- Students in the CGS must complete a minimum of 6 hours per academic year.
- Students in the doctoral programs must complete a minimum of 6 hours per academic year (or be actively engaged in the writing of an applied research project or dissertation).

Independent Status

The federal government considers anyone who is a graduate student to be an independent student.

Physical Disabilities

Students who have physical disabilities should contact the Texas Rehabilitation Commission regarding financial aid. Students with disabilities may also be considered for financial assistance by the Financial Aid office, provided the necessary forms have been submitted.

Direct Loan Refund Policies

Currently the only Title IV aid funds DTS awards are unsubsidized Direct Loans. When a student withdraws from DTS before completing 60% of the term, the student has not “earned” all of the federal financial aid and a Return of Title IV Funds Calculation must be performed. The Department of Education mandates that students who withdraw from all classes may only keep the portion of federal aid they have “earned” up to the time of withdrawal.

Title IV funds disbursed in excess of the earned amount must be returned by the seminary and/or the student to the federal government. This situation could result in the student owing aid funds to the seminary, government, or both.

The following steps will be followed when determining the amount of Title IV federal aid to be returned upon withdrawal:

1. Determine percentage of enrollment period completed by student. Divide the number of days attended by the number of days (less any schedule breaks of five days or more) in the enrollment period.
2. Calculate the amount of earned Title IV aid. Multiply the percentage of the enrollment period completed by the total Title IV aid disbursed. If the calculated percentage

of the enrollment period exceeds 60%, then the student has earned all Title IV aid for the enrollment period.

3. Determine amount of unearned aid to be returned. Subtract the amount of earned aid from the total amount of federal aid disbursed.
4. Return of Title IV funds by institution and student:

Amount of Unearned Aid Due from the School:

DTS will return unearned Title IV aid up to an amount that is equal to the total institutional charges for the payment period multiplied by the percentage of the Title IV aid that was unearned. The return of the unearned aid will be returned as soon as possible but no later than 45 days after the date DTS determined the student withdrew.

Amount of Unearned Aid Due from the Student:

The student's portion of aid to be returned is not immediately required to repay the loan. The terms of the original loan repayment agreement (Master Promissory Note, MPN) will apply.

Unearned Title IV Funds will be returned to the unsubsidized federal direct loan program.

Postwithdrawal disbursements will be made as soon as possible but no later than 180 days after the date the school determines the student withdrew and in accordance with requirements for disbursing Title IV funds.

Written notification to the student providing the opportunity to accept all or part of a postwithdrawal disbursement of Title IV loan funds will be sent within 30 days of the school's determination that the student withdrew.

Written notification of the student's eligibility for a direct postwithdrawal disbursement of Title IV loan funds in excess of outstanding current (educational related) charges will be sent within 30 days of the school's determination that the student withdrew.

Postwithdrawal disbursement to students for earned Title IV funds in excess of outstanding current (educational related) charges will be made as soon as possible after the date the school determined the student withdrew, but no later than 180 days.

Notification to the student of the outcome of a late request for a postwithdrawal disbursement to the student (request received by school after the specified period and school chooses not to make disbursement) will be made as soon as possible.

If a student withdraws from all classes, the student is encouraged to contact the Financial Aid office before doing so. The consequences of withdrawing from all classes can be explained at that time. When a student withdraws from all classes, a balance due to DTS could result because of lost scholarships and unearned aid being returned.

The seminary reserves the right to amend the Title IV Return of Funds Policy at any time in order to comply with Federal regulations.

Tuition Management Systems Payment Plan (TMS)

For students who are unable to pay their expenses in full at the beginning of the term, financing in the form of a monthly payment plan with no interest for tuition and fees is available at the time of registration.

Students must apply for TMS online (dts.afford.com) or call TMS (800-722-4867) prior to the term they plan to attend. An enrollment fee does apply and is subject to change. More information about monthly payment plans is available online at dts.edu/tms. Questions regarding a monthly payment plan should be directed to the bursar/student account office (stuacct@dts.edu).

Scholarships

The following information provides a brief snapshot of student scholarship opportunities. A full list of over 200 scholarships available to DTS students, including their eligibility requirements, can be found in the Student Scholarships section of this catalog.

Doctoral Student Scholarships

Doctoral scholarships are available for students in the Doctor of Philosophy program who meet the scholarship criteria.

Minority Student Scholarships

DTS provides a significant amount of aid each year to qualified American-born minority students. Minority students are required to reapply each term that aid is needed using the standard financial aid application form. Applications for aid are reviewed by the Financial Aid Committee.

International Student Scholarships

International students may apply for tuition scholarships and on-campus employment. To be considered for aid, incoming students must be approved for enrollment in a regular program of study and pursue study under the F-1 or J-1 (student) visas. New international applicants requesting aid are required to file their scholarship applications by January 31, as all international aid is assigned by March 31 for the following academic year. International applicants should be aware that competition for available scholarships is strong. Awards are given only to the most highly qualified candidates with respect to ministry experience, ministry potential, support from a sponsoring organization, and academic background. Applications for aid to international students are reviewed by the Financial Aid Committee. Students who are awarded an international scholarship should be aware that acceptance of a tuition scholarship obligates them to leave the United States upon completion of their program.

General Scholarships

General scholarships are available to students who do not meet the criteria for other scholarships. Applications for aid are reviewed by the Director of Financial Aid and the Financial Aid Committee.

Continuation of Scholarship

Scholarships must be approved each term. Students who postpone enrollment must reapply for scholarships for the

term they plan to attend. Current students are required to reapply each term that aid is needed.

VA Benefits at DTS

In order to utilize VA benefits at DTS, the following items must be submitted to the School Certifying Official prior to the first day of the entering term:

1. A copy of the VA Certificate of Eligibility
2. A copy of the DD-214
3. An official copy of military transcripts, sent directly from the military to admissions@dts.edu

DTS will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities due to the delayed disbursement of funding from VA under chapter 31 or 33 (up to 90 days after the certification of tuition and fees), provided that the individual has provided a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a “certificate of eligibility” can also include a “Statement of Benefits” obtained from the Department of Veterans Affairs’ website—eBenefits, or a VAF 28-1905 form for chapter 31 authorization purposes).

For fall and spring terms, DTS considers full-time status to be 9 hours in a master’s program and 6 hours in a doctoral program. For further information about the summer term and less-than-full-time status, please consult the FAQ section at dts.edu/vabenefits.

Other Sources of Financial Aid

Additional financial aid is available through foundation grants, denominational support, employers, and nonprofit organizations. For a listing of the available scholarships and eligibility requirements, please see the Student Scholarships section of this catalog.

UPLIFTING FELLOWSHIP AND CONNECTIONS

Dallas Theological Seminary cares deeply about its students. Training students for future ministry involves serving them and encouraging them to minister to each other. The atmosphere and programs on our campuses are intentionally designed to build authentic community for life transformation.

Student Life

New Student Orientation

New Student Orientation is designed to help entering students adjust to seminary by providing necessary information about the many facets of seminary life. This time also allows new students to get to know one another and faculty members. Orientation is required for all entering students regardless of location. Students attending courses in Dallas, Houston, Atlanta, or Washington, DC, will attend new student orientation in person on their respective campus. Students taking courses online or at other extension locations can participate in an online new student orientation. Students should attend the New Student Orientation held just prior to the term in which they enter. Students entering in the summer should attend the fall orientation following their term of entry.

Topics covered in New Student Orientation include

- The spiritual life of a seminary student
- Academic Advising
- Financial Aid
- Online technology (including Logos Bible software)
- Student groups
- Pastoral care and counseling
- A “seminary charge” from DTS’s president

Students at the Dallas, Houston, Atlanta, or Washington, DC, orientations will also have a chance to have lunch with the faculty.

More details about New Student Orientation can be found at students.dts.edu/welcome. Further questions can be directed to the Division of Student Life in person on the first floor of Stearns, by email at studentlife@dts.edu, or by phone at 214-887-5360.

International Student Orientation

All entering international students on F visas are required to attend the International Student Orientation. Attendees should be sure to arrange their flight arrival to enter the US by at least the Friday before International Orientation. The immigration requirements and legal obligations to maintain legal status will be discussed, as well as other items of information. In both the fall and spring terms, the International Student Orientation typically falls on the Monday preceding the general student orientation.

The International Student Orientation and the general New Student Orientation are two different mandatory events.

New Student Assessments

After acceptance and prior to the start of classes, new students will be required to complete certain assessments and trainings as part of a New Student Assessment onboarding course administered through the seminary's online instructional platform, Canvas. The following are some of the components of this course.

Test of Biblical and Theological Knowledge (TBTK)

The Test of Biblical and Theological Knowledge (TBTK) is taken by all incoming students and by all graduating students. The purpose of this assessment is for the faculty to get a sense of the overall biblical and theological knowledge of an incoming or graduating class. The seminary does not look at an individual student's score on this assessment, only the overall average of the incoming or graduating class.

Ministry Safe Child Protection Training

DTS and Ministry Safe have partnered to offer Child Protection Training. This proactive education seeks to equip current students and DTS alumni with a clear understanding of child sexual abuse, sexual abusers, effective preventative protocols, a compassionate model of care addressing the needs of abuse survivors, and an appropriate response to abuse allegations arising in church and ministry environments.

Psychological Assessment

The Director of Counseling Services administers a psychological assessment to each incoming student. The purpose of this assessment is to determine whether the student has entered the seminary with personal struggles that, if not addressed, could be detrimental to his or her future ministries.

Title IX Training

DTS is committed to maintaining an environment conducive to learning for all students and a professional workplace for its employees; as such, we take active measures against discriminatory harassment and sexual harassment, including any type of violence or misconduct. Every student completes Title IX training to learn how to report sexual discrimination and harassment.

Seminary Readiness

The Seminary Readiness course is designed to equip first-year seminary students with academic and seminary-related resources for student success. This noncredit course is required for all master's-level students and consists of six modules completed over six weeks. Students are encouraged to register for this course after acceptance but prior to starting classes. Students must enroll in this course within their first year of study to prevent a registration hold.

Spiritual Development

At DTS, students have many opportunities for personal interaction and growth—in class, in chapel, in prayer, and in fellowship—that develop a growing passion for ministry.

Chapel

The administration and faculty strongly believe in the vital role of chapel and its ministry of encouragement, worship, and community development. DTS provides chapel services each week during the fall, spring, and summer terms. Chapel services feature music and messages by faculty members and Christian leaders from around the world, as well as student-led chapels. Prayer needs, campus announcements, and items of general interest are also shared during this community time of rest, relief, and renewal. (See the Student Handbook for chapel attendance requirements and for location-specific information regarding chapel.)

Prayer Opportunities

Prayer is an integral part of the Christian life and therefore is essential to the community at DTS. Prayer requests may be submitted to the Chaplain's office. A weekly prayer email is sent from the Chaplain's office to the DTS family.

Spiritual Formation

Spiritual Formation at DTS is an intentional attempt to provide a context for life change. Students are placed in a small group environment for prayer, fellowship, and the integration of learning with ministry. As group members

grow together in Christlikeness, the potential for significant relationships and ministry partnerships is established. Spiritual Formation is required for ThM, MACE, MACL, MAIS, MACP, MAEE, MAMW, MABEL, and MACS students and is offered as an elective in other programs. Students at the Dallas, Houston, and Washington, DC, sites should plan to complete this requirement in four consecutive fall/spring terms. MABEL and MACS (Chinese-language version) students participate in a specialized Spiritual Formation program. Spiritual Formation is also a prerequisite for the student's Ministry Formation Internship requirement. Please see the Interdepartmental Courses section of this catalog for more information.

Student Resources

DTS provides a variety of resources to students and their spouses. Whether concerning social events, ongoing conversations, campus involvement, or crisis counseling, the Student Life office always has an open door and a listening ear. Visit students.dts.edu for resources and contact information.

Counseling and Testing Services

DTS Counseling Services offers short-term counseling assistance to students, staff, faculty, and their immediate families. The Director of Counseling Services maintains a referral network of counselors who work from a biblical foundation within the local community and who can also provide professional counseling services to the seminary family.

Christian Ministry Opportunities

Students attending the Dallas, Houston, Atlanta, or Washington DC, campuses have a variety of cultivated opportunities to apply what they are learning in the classroom. Many churches, parachurch organizations, and secular organizations engage students to lead ministries, teach Sunday School, and minister in other ways. Students are often able to fulfill their internship requirements while ministering at these organizations. Students outside of these primary sites continue to serve in their local contexts or cultivate broader ministry opportunities in their local communities. (Students should see the Interdepartmental Courses section of this catalog for more information about internship requirements and opportunities.)

Student Council and Groups

DTS hosts several student groups that provide fellowship and resources for different student interests within the seminary. While the list of official student groups may change from year to year, the following are a few of the long-standing communities.

Student Council

The DTS Student Council is elected by students each spring. The Student Council members interact with their counterparts in the seminary's staff and faculty and integrate all phases of the extracurricular life of the student body. Leaders from active student groups participate in Student Council as well.

Student Missions Fellowship (SMF)

Student Missions Fellowship exists to advance student involvement in God's global enterprise of missions. SMF hosts prayer meetings, special events, and encourages students to participate in intercultural ministries internships. Each spring, SMF assists the Missiology and Intercultural Ministries department in organizing a campus-wide World Evangelization Conference to show the DTS community how it can serve Christ in a global context.

ARISE (Women Student Fellowship)

The ARISE Women Student Fellowship exists to serve and help female students connect with one another and to acclimate to seminary life. The group is led by a team of women students dedicated to enriching the academic, spiritual, relational, and social lives of fellow women students.

Seminary Wives in Ministry (SWIM)

Seminary Wives in Ministry exists to equip wives to become competent servants alongside their husbands in ministry and provides several programs and special events throughout the academic year to facilitate this preparation.

Physical Fitness Facilities

DTS encourages consistent, regular physical activity as a means of attaining students' best level of wellness. As such, DTS students are eligible for a discounted membership to the Baylor Tom Landry Fitness Center. Student memberships can be attained by contacting the Baylor Tom Landry Fitness Center directly.

Employment Opportunities

Employment opportunities are listed on the seminary's website at dts.edu/jobboard.

Students and their spouses who wish to be considered for on-campus employment should contact the Human Resources office. A list of on-campus openings and the application for employment are available at dts.edu/jobs. Please contact Human Resources for questions regarding these on-campus openings.

Disability Services

In accordance with Section 504 of the Rehabilitation Act of 1973, Dallas Theological Seminary, a privately funded, nonprofit, religious organization, will make modifications to ensure equal opportunity and access for qualified students with disabilities to applicable programs, services, activities, and facilities.

After acceptance and prior to beginning classes, students with disabilities must submit written requests for modifications or auxiliary aids to the Director of Disability Services. Documentation of disability is required in order to receive appropriate modifications. See students.dts.edu/disability for forms and information. The department responsible for the services requested will coordinate with the appropriate seminary personnel and/or federal or state agency to provide the student with maximal assistance.

The seminary will not make substantial adjustments in existing programs beyond those necessary to eliminate discrimination against otherwise qualified students and will not modify existing programs to the extent it places an undue financial or administrative burden on the seminary. The seminary assumes no responsibility for personal care attendants, health-care providers, personal devices, individually prescribed devices, readers for personal use or study, or private tutors.

Student Handbook

The Student Handbook includes academic library, and financial regulations and procedures as well as other instructions and policies regarding student life.

DTS Community Covenant

The Mission of Dallas Theological Seminary (“DTS”) is to “glorify God by equipping godly servant leaders for the proclamation of his word and the building up of the body of Christ world-wide.”

As a community dedicated to fulfilling this mission to glorify the Father in the power of the Spirit, the board, faculty, staff, and students commit ourselves as a seminary to the cultivation of Christian doctrine, purity, and love consistent with the character and person of Christ. As physical-spiritual image bearers of the Triune God, we aspire to be known for excellence and integrity in Christlikeness. We commit ourselves to seeking the Spirit’s wisdom and discernment through the study of Scripture as we seek to honor Christ in the following areas:

We commit ourselves to the biblical model of sexual purity expressed through either celibacy in singleness or fidelity in Christian marriage as a sacred union between one man and one woman and to the standards of conduct set forth in the DTS Marriage & Human Sexuality Policy, which is incorporated herein by this reference.

We commit ourselves to maintain a non-prescriptive drug-free, alcohol-free, and tobacco-free environment with respect to all seminary facilities, events, and activities,

knowing that any exception for the liturgical or medicinal use of alcohol on campus is to be approved by the administration.

We commit ourselves to carefully exercise Christian freedom with regard to the use of alcohol, guarding against the misuse of any substances that might abuse our bodies, foster addictions, or cause others to stumble and to the standards of conduct set forth in the DTS Alcohol Policy, which is incorporated herein by this reference.

We commit ourselves to build and live in community that encourages responsible care and stewardship of the human body and soul while personally reflecting Christian modesty, maturity, discretion, and respect. (See Student Handbook for current guidelines for campus appearance and conversation.)

We commit, within the context of our theological convictions and mission, not to discriminate on the basis of race, color, sex, age, national and ethnic origin, or disability, and to take active measures against discriminatory harassment, and sexual harassment, including any type of violence or misconduct. As used herein, the term “sex” refers to an individual’s immutable sex—either male (man) or female (woman)—as objectively determined by genetics or physiology present by or before birth. (See complete Title IX policy as well as the Unity, Diversity, and Community Statement.)

As we strive toward these commitments, we acknowledge our weakness and our constant need for God’s ongoing redemptive power expressed through his Spirit and fostered in the community of faith. When breaches of these commitments occur, we encourage the practice of repentance, confession, pardon, correction, and redemptive discipline when necessary.

Student Conduct, Dismissal, and Readmission

Students at Dallas Theological Seminary commit themselves to follow the Community Covenant of the seminary. As noted above, when breaches of these commitments occur, the seminary encourages the practice of repentance, confession, pardon, correction, and redemptive discipline when necessary (please refer to the Personal Conduct section of the Student Handbook). Student conduct and discipline are overseen by the dean of students in conjunction with the Student Affairs Committee (which also serves as the appellate body for decisions made by the dean of students). The dean of students and/or the Student Affairs Committee may impose the following actions:

- **Disciplinary Warning:** a written warning given to the student and placed in the student’s personal file during the time he or she is a student at the seminary. This warning may include conditions for which the student is responsible. Failure to keep these conditions could incur further review.

- **Disciplinary Probation:** a specified time period during which the student will be evaluated further. This action may also include special conditions. Probation for more than three terms during the time of a student's enrollment will normally be cause for suspension.
- **Required Leave of Absence:** a specified time period during which the student shall be granted a leave of absence with responsibility for fulfilling conditions specified by the committee. Readmission is normally granted when these conditions are met. A required leave of absence of more than one year typically will result in withdrawal after one year.
- **Suspension:** a specified time period during which a student is suspended from the seminary. Readmission is possible but is subject to admission procedures.
- **Dismissal:** the termination of a student's relationship with the seminary. Readmission is not expected, and recommendation for acceptance to another seminary is subject to committee action. Disciplinary dismissal is noted on the student's official transcript from the seminary and becomes a part of the student's permanent record. Other disciplinary actions are noted on the transcript but are removed if and when the issue is resolved.

A student will receive notification of any disciplinary decision in writing from the dean of students or the Student Affairs Committee. A student will not be presented for admission to candidacy nor advanced to graduation while under any unresolved disciplinary action at the seminary. Please refer to the Responsibility for Student Conduct and Discipline section of the Student Handbook for further information.

Students who have been dismissed from the seminary for cause may be readmitted only after satisfactory resolution of the matter resulting in their dismissal. Readmission is subject to the normal policies and procedures required through the Admissions office.

Appeal and Complaint Procedure

Student Appeal Procedure

Criteria for appealing decisions made by a professor or committee are outlined in the Student Handbook. In all other situations for which a formal appeal process is not specified, an appeal should first be directed to the Credits Committee. Appeals will be reviewed and a written response provided to the student within two weeks of the receipt of the appeal. If the student is not satisfied with the decision given by the Credits Committee, he or she may then appeal to the dean of academic administration by filing a written statement of particulars. The dean of academic administration will confer with the individuals involved and seek a satisfactory resolution of the problem. If the problem cannot be solved in this manner, the dean may make a decision on the matter, or at his discretion he may refer it to a faculty committee for a ruling. Appeals will normally be resolved in less than six months.

The Credits Committee evaluates each appeal in terms of extenuating circumstances or circumstances beyond the control of the student. For an explanation of what the seminary considers to be extenuating circumstances, please see the Student Handbook section on Appeal and Complaint Procedure.

Student Complaint Procedure

The seminary's procedures for handling student grievances fall into three categories: credit/academic, dismissals/conduct, and operational/general. All types of student complaints will be reviewed and a written response provided to the student within two weeks of the receipt of the complaint. Normally student complaints will be resolved in less than six months. The policies and procedures uniquely applicable to the three categories are included in the Student Handbook section on Appeal and Complaint Procedure.

Georgia students who have followed complaint and appeal procedures as outlined in the Student Handbook without reaching an acceptable resolution may file a written complaint

with the Georgia Nonpublic Postsecondary Education Commission (GNPEC), 2082 East Exchange Place, Suite 220, Tucker, GA 30084-5305; 770-414-3300 (office), 770-414-3309 (fax), gnpec.georgia.gov.

If North Carolina students are unable to resolve a complaint through the institution's grievance procedures, they may review the Student Complaint Policy, complete the Student Complaint Form (PDF) located at northcarolina.edu/complaints and submit the complaint to studentcomplaint@northcarolina.edu or to the following mailing address: North Carolina Post-Secondary Education Complaints, c/o Student Complaints, University of North Carolina System Office, 910 Raleigh Road, Chapel Hill, NC, 27515-2688.

Virginia students who have followed complaint and appeal procedures as outlined in the Student Handbook without reaching an acceptable resolution may file a written complaint with the State Council of Higher Education for Virginia, Private and Out-of-State Postsecondary Education, 101 N 14th Street, 9th Floor, James Monroe Building, Richmond, VA 23219; 804-371-2285.

Veterans and other eligible persons may report a grievance to the Virginia State Approving Agency (SAA), the approving authority of education and training programs for Virginia. The Virginia State Approving Agency investigates complaints of VA Education Benefits beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact the Virginia State Approving Agency office via email at saa@dvs.virginia.gov.

Dallas Theological Seminary students are not subject to unfair action-treatment as a result of the initiation of a complaint.

Title IX

Title IX of the Education Amendments of 1972 prohibits sex discrimination—which includes sexual violence—in educational programs and activities. Students, staff, faculty, and other employees have the right to pursue education, including athletic programs, scholarships, and other activities, free from sex discrimination, including sexual violence,

sexual misconduct, stalking, and harassment. In this context, DTS understands that the term “sex” historically, textually, and logically refers to an individual's immutable sex—either male (man) or female (woman)—as objectively determined by genetics or physiology present by or before birth.

DTS is committed to maintaining an environment conducive to learning for all students and a professional workplace for its employees. As a result, the seminary takes active measures against discriminatory harassment and sexual harassment, including any type of violence or misconduct. For the complete abuse and discrimination policy, please visit dts.edu/title-ix.

Health Insurance

The seminary requires all students taking 6 or more credit hours per term to carry health insurance for themselves and their immediate families. All master's-level students enrolled in at least 6 credit hours and Doctor of Philosophy students enrolled in at least 3 credit hours are eligible to enroll in the student health insurance program offered through the seminary.

Faculty and Academic Advising

The seminary considers advising to be an integral part of each student's experience. For ease of access, many student advising needs are met in one centralized location. The Advising Center staff help students make informed decisions in light of current life circumstances and future ministry possibilities. Faculty members mentor students, discuss ministry realities, and help students select appropriate electives. Academic advisors listen to the life circumstances and ministry goals of students. Students may bring their degree audit to discuss possible electives with faculty based upon the student's degree, ministry goals, and the department's planned course offerings. Students can request an official degree audit from the Advising Center. Academic advisors also help students plan toward degree completion in light of life circumstances and seminary policies. Additionally, financial aid advisors provide guidance on how to pay for school.

Summer and Winter Subleasing

During summer and winter breaks, residents often leave on mission trips or go home for various periods of time. These residents have the option to sublet their apartment while they are away. In order to sublease one of these apartments one must be a current student or a direct family member of a current resident. The permanent residents set a nightly rate for subleases.

Because local students often do not know of their plans until the last minute, Housing and Relocation Services will not have a list of available subleases until close to the period of residency. Because of this, sublease requests will not be accepted until April 1st (for summer term) or November 1st (for winter term). Apartments are assigned on a first-come, first-served basis, and availability is dependent upon how many residents offer to sublease their apartments.

Please contact Housing and Relocation Services at 214-887-5210 for more information.

Off-Campus Housing (Dallas)

Housing and Relocation Services maintains a number of helpful online resources if on-campus accommodations are not available. These resources can be found at dts.edu/housing. Housing staff can offer ideas and suggestions to help students work through the variety of housing options. Please contact Housing and Relocation Services for additional information and/or assistance.

Student-Recommended Apartments

Occasionally, Dallas students living off campus provide personal recommendations for properties and landlords in the Dallas area. Only properties with very positive grades for management, maintenance, and safety are placed on the recommended housing list, which can be found at dts.edu/off-campus-housing.

Off-Campus Property Listings

Through the years, property owners have sought DTS students as tenants. In order to better accommodate students and landlords, Housing and Relocation Services provides a property listing and search service, which can be found at dts.edu/off-campus-housing. A typical listing includes a written description of the apartment or house, pictures, maps, rent rate, and contact information. Some property owners have long-standing relationships with DTS.

Dallas Housing Area

In order to assist students with off-campus housing, Housing and Relocation Services provides a written description of the many neighborhoods and sub-communities that make up the Dallas metroplex. These descriptions can be found at dts.edu/off-campus-housing.

Alumni Services

Alumni Services

More than 17,000 alumni have studied at Dallas Theological Seminary. They currently serve in all 50 states and in more than 100 countries, ministering in more than 70 denominations and independent churches. DTS is committed to the success of its alumni and provides support, resources, and networking in the following ways:

Career Services

The Career Services office offers a lifetime of support for DTS graduates and provides consultation to graduating students, alumni, and ministries throughout the hiring process. Services provided include assistance with vocational discernment, résumé development, interviewing and candidating, and compensation guidelines. The Career Services office also assists ministries as they search for candidates and maintains a database of ministry opportunities through their Ministry Opportunities Listing. For more information about Career Services, please visit alumni.dts.edu/career-services.

Placement Information

The seminary also tracks the percentage of known graduates who are in various categories of employment within a specified number of months of graduation. Of the 2020 graduates whose ministry placements are known to the seminary, 43% are working in church ministry, 24% in parachurch ministry, 5% in missions, 11% in education, 15% in secular employment, and 3% are students in doctoral and other programs. Further evidence that graduates of the seminary are prepared for a lifetime of ministry can be seen from an overview of the seminary's 15,404 living alumni. Of those for whom the seminary has their information, 31% are working in church ministry, 14% in parachurch ministries, 13% in education, 6% in missions, 5% in counseling, 18% in secular work, and 13% are retired.

Ways to Stay Connected

In addition to providing lifelong placement services, DTS seeks to foster and maintain a network for seminary alumni through other means such as *DTS Magazine*; monthly *eNews* email updates; and a password-protected online Alumni Directory. The

alumni website (alumni.dts.edu) provides a networking community for alumni and the seminary helps its constituents find churches, schools, and counselors that employ DTS graduates through its online locator.

Continuing Education

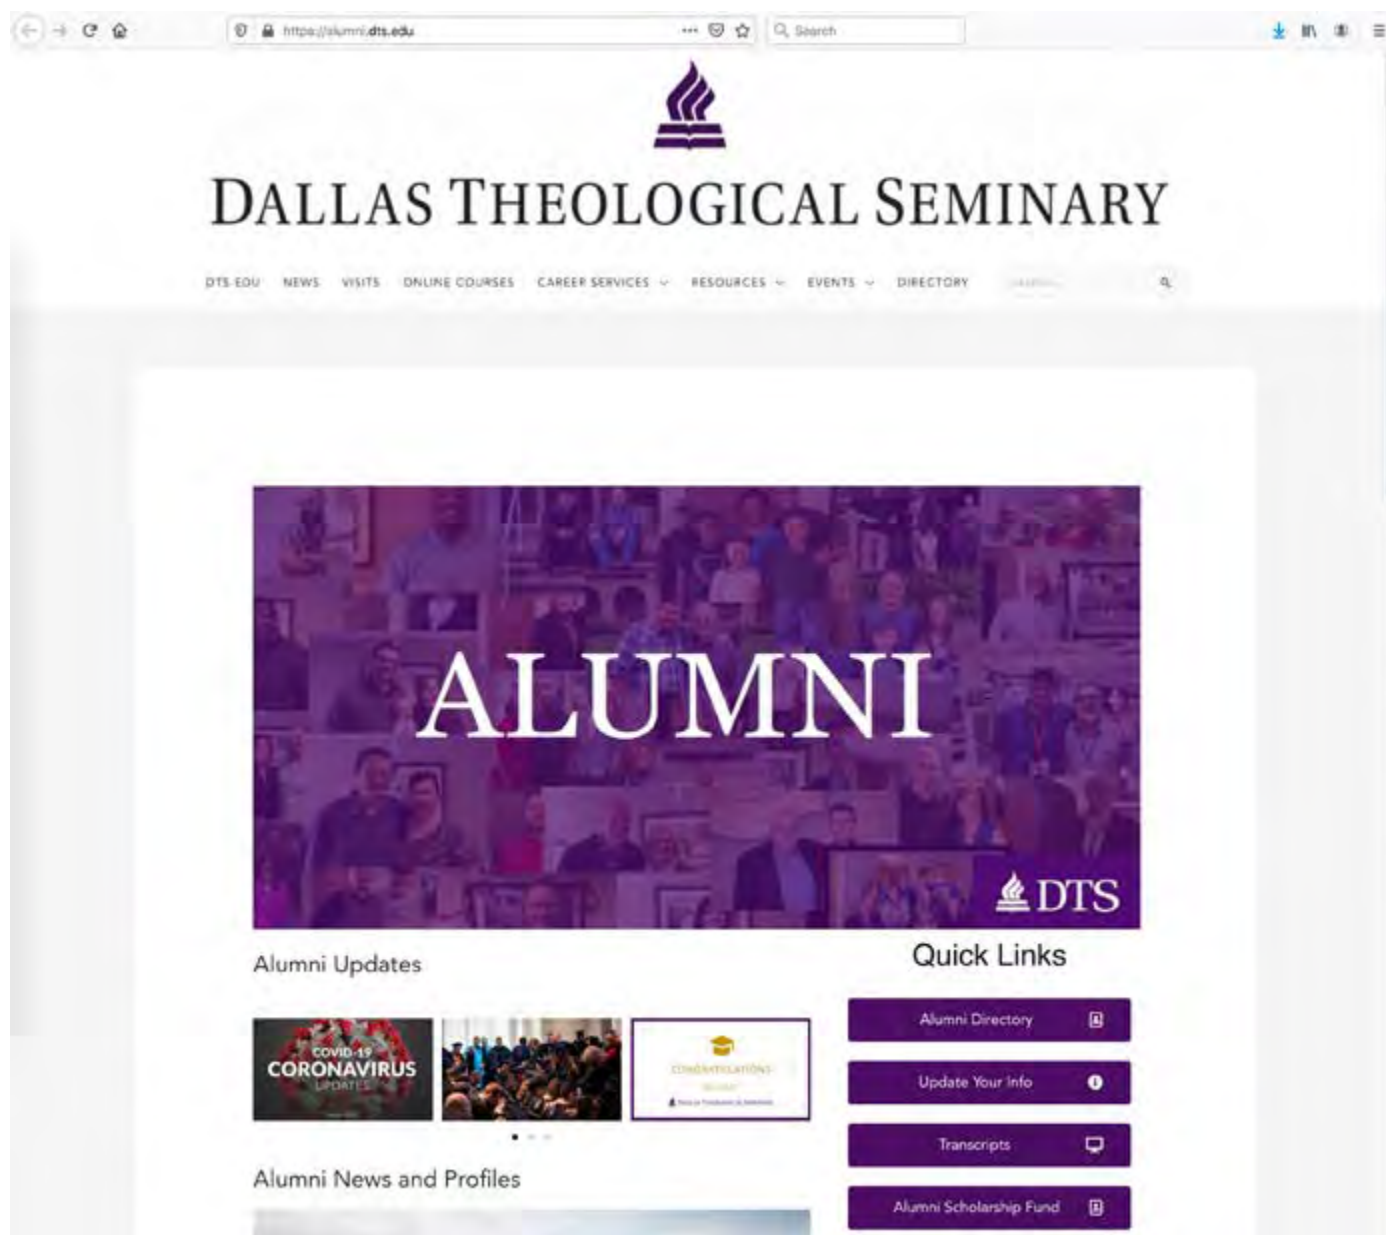

DTS is committed to continuing education for alumni in order to address the changing demands of ministry and current biblical and theological issues.

Through the alumni-only website, graduates are able to view all online courses free of charge. They may also audit master's-level courses for a small fee or take courses for credit at a reduced rate. Courses taken for credit cannot be applied toward another degree at the seminary unless the full tuition rate is paid; however, these courses may be transferable to other graduate institutions.

CGS Completion for Nongraduate Alumni

Qualified nongraduate alumni may apply to complete the Certificate of Graduate Studies at the Alumni Nondegree tuition rate. The program requires readmission to the seminary and completion of all remaining CGS requirements. Interested alumni will need to complete at least one course the term before graduation, even if all other requirements have been previously met.

For more information, please contact the Alumni or Admissions office.

The Hendricks Center

The Hendricks Center

The Hendricks Center, founded by Professor Howard Hendricks in 1986, seeks to shape compassionate, courageous leaders who stand strong for biblical truth and who communicate that truth through words and actions that embody Christ's love. With Christ-like character as the foundation, Christian leaders in today's context must also develop Scriptural comprehension, an understanding of cultural contextualization, compassion, courage, and competence. The goal of the Hendricks Center is to equip leaders with Christ-like wisdom for every situation.

The Center seeks to develop these kinds of ministry and workplace leaders through leadership events and programs, digital resources, live webinars, and coordinated efforts with churches throughout the country. Additionally, the Hendricks Center offers the following programs:

- Student internships that fulfill DTS program requirements in a variety of areas including, but not limited to, Cultural Engagement, Christian Leadership, Media, Events, and Giftedness.
- Giftedness Workshops and Giftedness Coaching that provide a robust set of resources for DTS students to discern direction in their careers and callings.
- Complimentary Student Dinners offered each term are designed to engage a felt need on the campus or to address a current ministry issue.
- The William N. Garrison Faith-and-Work Fellowship, named for Fort Worth attorney and longtime DTS Board member Bill Garrison, is a 20 hour-per-week paid fellowship that exposes future Bible preachers and teachers to the real-life realities of people in the workplace and contemporary theological pastoral needs.

- Apprenticeships are available for those interested in working alongside the multi-faceted focus of the Center. Apprenticeships provide an opportunity for a hands-on-learning experience while participating in the unique ministry of the Hendricks Center.
- Difficult Conversations is an ongoing series of readings, discussions, and brown bags that provide an opportunity for the DTS community to engage with some of the more conflicting issues of our day. The aim of this series is to equip the student body to interact with those who have different perspectives and to see how the Bible informs those interactions. Special attention is given to the areas of faith and work, as well as cultural intelligence in a pluralistic setting involving diversity of religion, gender, and ethnicity.
- Event discounts and leadership development programs are available for all alumni.

Bibliotheca Sacra

The oldest conservative theological journal in America, *Bibliotheca Sacra*, has been in continuous publication since 1843 and has been published by DTS since 1934. This quarterly journal contains articles, periodical reviews, and book reviews on biblical exposition and current theological and ministerial issues of interest to pastors, scholars, alumni, teachers, and serious lay Bible students. *Bibliotheca Sacra* enjoys one of the largest circulations of any theological journal in the world.

Faculty Ministries

DTS's distinguished faculty members are in frequent demand as speakers and leaders at Christian conferences and professional association conferences in the United States and around the world. Several of them are involved in popular radio and video ministries, and all serve in local churches.

DTS Magazine

Published three times a year, the award-winning *DTS Magazine* highlights profiles of students and alumni and features articles on Bible doctrine and Christian living from an evangelical perspective. It also includes book excerpts, alumni updates, and campus news. Free subscriptions are available within the United States. For more information, please visit voice.dts.edu/magazine.

Lay Institute

The Lay Institute, in partnership with Open Bible Academy (the-oba.org), is an outreach ministry that offers nondegree, adult continuing-education courses for the purpose of equipping lay people in the church to build the body of Christ. Classes taught by upper-level MA and ThM students and DTS alumni are offered in Bible, theology, spiritual life, and ministry skills for people in the Dallas/Fort Worth area during the fall and spring terms.

Dallas Seminary Foundation

Dallas Seminary Foundation was established in 1987 to support the mission of Dallas Theological Seminary. The Foundation does this by offering charitable planned giving and related services to friends of the seminary. Planned giving explores ways to give beyond cash, utilizing methods for reducing taxes and creating great efficiency in one's overall planning. Foundation staff members work closely with supporters so that together they can further God's work through DTS.

A FLEXIBLE COURSE OF STUDY

DTS partners with churches and ministries around the world by providing training designed to equip godly servant-leaders for the proclamation of God's Word and the building up of the body of Christ worldwide. Several fully online programs offered in three different languages train students for service wherever they are. Main-campus, online, and extension courses are taught by the same world-class faculty: scholar-pastors who care deeply about students and ministry. The flexibility of the programs at DTS means students don't have to relocate in order to start their education today.

Distance Education

Course Offerings

Many courses required for DTS degree programs are available at the seminary's extension sites. Students should be aware, however, that they might need to complete coursework at another location or online to finish a program.

Extension-site classes take place primarily on weekends and/or evenings, facilitating study for those already involved in full-time ministry or other vocations. Many courses are offered in a hybrid (online and face-to-face) format.

Students can complete coursework toward the MBTS and MACS online in Chinese or Spanish and the entire MBTS and MACS online in English. Most of our professional degrees may be completed online. For more details see dts.edu/academics. Additionally, the seminary offers students in vocational ministry the opportunity to complete a ministry residency (an internship local to the student with periodic intensives on the Dallas campus).

The ability to complete a degree at an extension varies by program and extension location. Additional information on this and other matters related to the seminary's extension sites is available from the Online and Distance Education office by phone at 800-DTS-WORD (800-387-9673), ext. 5320, by email (distanceeducation@dts.edu), or by visiting dts.edu/locations.

Admission Requirements

The application process and admission requirements for extension-site programs are the same for all degree programs (please refer to the Admission Process section of this catalog). Additional information may be obtained by contacting the Admissions office at 800-3-DALLAS (800-332-5527).

Online Education

Online education at DTS is designed to allow students to receive DTS ministry training in their own contexts. Online courses are ideal for students who wish to balance education with life responsibilities such as work, ministry, and family. Also, by receiving graduate-level preparation through online courses, students may supplement their current vocations and better serve their families, churches, and communities.

Students can complete most DTS master's degrees in a fully online format and other programs can be completed partially online. Please see the degree program sections for details.

Elements of an Online Course

All of the elements necessary for truly life-changing theological education are present in our online format: instruction from world-class faculty, challenging assignments, and a community experience. Online courses are structured in a very similar format to traditional classroom learning. Courses are arranged in units (usually one to three weeks in length), and students are assigned a series of learning experiences to accomplish before the end of each unit. These tasks include reading course materials, watching video lectures, completing and posting written assignments, offering feedback on fellow students' work, and participating in class discussions.

Pre-Recorded Online Courses

Some online courses are offered primarily asynchronously with prerecorded videos and online assignments. These courses may also be supplemented with select video conferencing sessions. Like any course, there are due dates for each assignment, though there is often flexibility for viewing lecture materials and accomplishing assignments.

Video Conference Courses

Some campus-based courses provide the opportunity for distance students to join live class lectures and discussions through synchronized remote video technology. Students attend the same lectures and complete the same assignments as their colleagues

on the main campus without relocating. Courses available for video conferencing are listed at dts.edu/schedule.

Technology Requirements

To have a successful educational experience, students need to possess certain technological skills. Students must have access to a fully functional computer with a camera, microphone, and word processing program. Their computer must have an appropriate web browser and a high-speed internet connection. Students must also possess the technical ability to take full advantage of the online course experience. Assistance and technology training is available to current students through the DTS Media Center.

Online Studies in Chinese and Spanish

DTS offers a number of online courses in Chinese and Spanish. These online courses are designed to train individuals who desire to be equipped for effective ministry in the local church without leaving their ministries, career, or home. Students may take online courses in Chinese and Spanish toward completion of the 30-hour Certificate of Graduates Studies, the 36-hour Master of Biblical and Theological Studies, or the 63-hour Master of Arts in Christian Studies programs.

Special Academic Experiences

The following opportunities are some of the ways in which DTS students can earn academic credit outside of the classroom through strategic ministry-enhancement experiences.

Israel College of the Bible

Israel College of the Bible (ICB) was founded in 1990 as the result of the conviction of several Israeli pastors that the establishment of a national Bible College was necessary to serve the indigenous Israeli Messianic Body. Today, Jewish and Arab believers come from all over Israel to study the Bible, theology, counseling, and practical ministry at both the BA and MA level. ICB is located in Netanya, Israel (in the greater metropolitan area of Tel Aviv) and is accredited by both the Asia Theological Association (ATA) and the European Council for Theological Education (ECTE). Both the ECTE and ATA are members of the International Council for Evangelical Theological Education (ICETE). DTS students will have the opportunity to take master's-level courses with ICB either in Israel or online, and ICB students will have the opportunity to take master's-level courses at DTS either in Dallas or online.

Israel Study Program

DTS partners with IBEX (Israel Bible Extension) of The Master's College in California to provide an opportunity each summer for students to take a study tour of Israel for seminary credit. The three-week study tour is team led by a DTS faculty member and/or faculty member from IBEX. Students wanting seminary credit should register for BE5909 (for master's-level students) or BE8909 (for PhD students) Israel Study of the Bible.

Additional information on this program and other opportunities to study in Israel through IBEX may be obtained from the Bible Exposition office.

Messianic Jewish Theological Academy

The Messianic Jewish Theological Academy (MJTA) is a theological training institution offering an academic degree in theology with the goal of preparing individuals who are called to leadership roles in the Messianic Movement and for different ministries of the Gospel among the Jewish people. MJTA aims at a healthy integration of theological reflection and practical ministry, as well as the development of a godly character and practical love for the people of Israel. Classes are held in Berlin, Germany, with a focus on messianic congregations in Germany and greater Europe (as a European outreach of Chosen People Ministries). MJTA is a member of the European Council for Theological Education (ECTE) and is pursuing accreditation in partnership with ECTE. DTS students will have the opportunity to take master's-level courses with MJTA either online, and MJTA students will have the opportunity to take master's-level courses in Berlin, Dallas, or online

Teachers of English to Speakers of Other Languages (TESOL)

TESOL is a certificate program offered by the Department of Missiology and Intercultural Ministries. It equips Christian workers both academically and professionally for teaching English (outside the U.S. public-school system) to speakers of other languages.

Students must complete the following courses to be eligible for the certificate: MIM5620 Dynamics of TESOL, INT5205 TESOL Ministry Formation Internship (1 hour), and MIM5210 Intercultural Communication (3 hours). It is recommended but not required that students also take MIM5205 Cultural Dynamics in Ministry or MIM5325 Ministry in Multicultural America.

TESOL courses are open to all regularly enrolled students, including those who are nondegree and pursuing the TESOL Certificate. TESOL students must consult the Ministry Formation department before planning and registering for their degree-required Internship course in order to connect to the required INT5205 TESOL Ministry Formation Internship.

Ministry-Enhancement Programs

DTS students may earn academic credit for work done through a variety of ministry-enhancement programs or special conferences and seminars offered by parachurch ministries or local churches. These special learning opportunities may be taken as a foundation for independent study in a student's concentration or as free electives. For some examples of ministry-enhancement programs in which students have participated as a foundation for independent study, please see the DTS website.

Students who desire to participate in a ministry-enhancement program for independent study credit must have (1) prior approval from the department in which they desire to receive academic credit; and (2) must complete the Independent Study Request form prior to registration.

Ministry Residency

To provide more intentional opportunities to integrate classroom instruction with field-based experience within partnering churches and parachurch/mission organizations, DTS offers ThM, MACE, and MACL students the opportunity to earn seminary credit for on-site instruction and cohort interactions at select ministry sites. Students in every specific degree complete a required Internship course for academic credit. The larger block of academic credit allows students the opportunity to pursue integration at a much deeper level since their focus during the residency will primarily be in the field.

For ThM, MACE, or MACL students serving on full-time paid staff with a church or parachurch ministry, they can apply for EML5801 Ministry Residency I and EML5802 Ministry Residency II (fall term and spring term sequence). A formal application process is involved and enrollment is limited. See the DTS website for more information.

ThM, MACE, and MACL students enrolled as residency students through one of our partnership churches will take a series of EML5800 level courses taught at their local church. See the DTS website for more information.

Church Ministry Partnerships

DTS has partnered with select churches and church networks to develop residency programs that combine practical ministry experience with seminary education. During the residency experience, students serve on a church's staff while pursuing their Master of Arts in Christian Leadership, Master of Arts in Christian Education, or Master of Theology degree. Up to 12 hours of credit can be earned through courses taught by partnering churches (please refer to the Educational Ministries and Leadership Departmental section on Ministry Residency in this catalog). Students must be admitted to both the respective residency program and DTS. This unique model offers the strengths of both church and seminary contexts to prepare students for ministry upon graduation. A full list of participating churches and church networks can be found on the DTS website.

Additional For-Credit Programs (Special Topics)

DTS has a more formal relationship with some ministry organizations that provide specialized training for ministry. In such cases, students may participate in these special programs under the 5905 Special Topics course found in the different departmental listings of courses in this catalog. These experiences are normally preapproved and require only the submission of the Special Topics approval form available from the Registrar's office.

In most cases, the programs in which students participate for Special Topics credit require additional registration fees. To help offset these additional fees, the seminary will reimburse the approved organization up to 50 percent of the student's tuition. Most Special Topics programs are offered off campus, and some are offered at various locations around the United States (or occasionally in other countries). In these cases, students will need to plan for travel costs and living expenses as well.

The following are some examples of the approved programs through which students may earn Special Topics credit. For a full list of additional for-credit programs, please see the DTS website.

China Academic Consortium

The China Academic Consortium provides academic dialogue and exchange about religion, worldviews, values, and ethics with the Chinese intellectual community. This learning experience provides students the opportunity to immerse themselves in Chinese culture for preparation to serve in that context. Please contact the Department of Missiology and Intercultural Ministries for more information.

Church Planting Boot Camp (Evangelical Free Church of America)

The Church Planting Boot Camp is an intensive five-day training experience that covers the major issues church planters face in their first year starting a new church. The Boot Camp is offered as a 3-hour, one-week intensive course in the first summer session on the Dallas campus and in the winter term at the Houston campus. Credit for the Church Planting Boot Camp is earned in the Department of Pastoral Ministries. More information on the Boot Camp is available at the EFCA website (efca.org).

Cranmer Theological House

The Cranmer Theological House in Dallas, Texas, is a graduate-level educational institution associated with the Reformed Episcopal Seminary in Pittsburgh, Pennsylvania. The Cranmer House provides training for those who plan on entering vocational ministry in the evangelical Anglican Church in North America. Students who desire to take courses through Cranmer Theological House must have prior approval from the department in which they desire to receive academic credit. More information is available on the Cranmer House website at cranmerhouse.org.

D6 Conferences

The D6 Conference is an annual conference that is designed to bring together speakers, seminar leaders, and collected resources to help minister to families. Students will enroll in EML5905 Special Topics in Educational Ministries and Leadership, attend the D6 Conference, and complete all necessary coursework in order to receive credit. More information is available from the Department of Educational Ministries and Leadership.

Inspire Women Leadership Institute

Women students may complete the Women's Leadership Certificate and earn 3 hours of DTS credit. Please contact the Department of Educational Ministries and Leadership or visit the Inspire Women website (inspirewomen.org) for more information.

Manarah or Darshan, Christar

Held in the greater Detroit area, *Manarah* combines classroom training on Islam, its people, and cultures with daily outreach opportunities by seasoned mentors. Students have the opportunity to taste Arab hospitality while learning how to share with these least-reached people. *Darshan*, held in Chicago, includes classroom studies about Hinduism, its people, and cultures. Students also participate in daily guided Hindu—community interaction. Don't miss your opportunity to enroll in *Manarah* or *Darshan* to learn how to communicate biblical truth in a culturally relevant way. Special Topics credit for *Manarah* or *Darshan* may be earned in the Department of Missiology and Intercultural Ministries. For more information contact the MIM department or visit the Christar website at christar.org/training.

Rural Home Missionary Association's Town & Country Training (TACT) Program

Rural Home Missionary Association (RHMA) is devoted to planting and strengthening Bible-based, evangelical churches in small-town America. The TACT Program curriculum includes the following:

- **Ministering in the Town and Country Church**

An overview of ministry in the town and country community and church with an emphasis on understanding the varied types of contexts and how each affects pastoral work and strategy. The town and country culture is experienced as well as studied during the class.

- **Leading the Town and Country Church**

Provides students a look at how town and country residents think and the spiritual and social tools required to lead them. The course examines the standard issues of church leadership as they apply to the town and country church. It also touches on the role of the pastor as community leader.

- **Faith Communication in a Town and Country Context**

The oral culture and intimacy of the town and country context present a unique set of circumstances for preaching, evangelism, discipleship, and youth and children's ministries. This course explores the ways town and country culture impacts and reshapes the common methods and strategies for communicating the gospel.

- **Pastoral Care in a Town and Country Context**

Pastors in isolated settings often find themselves facing a large number of pastoral care issues, some unique to the context, with less help than their suburban and urban counterparts may have available. This course looks at some of the stresses town and country life places on pastors and their families as well as those in the church and explores ways pastors can keep themselves spiritually, emotionally, and physically healthy and thereby able to offer pastoral care to others.

- **Seminar in Town and Country Ministry**

Students in this course will research a topic in Town and Country Ministry and present their findings to the class in a collaborative learning environment. The instructor will suggest topics and offer reading lists, and students may suggest topics of special interest.

神學碩士 (ThM [Chinese])

神學碩士 (ThM [Chinese]) 有別於常見的道學碩士 (MDiv)、為了培育能勝任的聖經詮釋者，在牧養、宣教、或其他事工上有效的事奉神。達拉斯神學院中文神學碩士提供獨特的四年學程，是根據道學碩士正規三年的事工培訓，再融入更多深度希臘文與希伯來文課程，以及學生選擇的專研項目。神學碩士 (ThM [Chinese]) 需要在八年內完成。

中文神學碩士讓學生有機會在雙語模式中學習。英語課程裝備學生深度與廣度，中文課程讓學生可以用熟悉的母語思考接觸適切華人事工的議題，以及如何在華人事工中落實聖經與神學的教導。神學碩士學位有 120 學分，除了 61 學分的核心課程，還要修讀 27 學分的聖經原文、3 學分的事工實習，以及 29 學分為根據服事興趣所選之事工主修課程。

所有關於中文神學碩士學位的詳情資料都可以在本目錄中或者直接上網 dts.edu/chinese 查詢，也可以與我們的中文入學部同工聯絡洽詢。

聖經研究碩士 (MBTS)

聖經研究碩士 (MBTS) 是一個 36 學分的課程，專為基督徒專業人士所預備的學位，讓他們可以在公司上班、家庭生活和教會事奉以外又能接受正規神學裝備。聖經研究碩士 (MBTS) 給學生一個基本的聖經概述，介紹給他們認識關鍵神學理念，並有幾門課程可以自由選修。聖經研究碩士 (MBTS) 要在六年內完成。

學生可以完全藉著中文的網路神學課程來取得聖經研究碩士的學位，世界各地的華人信徒都可以註冊修讀這些網路課程。這些課程所有的教材、作業和師生互動都是以中文進行。所有關於中文聖經研究碩士學位的詳情資料都可以在本目錄中或者直接上網 dts.edu/chinese 查詢，也可以與我們的中文入學部同工聯絡洽詢。

基督教研究碩士學位 (MACS)

基督教研究碩士學位 (Master of Arts in Christian Studies) 是針對華人教會事工而設計的，為幫助在教會或基督教機構事奉人員奠定碩士程度的聖經和神學根基。因大部份課程可以是網路課程，部分課程則需要在傳統課堂裡完成，學生不需要長期離開職場或家鄉，就能修完此文學碩士學位。鼓勵有志於全職教會聖工的華人信徒申請修讀基督教研究碩士。基督教研究碩士 (MACS) 要在七年內完成。

學生可以藉著中文的網路神學課程及面授課程來取得基督教研究碩士的學位，世界各地的華人信徒都可以註冊修讀這些網路課程。這些課程所有的教材、作業和師生互動都是以中文進行，學位要求部分的面授課程則需在有提供中文課程的校區修讀。就讀中文基督教研究碩士的學生除了必須完成

達拉斯神學院 50 學分的核心課程之外，還要修讀 MIM5340 華人處境事工 (2 學分)、MIM5545 華人教會歷史/當代神學趨勢 (3 學分)、EML5101 有效事工的規劃與執行 (3 學分)。另外還有 4 學分可選修配合個人興趣或事工需要的課程。所有關於基督教研究碩士學位的詳情資料都可以在本目錄中或者直接上網 dts.edu/chinese 查詢，也可以與我們的中文入學部同工聯絡洽詢。

基督教教育碩士學位 (MACE)

基督教教育碩士學位 (Master of Arts in Christian Education) 的課程設計，是專為有志在華語環境裡從事教育專業事工的信徒，奠定碩士程度的聖經和神學根基以及教育的專業。此學位裝備學生未來從事各項教會教育特定事工，或在基督教高等教育系統成為教育或行政人員。基督教教育碩士 (MACE) 需於七年內完成。

學生可以藉著中文的網路神學課程及面授課程來取得基督教教育碩士的學位，這些課程所有的教材、作業和師生互動都是以中文進行，學位要求部分的面授課程則需在達拉斯或休士頓校區修讀。就讀中文基督教教育碩士的學生除了必須完成達拉斯神學院 47 學分的核心課程之外，還要修讀 15 學分教

育事工專業指定課程、INT5160 教育事工實習 (2 學分)。另外還有 2 學分可選修配合個人興趣或事工需要的課程。所有關於基督教教育碩士學位的詳情資料都可以在本目錄中或者直接上網 (dts.edu/chinese) 查詢，也可以與我們的中文入學部同工聯絡洽詢。

神學研究證書 (CGS)

神學研究證書課程是在聖經與神學兩方面以碩士的學術程度裝備學生。華人信徒可以通過網路完成中文的神學研究證書，也可以在有提供中文課程的校區修讀面授課程。神學研究證書課程是為想嘗試修讀神學課程的學生而設，提供較彈性的課程安排，讓華人同工可以在短期內修完，又或教會領袖在事工繁忙時仍然可以接受神學裝備。學生可以完全藉著中文的網路神學課程來取得中文的神學研究證書，世界各地的華人信徒都可以註冊修讀這些網路課程。這些課程所有的教材、作業和師生互動都是以中文進行。所有關於中文神學研究證書的詳情資料都可以在本目錄中或者直接上網 dts.edu/chinese 查詢，也可以與我們的中文入學部同工聯絡洽詢。

教育事工博士 (DEdMin)

教育事工博士學位課程的設計乃是為那些參與於在職或雙職之教育事工的人員提供進深培訓，使他們能實施以聖經和神學為本的教育事工。本課程專注

於開發教育事工在聖經的基本原理，社會學的研究策略，及實際事工上所需的專門知識技能。

教育事工博士 (DEdMin) 學位是為那些參與於基督教會和與教會有關的文教事工、或是普世宣教，和類似的教育事工人員而設的最高專業學位。(相較之下，教牧學博士 (DMin) 學位專注於使學生能在當地教會的環境下實踐聖經和神學為本之事工的進深培訓；而博士 (PhD) 學位的主要目的是裝備學生從事於學術研究和教學工作。) 本教育事工博士課程並非「在校區居留」的模式，而是讓學生仍然在「原地」一邊事奉一邊學習，達拉斯神學院不會要求博士生搬遷到校本部上課。通常要求在入學前至少具有三年的事工經驗。每門課會採用這個服事經驗，致力於使培訓學習與學生目前服事的環境及未來的目標能協調相符。

達拉斯神學院的教育事工博士課程最吸引人的特點之一是該課程內容的設計具有高度靈活性。在博士學位中所需的39學分的課程裡，至少有15學分的課程讓學生針對目前所參與的事工提供量身訂製的規劃，以實現自己的事工目標。除了有3學分的課程讓博士生進行應用論文的研究與寫作外，另外還有3學分的課程是學術文獻閱讀，在指導教授的帶領下、針對自己的論文內容所進行的文獻研究綜述。所有關於教育事工博士學位的詳情資料都可以在本目錄中或者直接上網 dts.edu/chinese 查詢，也可以與我們的中文入學部同工聯絡洽詢。

Maestría en Estudios Bíblicos y Teológicos—MEBT (MBTS)

La Maestría en Estudios Bíblicos y Teológicos es un programa a nivel posgrado de 36 horas créditos. Esta maestría está diseñada para profesionales y laicos que desean ser capacitados para servir en el hogar, la iglesia y el mundo. La MEBT (MBTS) provee un panorama completo de la historia de la Biblia, introduce conceptos teológicos y contiene 13 horas de asignaturas optativas.

La MEBT es completamente en línea. Toda la literatura, tareas e interacciones entre los estudiantes y los profesores se ofrecen en español. Para más información acerca de la MEBT, visite la página web de DTS en Español dts.edu/espanol.

Maestría de Artes en Estudios Cristianos—MAEC (MACS)

La Maestría de Artes en Estudios Cristianos—MAEC (MACS)—está diseñada para proveer un conocimiento bíblico y teológico para el servicio cristiano a nivel posgrado. Esta maestría está dirigida a líderes que desean ser entrenados con el propósito de lograr un ministerio más eficaz dentro de su iglesia u organización. La MAEC también puede proporcionar una formación complementaria para los que trabajan en ministerios eclesiales o están en puestos de apoyo con agencias misioneras o iglesias.

La MAEC es completamente en línea. Toda la literatura, tareas e interacciones entre los estudiantes y los profesores se hacen en español. Para más información acerca de la MAEC, visite la página web de DTS en español dts.edu/espanol.

Doctorado en Ministerio—DMin

El propósito del Doctorado en Ministerio es ofrecer una preparación avanzada en liderazgo ministerial para los que ya están sirviendo activamente en ministerios de liderazgo en la iglesia local, misiones transculturales u organizaciones cristianas. El programa procura ayudar al alumno a profundizar su pensamiento bíblico-teológico y a desarrollar estrategias actualizadas para ser implementadas en el contexto de su propio ministerio.

El Doctorado en Ministerio se realiza en forma modular con una semana de clases residenciales por cada módulo, con el fin de que el alumno pueda cumplir sus responsabilidades ministeriales mientras que estudia en el programa. Se ofrecen cuatro asignaturas por año en semestres académicos de seis meses (dos asignaturas por semestre). Diez asignaturas integran el programa, incluyendo el proyecto de tesis doctoral. El programa no es por cohorte, lo cual le permite al alumno cierto grado de flexibilidad en confeccionar su propio plan de estudios. La semana de clases residenciales se celebra en el campus del Seminario Teológico Centroamericano (SETECA) en la ciudad de Guatemala.

Los requisitos principales para ser admitido al programa son: (1) contar con el grado de Maestría en Divinidades o su equivalente en programas de licenciatura y maestría en teología de instituciones teológicas acreditadas de América Latina y España, (2) contar con el mínimo de tres años de experiencia ministerial vocacional y (3) demostrar madurez en la trayectoria ministerial y la capacidad académica que se espera de un estudiante a nivel doctoral.

El título del Doctor en Ministerio es el grado profesional más alto que se les otorga a aquellos que sirven en el ministerio pastoral, mientras que el PhD está diseñado para aquellos que aspiran a desempeñarse principalmente en la docencia y el liderazgo en instituciones teológicas.

Doctorado en Educación Ministerial—DEdMin

El programa de Doctorado en Educación Ministerial es el grado más alto profesional para los que están involucrados en una iglesia local y ministerios parecidos, misiones globales y ministerios educativos similares. El programa DEdMin se ofrece “en el ministerio” en lugar de “en el centro” pues asume que los estudiantes meranecerán en el ministerio a lo largo del programa y así no tienen que transportarse a Dallas. La entrada al programa normalmente requiere un mínimo de 3 años de experiencia significativa en el ministerio. Cada asignatura supone esta experiencia ministerial y se esfuerza por integrar el aprendizaje con el contexto presente del ministerio del estudiante y sus objetivos futuros de ministerio.

Una de las características más atrayentes del programa DEdMin es que está diseñado con un alto grado de flexibilidad. De las 39 horas requeridas, al menos 15 horas se pueden personalizar para adaptarse al contexto ministerial del estudiante. Tres horas son para el proyecto de investigación y tres horas son para lectura guiada y análisis de literatura del proyecto de la tesis.

Además de los requisitos normales de admisión para todos los programas, hay prerrequisitos específicos para los que quieren entrar en el programa DEdMin según su preparación de maestría anterior. Los estudiantes que tengan una maestría en Teología (MAEC o equivalente) cumplen los requisitos para acceder al programa tradicional de 39 horas de DEdMin. Los estudiantes que no tengan una maestría en Teología, pero sí en educación u otra área de estudio similar, pueden acceder al programa de DEdMin en dos etapas.

Mientras el DMin se concentra en proveer entrenamiento para un liderazgo bíblico-teológico dentro de la iglesia local, y el PhD en preparar estudiantes para la investigación y la enseñanza académica, el Doctorado en Educación Ministerial (DEdMin) es el grado profesional más alto que se ofrece para aquellos que trabajan en el ministerio educativo de la iglesia local, agencias para-eclesiásticas, misioneras y otros ministerios educacionales similares.

- A 36-hour program leading to the **Doctor of Philosophy** degree for those presenting a Master of Theology degree or its equivalent, with an additional 26 hours for those holding a Master of Divinity degree or its equivalent.

Students desiring to earn a second master's degree may do so by adding additional hours to the earned degree. The total minimum hours needed to earn two degrees are listed below. Please consult the Advising Center for the specific courses that must be completed to earn the second degree.

- 2-year MA + 2-year MA = 90 hours
- 2-year MA + MACP = 105 hours
- 2-year MA + MABC = 115 hours
- 2-year MA + ThM = 145 hours

- MACP + MABC = 120 hours
- MACP + ThM = 150 hours
- MABC + ThM = 155 hours

With approval, students may earn the 36-hour MBTS in combination with another DTS master's degree by taking an additional 18 credit hours beyond the coursework required for their first degree.

While all programs at DTS are coeducational, the seminary holds the position that Scripture assigns to men the roles of elder and senior pastor in the local church. Therefore the seminary programs of study are not designed to prepare women for these roles.

Overview of the Academic Year

The DTS academic year is based on a two-term structure, such that the majority of classes take place in the fall and spring terms, which are seventeen weeks long: fourteen weeks for lectures, one week for final examinations, and two weeks of break. Commencement takes place after the conclusion of the spring term.

Summer terms are fifteen weeks long. All coursework for summer classes must normally be completed during the time the class is offered, though the professor may extend the due date by one week at his or her discretion.

DTS also offers several winter-term courses during the one- or two-week period immediately before the spring term begins. All coursework must normally be completed within two weeks of the end of the winter term.

Evening and Weekend Courses

DTS offers a number of evening and weekend courses during the fall, spring, and summer terms. These courses offer those with full-time jobs or other daytime obligations an opportunity to pursue graduate-level biblical and theological education. Courses apply to many of DTS's degree programs and several of the seminary's programs can be completed during evenings and/or weekends. A current listing of available courses can be found at dts.edu/schedule.

Course Formats

At DTS, courses are available in a variety of formats, offering students flexibility while completing degree requirements.

In-Person Courses

- Traditional—courses that meet weekly on a campus. These are most commonly offered in Dallas and Houston.
- Block Hybrid—these courses utilize some pre-recorded video but include a live in-person element that takes place over a single weekend at one of DTS's locations.

Online Courses

- Pre-Recorded Online—these courses are composed primarily of pre-recorded lectures and asynchronous interactions with faculty and peers. Assignments are due on specific dates, but much of the work can be completed at the student's preferred time.

- Real-Time Online—these courses include regular live video conferencing sessions where students and faculty interact in a seminar-style discussion format.
- Classroom Access—traditional courses in Dallas and Houston can be joined by video conferencing, but may not offer as much interaction as other formats.

Real-Time Requirements

The master's degree programs require that a certain number of courses be completed in a "real-time" format. Formerly referred to as face-to-face or residential requirements, real-time courses are those where the student is taking classes either in person or by remote video synchronously with the professor of the course. The Master of Theology requires 16 real-time courses (48 hours). The MA in Biblical Counseling requires 10 real-time courses (30 hours). The MA in Chaplaincy and Ministry Care, the MA in Apologetics and Evangelism, the MA in Christian Education, the MA in Christian Leadership, the MA in Intercultural Studies, and the MA in Media Arts and Worship require 4 real-time course. For more information on Real-Time course requirements see the Degree Planning page on the Student Portal. Because not all courses required for the above degrees are offered at every location, students are encouraged to refer regularly to dts.edu/schedule for course availability and to consult with an academic advisor prior to course registration.

hours in ministry

Course Requirements

The prescribed Master of Theology curriculum involves not only extensive preparation in Hebrew, Greek, Bible, and systematic and historical theology, but also preparation in pastoral ministries, Christian education, missions, and ministry leadership. ThM students enroll in Spiritual Formation groups during four consecutive fall and spring terms at the Dallas, Houston, DC, or Atlanta campuses.

Students are encouraged to take courses in the order in which they appear on the curriculum chart in this section. This is to the student's advantage, as courses are designed to build on previous coursework.

Out of the required 120 credit hours in the ThM curriculum, 96 credit hours are predetermined in the curriculum. With the remaining 24 credit hours beyond this core, students are given the flexibility to pursue areas of ministry emphasis and choose electives based on vocational intent and interests. The ThM requires that 48 credit hours be completed in real-time.

As part of the ThM core curriculum, all students take a 3-hour Internship course (INT5130). During the Internship course, students complete a portfolio. When students declare their desired concentration (no later than at the completion of 60 hours), they should start planning for their internship experience. Students in the Media Arts and Worship

concentration should consult that department to clarify their apprenticeship requirements. Please consult the Interdepartmental Courses section of this catalog for more information on Internship course requirements.

ThM students are responsible for demonstrating competence in research by satisfactorily completing either (1) a ThM thesis in an academic department of their choosing or (2) a 2-hour research seminar (RS5102).

To provide greater opportunity for learning, students may also take up to five courses for credit beyond the 120 hours required for the degree for a modest fee. Please contact the Registrar's office for more information on this special program.

ThM Concentrations

Each student in the Master of Theology program must select a concentration by the halfway point of their program (60 hours) and prior to beginning their INT5130 ThM Ministry Formation Internship. In addition to the 96-hour core curriculum (which includes a 3-hour Internship course involving the production of a portfolio), students customize the remaining 24 elective hours with respect to their ministry goals and areas of interest. Regardless of their concentration, students must complete at least 9 of their 24 elective hours in the Division of Ministries and Communication.

Available ThM concentrations—including the course options and/or requirements for each—are listed in the section that follows. Faculty coordinators for each concentration are available to advise students regarding course selection, and the Advising Center is available to help with general questions. Spiritual Formation

Because Dallas Theological Seminary values Christlike character and spiritual maturity, ThM students are required to register for and participate in Spiritual Formation groups for four consecutive fall and spring terms at the Dallas, Houston, or Washington, DC, campus.

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry. Students participate with the same group

during four consecutive fall and spring terms; therefore, they should make plans to arrange their schedules so that they meet on the same day and at the same time each term. Spiritual Formation is a noncredit, transcribed experience that must be completed prior to enrolling in the ThM Ministry Formation Internship. (For other requirements related to the internship, please see the Ministry Formation Internships section of this catalog.)

Agape Project

The Agape Project is an initiative that gives feet to the seminary's commitment to "Teach Truth. Love Well." The Agape Project provides opportunities to put into practice compassionate ministry in often-overlooked settings. ThM students are required to complete two Agape assignments prior to enrolling in their Internship course.

Agape assignments are embedded in courses throughout the curriculum and enhance the learning outcomes of those courses. Some courses require Agape assignments, while in other courses they are optional. Agape assignments require students to engage in an approved ministry setting for approximately 15 hours over the term of a 3-hour course. A final reflection paper will also be written. Assessment for the Agape Project will take place at the beginning of the student's ThM program and again during the student's ThM Ministry Formation Internship course. For more information, please visit dts.edu/agape.

Real-Time and Degree Limit Requirements

Of the 120 credit hours of coursework required for graduation, a minimum of 48 hours (i.e., 16 3-hour courses) must be taken in a real-time format at any of the seminary's approved locations. (Students should note that not all courses are offered at all locations.) **All work leading to the degree must normally be completed within eight years from the time a student matriculates.** Extension beyond the eight years requires approval by the Credits Committee. Reinstatement to the program after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Admission to Candidacy

Students may be admitted to candidacy by action of the faculty for the Master of Theology degree in the fall or spring term prior to the term of degree conferral or the term prior to their participation in the Commencement ceremony after these requirements have been met: (1) a minimum grade point average of 2.0; (2) satisfactory progress toward meeting ThM Ministry Formation Internship requirements, thereby evidencing ability and acceptability in Christian ministry; (3) evidence, to the satisfaction of

the faculty, of proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ; (4) provision of a written statement of church involvement from the local church regularly attended while in seminary; and (5) provision of a reference form completed by a pastor or spiritual overseer.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

Graduation Requirements

Candidates for the Master of Theology degree must have completed 120 credit hours of coursework, including the ThM Ministry Formation Internship course, with a grade point average of at least 2.0, and must evidence, to the satisfaction of the faculty, ability and acceptability in Christian ministry, proven Christian character, and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the seminary and/or student loan program are current.

ThM in Chinese

Courses in the Chinese-English bilingual ThM must be completed in a real-time format in Dallas or Houston. Please see dts.edu/chinese or contact the Chinese Studies office for more information on completing the ThM in Chinese.

Professional Master of Arts Degrees

DTS offers seven professional Master of Arts degrees in specialized ministries

MA in Biblical Counseling ([see page 86](#))

MA in Chaplaincy and Ministry Care ([see page 89](#))

MA in Apologetics and Evangelism ([see page 92](#))

MA in Christian Education ([see page 94](#))

MA in Christian Leadership ([see page 98](#))

MA in Intercultural Studies ([see page 101](#))

MA in Media Arts & Worship ([see page 103](#))

Professional Master of Arts Degrees

PURPOSE:

Programs leading to the professional Master of Arts degrees are designed to give men and women a biblical and theological foundation for various kinds of Christian service other than pulpit ministry. Graduates normally are recommended only for the types of ministry positions for which their degrees are intended. These MA programs are not designed to prepare students for PhD study at the seminary but may prepare students for DMin or DEdMin study.

Common Goals for Professional MA Programs

In addition to the specific goals listed for each professional MA program in this section, professional MA students will be able to:

- demonstrate a general knowledge of the Bible, including a synthetic understanding of the major books;
- evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues; and
- evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit.

Admission Requirements

Admission requirements and application procedures for professional MA degree programs are the same as for all programs of study at the seminary. Please refer to the Admission section of this catalog for more information. Students generally will not be admitted into a degree program without goals consistent with the ministries for which the program is designed to equip them.

Those applying to the MA in Biblical Counseling program will also need to complete a process of testing and interviews with faculty in the department. This process will determine whether the applicant has the dispositional and relational skills needed to enter into this kind of interpersonally intense program of study.

Transfer of Credit

Transfer of some credit is allowed toward the professional MA programs from accredited graduate theological schools. Up to 30 hours of credit may be transferred toward the MA in Christian Education, the MA in Christian Leadership, the MA in Intercultural Studies, or the MA in Media Arts and Worship. Up to 45 hours may be transferred toward the MA in Biblical Counseling. (Of the 45 hours, students are limited to 15 hours of transfer in counseling courses.) MABC students pursuing licensure may have stricter transfer-credit guidelines as required by a particular state licensing agency.

Students must have earned a grade of C or better for a course to be considered in transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Please visit dts.edu/transfer for more information, including eligibility requirements.

Accelerated MA Programs

Students entering DTS with a strong background in Bible or theology from an approved Christian university, Bible college, or parachurch ministry may apply for an accelerated professional MA program on the Dallas campus. In place of core courses of a Master of Arts curriculum, accelerated MA participants take four advanced standing courses (AS5103–106). This results in a curricular reduction of a professional MA program by up to 16 credit hours.

For more information about an accelerated professional MA program, please visit dts.edu/advancedstanding.

Real-Time and Degree Limit Requirements

Of the 90 credit hours required for the professional MA in Biblical Counseling, a minimum of 30 hours (i.e., 10 3-hour

courses) must be taken in a real-time format at any of the seminary's approved locations (though counseling courses are typically offered only at the Dallas, Houston, and Washington, DC, campuses). The MA in Biblical Counseling, MA in Chaplaincy and Ministry Care, MA in Apologetics and Evangelism, MA in Christian Education, MA in Christian Leadership, MA in Intercultural Studies, and MA in Media Arts and Worship require 12 hours (i.e., 4 3-hour courses) be taken in a real-time format (see the [degree planning webpage](#) on the Student Portal). Because not all courses required for the above degrees are offered at every location, students are encouraged to refer regularly to dts.edu/schedule for course availability and to consult with an academic advisor prior to course registration.

All work leading to any of the professional MA degrees must be completed within seven years from the time of matriculation. Extension of this limit requires approval of the Credits Committee. Reinstatement to these programs after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Spiritual Formation

Because DTS values Christlike character and spiritual maturity, students enrolled in one of DTS's professional MA degrees (with the exception of MABC students) are required to register for and participate in Spiritual Formation groups for four consecutive fall and spring terms at the Dallas, Houston, or Washington, DC, campus. (Students who are not planning to move to Dallas, Houston, or Washington, DC, for four consecutive fall and spring terms must contact the Spiritual Formation office concerning how to meet their Spiritual Formation requirement.)

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry.

Because students participate with the same group during four consecutive fall and spring terms, they should make plans to arrange their schedules so that they may meet on the same day and at the same time each term. Spiritual Formation is a noncredit, transcribed experience that students must complete prior to enrolling in their respective Ministry Formation Internship. (For other requirements related to the internship, please see the Ministry Formation Internships section of this catalog.)

Admission to Candidacy

Students may be admitted to candidacy by action of the faculty for the MA in Christian Education degree, the MA in Christian Leadership degree, the MA in Intercultural Studies degree, or the MA in Media Arts and Worship degree in the fall or spring term prior to the term of degree conferral or the term prior to their participation in the Commencement ceremony. They must have a minimum grade point average of 2.0.

Students may be admitted to candidacy by action of the faculty for the MA in Biblical Counseling degree. They must have a minimum grade point average of 2.0 and show reasonable promise for effective counseling ministry in people's lives.

In addition, students must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in

Christ alone, and the physical return of Christ. Students in all MA programs must also provide a written statement of church involvement from the local church regularly attended while in seminary and a reference form completed by a pastor or spiritual overseer. Those students who are required to complete an Internship course, apprenticeship, or Biblical Counseling practicum must demonstrate satisfactory progress toward the completion of all requirements prior to admission to candidacy, thereby evidencing ability and acceptability in Christian ministry.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

Graduation Requirements

Candidates for the MA in Biblical Counseling degree must have completed 90 hours of coursework. Candidates for the MA in Christian Education degree, the MA in Christian Leadership degree, and the MA in Media Arts and Worship degree must have completed 66 hours of coursework. Candidates for the MA in Intercultural Studies degree must have completed 66 hours of coursework. Candidates must have a minimum grade point average of 2.0, and must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the seminary and/or student loan program are current.

MA in Biblical Counseling (MABC)

PURPOSE:

The Master of Arts in Biblical Counseling degree program is designed to prepare students to enter into licensed counseling practice in church, institutional, or private counseling settings by providing training that is biblically, theologically, and clinically focused.

Hours: 90

Languages: English

Goals

In addition to the goals common to all professional degree programs at the seminary (please refer to the Professional Master of Arts Degrees section of this catalog), students in this program will be able to:

- understand and explain the issues and problems that people face in life from a thoroughly biblical point of view;
- understand and evaluate secular and Christian psychological theories and practices from a sound biblical and theological point of view in order to develop professional competence within a thoroughly biblical framework focused on ministry;
- develop deep levels of biblical and spiritual integrity in their own personal life, relationships, and ministry;
- possess the personal and spiritual maturity, discernment, and wisdom needed to help people resolve spiritual, relational, and behavioral issues and problems; and
- engage in effective biblically based counseling in the context of a local church, private practice, or mental health institution.

Licensure

Meeting the MABC program course requirements enables a graduate to apply for licensure as a Professional Counselor (LPC) and/or a Marriage and Family Therapist (LMFT) with the appropriate state licensing board of many states. It is

important to note that the seminary only grants the degree; a state board grants the license. Earning the MABC degree does not, in itself, guarantee licensure in a particular state. Each state board makes an independent decision based on its state regulations and its determination of the applicant's completion of those requirements. Students desiring to pursue a license as a Professional Counselor (LPC) and/or a Marriage and Family Therapist (LMFT) in a particular state should consult DTS's licensure disclosure statement online (dts.edu/mabc) for a list of states in which DTS has made a determination concerning the MABC program's qualifications for licensure. Contact information for state licensing boards is also listed on the MABC webpage in order to provide additional assistance for students interested in pursuing professional licensure. Minor program modifications, with the approval of the MABC department, may be made to satisfy some state licensing board requirements. All additional questions concerning the MABC program and qualifications for professional licensure should be directed to the Department of Biblical Counseling.

Admission Requirements

Those applying to the MA in Biblical Counseling program will need to demonstrate appropriate academic and practical preparation broadly related to the field of counseling. Admitted students are designated as MABC Stage 1.

Course Requirements

The MA program in Biblical Counseling is three years in length, with 90 credit hours of coursework required as a minimum for graduation. The MABC requires 48 credit hours be completed in real-time. Students in the MABC program complete core 3-hour Bible Exposition, Systematic Theology, and Pastoral Ministries courses for 2 credit hours. The reduction in credit hours corresponds to reduced coursework requirements in each of these classes. Of the 90 credit hours required, 16 are in prescribed Bible Exposition courses, 12 are in prescribed Systematic Theology courses, and 2 are in the Christian Life and Witness course. In addition, there are 54 hours in prescribed counseling courses and 6 hours in counseling electives. No thesis is required.

Students move from Stage 1 to Stage 2 of the MABC program upon the satisfactory completion of a minimum of 24 hours of coursework, including BC5305 Counseling and Ethics Practicum I. This process normally occurs after the student's third term in the program, and involves a Personal, Academic, and Professional Progress Interview with the department faculty to help determine the student's appropriate fit for the profession. Students must successfully move to Stage 2 to continue in the program.

Students may take certain specialized counseling courses, other than those that are prescribed and/or offered in the MA in Biblical Counseling curriculum, at other accredited schools to fulfill any needed academic requirements for

state licensure in other states. Biblical Counseling course transfers are subject to prior department approval, and must not exceed 15 hours. Transferring courses during a student's final term may delay graduation.

Military Chaplaincy

Students seeking a ministry career as a Military Chaplain should contact the branch of service in which they want to serve and seek guidance from a local chaplain recruiter. Chaplain recruiters are able to provide the most up-to-date information regarding their branch of service's requirements for a graduate degree program (especially regarding the amount of course hours that must be completed in residence), general military qualifications, Military Chaplaincy School schedules and availability, leadership ministry experience prerequisites, and a list of religious faith organizations that are registered with the Department of Defense and able to

provide an Ecclesiastical Endorsement. Students should confirm all requirements with his or her desired branch of service. Those students who attend Military Chaplaincy School may transfer up to 9 hours of credit towards the MACP program.

Clinical Pastoral Education (CPE)

Particular types of chaplaincy, including hospital and military, may require the completion of one to four units of Clinical Pastoral Education (CPE), to meet eligibility for service in those contexts. The Association of Clinical Pastoral Education (CPE) maintains an active list of sites around the world that offer CPE units, including hospital,

hospice, and other entities which allow for the professional and pastoral formation of seminarians for chaplaincy careers. MACP students may choose to utilize their internship requirement to earn one Clinical Pastoral Education (CPE) unit, and they can earn one additional unit as an elective course. Although not required for the completion of the degree, CPE may be necessary for some, and students should speak with the Ministry Formation Department to explore their internship options and determine if CPE is necessary for their vocational direction.

MACP and Doctoral Work

Completion of the MACP at DTS qualifies students to apply for the seminary's Doctor of Ministry (DMin) program. Leveling requirements for DMin admission vary based on the elective courses taken in the MACP but normally include three terms of biblical Greek and two terms of biblical Hebrew. For select cohorts and/or concentrations, ID7201 Computer Tools for Biblical Exegesis can be taken in lieu of Greek and Hebrew coursework.

General Academic Programs

DTS offers five general academic programs

- Master of Biblical and Theological Studies (see page 109)
- Master of Arts with majors in OT, NT, TS (see page 112)
- Master of Arts in Biblical Exegesis & Linguistics (see page 116)
- Master of Arts in Christian Studies (see page 122)
- Certificate of Graduate Studies in Bible and Theology (see page 125),

General Academic Programs

PURPOSE:

General academic programs provide understanding in biblical and theological disciplines. These programs are designed for general knowledge in biblical and theological studies or for background and foundation in specific disciplines. They are not designed to provide ministry-specific training or ministry formation as do the professional MA degrees. However, they do provide a solid biblical and theological foundation with a more academic focus for those whose ministry goals do not include a specific ministry focus.

Admission Requirements

Admission requirements and application procedures for general academic programs are the same as for all programs of study at the seminary. (Please refer to the Admission section of this catalog for more information.) Students generally will not be admitted into a degree program without goals consistent with the purposes for which the program is designed.

Those applying to the MA (Biblical Exegesis and Linguistics) program also must be accepted as students at Dallas International University (DIU).

Transfer of Credit

Transfer of some credit is allowed toward general academic programs from accredited graduate theological schools. Up to 30 hours of credit may be transferred toward the general master's degrees with the exception of the MBTS (12 hours). Up to 6 hours may be transferred toward the CGS.

No more than 30 hours of coursework from institutions outside of DTS and DIU will be transferred toward the MA (Biblical Exegesis and Linguistics). Some provision will be made for students to transfer work from the Jerusalem University College to the MA (Biblical Exegesis and Linguistics) program. Entering students with missions experience in Bible translation may be eligible for advanced standing.

Students must have earned a grade of C or better for a course to be considered in transfer. Transferability of credits earned at this institution and transferred to another is at the discretion of the receiving institution. Please visit dts.edu/transfer for more information, including eligibility requirements.

Program-Completion Requirements

General master's degrees allow for completion of many of the DTS courses online or by remote video. For more information, please consult the program-completion requirements for each of the general master's degrees in this section.

All work leading to any of the general master's degrees (except the 36-hour MBTS, which has a time limit of six years) must be completed within seven years

from the time of matriculation. Extension of this limit requires approval of the Credits Committee. Reinstatement to these programs after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Admission to Candidacy

Students may be admitted to candidacy by action of the faculty for the general academic programs in the fall or spring term prior to the term of degree conferral or the term prior to their participation in the Commencement ceremony. They must have a minimum grade point average of 2.0.

In addition, students must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ. Students in all general master's degree programs must also provide a written statement of church involvement from the local church regularly attended while in seminary and a reference form completed by a pastor or spiritual overseer.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

Graduation Requirements

Candidates for the general master's degrees (MBTS, MA, MABEL, and MACS) must have completed the required number of hours of coursework for their respective degree. Candidates must have a minimum grade point average of 2.0, and must evidence, to the satisfaction of the faculty, proven Christian character and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the seminary and/or student loan program are current.

Master of Biblical and Theological Studies (MBTS)

PURPOSE:

The Master of Biblical and Theological Studies degree program is designed to prepare students for effective ministry in the workforce, home, or local church.

Hours: 36

Languages: • English • Chinese • Spanish

The MBTS provides a flexible course of study individuals such as working professionals or laypersons who desire a short program of seminary studies to equip them for effective ministry in the workforce, home, local church, or abroad; missionary candidates who anticipate service in nonprofessional ministries whose mission board requires graduate study in Bible and theology; college graduates who want a shorter program of seminary studies as a supplement to their undergraduate work and are not planning on entering vocational ministry; and spouses of current DTS students who want to complete a program of graduate-level seminary studies. The MBTS is offered in English, Chinese, and Spanish with some customized requirements. The program can be completed entirely online in English and Spanish. Most of the courses in the Chinese-language MBTS can be completed online, but some will need to be completed in a real-time (in-person classes or video conferencing) format in Dallas, Houston, or Hong Kong. Please visit dts.edu/chinese or contact the Chinese Studies office for more information on completing the MBTS in Chinese.

Goals

Students in the MBTS program will be able to:

- demonstrate a general knowledge of the Bible, including a synthetic understanding of the major books;
- evidence a general knowledge of theology;
- evidence an ability to biblically and theologically support their views on a specific contemporary issue;

- evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit; and
- evidence an interest and involvement in the local church or other ministries with which they are associated.

Admission Requirements

Admission requirements and application procedures for the MBTS are the same as for all programs of study at the seminary. Please refer to the Admission section of this catalog for more information. Because the MBTS provides only a foundational level of biblical and theological education, it is not designed to prepare students for pastoral, teaching, or other vocational ministries. Therefore, individuals desiring this type of training should apply to one of the seminary's ministry MA programs or the ThM.

Transfer of up to 12 hours of credit is allowed toward the MBTS program from accredited graduate theological schools. Students must have earned a grade of C or better (2.0 on a 4.0 scale) for a course to be considered in transfer.

Although the MBTS can be completed entirely online, the courses are also offered on the Dallas campus and at the seminary's extension sites. Regardless of mode of delivery (online or in face-to-face courses on campus or at an approved extension), at least 24 hours of the coursework required for the degree must be earned through DTS.

Course Requirements

Thirty-six credit hours of coursework are required as a minimum for graduation. Of those hours, 9 are prescribed in Bible Exposition courses, 9 are prescribed in Theological Studies courses, and 6 are prescribed in Ministries and Communication courses. The remaining 12 hours are taken in open electives in courses of interest to the student. No thesis is required.

The program normally requires a minimum of two years of study, though some exceptions to the two-year limit may apply, allowing some students to finish the program in as little as one year. Students may pursue this degree on a year-round basis or during summers. By taking only 3 credit

2 Chinese-language students will substitute an additional ST elective until one of these courses is available in Chinese.

3 The following courses are approved to meet the communication course requirement for all students: EML5105 Teaching Process and Media Presentations; EML5450 Women Teaching Women; MW5302 Writing for Publication; PM5103 Expository Preaching I; MIM5210 Intercultural Communication; and MIM5540 Applied Biblical Contextualization. Chinese-language students may choose PM5120 Basics in Biblical Communication. Other communication courses may also be approved in consultation with the Advising Center.

4 Chinese-language students will have 3 open elective hours. The other 9 hours will continue to consist of the following required courses: EML5101 Designing and Leading Effective Ministries; MIM5340 Ministry in Chinese Contexts; MIM5545 Chinese Historical and Theological Trends; or other courses as approved by the Chinese Studies office.

hours per term (fall, spring, summer), students can still complete the program in four years. All work leading to the MBTS must, however, be completed within six years from the time of matriculation. Extension of this limit requires

the approval of the Credits Committee. Reinstatement to the program after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Master of Arts (MA)

PURPOSE:

The Master of Arts degree program is designed to prepare students anticipating advanced research by combining concentrated study in an academic discipline with a foundation of biblical and theological studies.

Hours: 60

Languages: English

Within this MA program, students can major in Old Testament Studies, New Testament Studies, or Theological Studies. Completing this program will provide students with a solid academic foundation for applying to the DTS PhD program. Students who are anticipating church-based vocational ministry should apply for admission to the ThM or one of the seminary's other MA programs.

Goals

Students in the MA program will be able to:

- demonstrate a general knowledge of the Bible, including a synthetic understanding of major Bible books;
- evidence a general knowledge of systematic theology from a premillennial framework and an ability to support their theological views and apply them to contemporary issues;
- demonstrate specific knowledge in the discipline of their selected concentration in the program necessary for advanced research in that discipline;
- evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit; and
- demonstrate involvement in their local churches and/or other ministries with which they are associated.

Admission Requirements

Admission requirements and application procedures for the MA are the same as for all programs of study at the seminary. (Please refer to the Admission section of this catalog for more information.) However, due to the research nature of the MA, admission to the program is generally limited to students who have a strong biblical, theological, and ministry-training background. It is assumed that students admitted to the program meet or exceed the seminary's Accelerated Advanced Standing requirements. If such prerequisites are not met, leveling work will be required. For more information on the seminary's Accelerated Advanced Standing Program requirements, please see dts.edu/advancedstanding. Those who are anticipating vocational ministry should apply for admission to one of the seminary's professional degree programs.

Transfer of Credit

Transfer of up to 30 hours of credit is allowed toward the MA program from accredited graduate programs in related fields of study. Students must have earned a grade of C or better (2.0 on a 4.0 scale) for a course to be considered for transfer.

Program Completion Requirements

Although some of the MA courses may be completed online, by remote video, or at one of the seminary's approved extension locations, the unique nature of the MA requires students to complete the majority of their coursework in residence at the Dallas campus. Students in the MA degree program will work with the Advising Center and the department of their intended major on course requirements and scheduling.

1 Proficiency in both Elements of Hebrew and Elements of Greek is required for all MA students. Students who cannot demonstrate proficiency in these languages must complete OT5101-5102 Elements of Hebrew (6 hours) and NT5101-5102 Elements of Greek (6 hours) in addition to the 60 hours required for the degree.

2 Students majoring in New Testament Studies will be required to write a 3-hour thesis instead of a 2-hour thesis.

3 Students will select a major in Old Testament Studies (OT), New Testament Studies (NT), or Theological Studies (TS). In addition to the thesis, students will complete comprehensive exams in their area of major.

Regardless of the mode of delivery (at the Dallas campus, an approved extension, or online), at least fifty percent of the coursework required for the degree must be earned through DTS.

All work toward the MA degree must be completed within seven years from the time of initial matriculation. Extension of this time limit requires the approval of the Credits Committee. Reinstatement to the MA after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Course Requirements

Sixty credit hours of coursework are required as a minimum for graduation. Students may also be required to complete additional leveling work in foundational biblical, theological, and ministry areas and/or in the biblical languages (Hebrew and Greek) if they have not had sufficient background in these disciplines prior to admission. The amount of leveling work required will be determined as part of the admissions process for the degree.

Common Required Core

In addition to any required leveling work, students in the MA will complete 32 hours of common prescribed courses, which include advanced Hebrew language study for Old Testament Studies majors or advanced Greek language study for New Testament Studies majors. The core requirements also include a 2-hour thesis in the student's intended major. In addition to the common 32-hour core, MA students will

complete 28 hours in their intended major (Old Testament Studies, New Testament Studies, or Theological Studies).

MA Majors

Students in the MA will select a major in Old Testament Studies, New Testament Studies, or Theological Studies. The required thesis listed above in the Common Required Core for the MA will be written in the department of the student's major. Students must also pass comprehensive exams in their area of major. Students may contact their major department for more information concerning these exams.

Spiritual Formation

Because DTS values Christlike character and spiritual maturity, MA students are required to register for and participate in Spiritual Formation groups for four consecutive fall and spring terms at the Dallas, Houston, or Washington, DC, locations. (Students who are not planning to move to Dallas, Houston, or Washington, DC, for four consecutive fall and spring terms must contact the Spiritual Formation office concerning how to meet their Spiritual Formation requirement.)

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry.

Because students participate with the same group during four consecutive fall and spring terms, they should plan their schedules so they may meet on the same day and at the same time each term. Spiritual Formation is a noncredit, transcribed experience.

Master of Arts in Biblical Exegesis & Linguistics (MABEL)

PURPOSE:

The Master of Arts in Biblical Exegesis and Linguistics degree program is designed to prepare students desiring to serve in Bible translation ministries by providing training in Bible, theology, and linguistics.

Hours: 62

Languages: English

The MABEL, offered jointly with Dallas International University (DIU), prepares students with the linguistics skills necessary for good Bible translation. The degree also prepares students for service with Wycliffe Bible Translators.

The Department of Missiology and Intercultural Ministries is responsible for administering the program on the DTS campus.

Goals

Students in the MABEL program will be able to:

- exegete the Hebrew and Greek texts of the Bible;
- form a basic theological foundation as a grid for Bible translation;
- apply basic principles of hermeneutics in Bible study and Bible translation;
- understand the theory and principles of language translation and contextualization;
- employ computational tools to construct a phonological analysis, descriptive grammar, partial lexicography, and interlinear text of a minority language; and
- design an effective strategy for cross-cultural ministry.

Admission Requirements

The application process for the MABEL is a dual process. Applicants for the program must apply to both DTS and Dallas Intl., and the admission requirements of both institutions must be met. In most cases, students admitted to DTS will meet the admission requirements at DIU. **However, prospective MABEL students should be aware that the requirements for linguistic courses at DIU vary and will include a minimum of 15 prerequisite credit hours.**

Until they apply to DTS for admission to the program, students will not be officially enrolled in the MABEL program. Students are advised to contact both institutions as soon as possible regarding their intentions to enroll in the MABEL program so that adequate advice and direction can be provided.

Because the majority of students enrolled in the MABEL are either already involved in or anticipate being involved in Bible-translation ministries cross-culturally, applicants to the MABEL are required to have a basic understanding of world missions, normally attained through the completion

of an introductory or foundations course in world missions such as the *Perspectives on the World Christian Movement* course (perspectives.org) or other approved means of meeting this entrance requirement. Students without this prerequisite may be required to take, in addition to their MABEL requirements, MIM5101 Missiological and Intercultural Foundations. Please contact the Admissions office for more information about this requirement.

Transfer of Credit

In addition to the normal transfer-credit policies of the seminary for general master's degrees (please refer to the Transfer of Credit section in this catalog), no more than 30 hours of coursework from institutions outside of DTS and DIU will be transferred toward the MA (Biblical Exegesis and Linguistics) degree. Some provision will be made for students to transfer work from Jerusalem University College to the MABEL program. Entering students with missions experience in Bible translation may be eligible for advanced standing.

CURRICULUM (MASTER OF ARTS IN BIBLICAL EXEGESIS AND LINGUISTICS)

The following table represents the required curriculum for the Master of Arts in Biblical Exegesis and Linguistics. This plan has been developed in consultation with Dallas Intl. and should be followed closely to reduce scheduling difficulties. Though some courses may be completed online, the MABEL program must be completed largely through resident study in Dallas at Dallas Intl. and DTS. The planned sessions provided below pertain specifically to Dallas-campus course offerings. DTS online courses are typically offered each fall, spring, and summer term. Courses may be cancelled or offered in alternate terms as needed.

These additional 4 hours plus comprehensive exams are required to complete the MA in Applied Linguistics at Dallas Intl.

² Bible Exposition courses may be replaced with exegesis courses in the Old or New Testament Studies departments or with other Bible Exposition courses as approved by the MABEL program coordinator.

³ HT5200 History of Doctrine is a 3-hour course which may be taken for 2 hours of credit and 1 hour of audit.

⁴ Students may choose any Dallas Intl. master's-level elective recommended by their Dallas Intl. advisor. Please consult the current Dallas Intl. catalog for available electives.

Program Completion Requirements

Currently, up to 38 hours of the DTS course requirements may be completed online, by remote video, or in a real-time format at one of the seminary's approved locations. (Students should note that not all courses are available at all locations.) Of the 62 hours required for the MABEL degree, a minimum of 21 hours must be taken through DTS and a minimum of 18 hours must be taken through DIU.

Course Requirements

Sixty-two credit hours of graduate coursework are required as a minimum for graduation. Of those hours, 18 are prescribed in linguistics field preparation, 12 in Greek grammar and exegesis, 12 in Hebrew grammar and exegesis, 3 in biblical manners and customs, 3 in missiology and intercultural ministries, 9 in Bible exposition, and 5 in systematic and historical theology. Students must also successfully complete either the two-term SF5145 or the four-term SF5100 requirement. The Department of Missiology and Intercultural Ministries advises students in this program, and career guidance is also available from DIU staff.

Substitutions may be made for required courses with appropriate departmental approval. Students who have a linguistics background or training should consult the DIU academic advisor for course advice.

Linguistics and related translation courses are offered on the campus of Dallas International University. Biblical and theological coursework, as well as coursework in biblical languages, is offered at DTS. A Spiritual Formation

group supervised by the Department of Missiology and Intercultural Ministries is designed to meet the needs of this group of students.

Completion of course requirements for the MABEL requires careful planning on the part of students as they seek to coordinate coursework at two institutions. Therefore, students are strongly encouraged to plan their studies so that they take courses at only one institution at a time.

Students will split their time between DTS and DIU, though it is difficult for students to take courses at both institutions concurrently. Therefore, **students are strongly encouraged to adhere to the curriculum chart at the end of this section and to plan their coursework in close consultation with advisors from both DTS and DIU.**

Every attempt is made to facilitate the completion of the program in no more than three calendar years for full-time students. Students may shorten this time by taking advantage of winter and summer offerings at DTS. **However, students should be aware that the linguistics courses from DIU require prerequisites that may extend the length of the program. Furthermore, students who choose to pursue the MA in Applied Linguistics from DIU in addition to the MABEL may need additional time to complete the program.**

Before students begin their studies in the MABEL, they should consult the DTS Advising Center to develop a degree plan for completing requirements. This plan will include input from DIU on the completion of linguistics requirements.

Students should consult both the DTS and DIU Registrars' offices for information on scheduling options. The Admissions office at DTS is also available to assist students.

Academic Procedures

A dual registration process is followed for all DIU courses taken for the degree. Students must register through DIU before taking linguistics courses at that campus. DTS is then notified by DIU and enters the courses in the DTS registration system. This allows the tracking of student status for such purposes as loan deferments, international visa requirements, etc. There is no charge for the DTS portion of the registration process for DIU courses.

At the end of each term, DIU sends official grade sheets to the Registrar's office at DTS for the transcribing of their courses. Grades earned for DIU courses are factored into the cumulative grade point average at DTS.

Dual-Degree Option

Students who complete the 62 hours required for the MABEL degree may complete an additional 4 hours from DIU and take the comprehensive exams to earn DIU's 37-hour MA in Applied Linguistics. This would require transferring 15 hours from the MABEL program to DIU in addition to the 18 hours taken at DIU as part of the MABEL program. This essentially allows students to earn both degrees for a minimum of 66 hours plus comprehensive exams. Please consult your DIU advisor for more details about this option.

Dallas International University Course Descriptions

The following courses are offered through DIU. Prerequisite courses are not listed but may be found in the DIU catalog available from the DIU Admissions office by calling 972-708-7415 or 972-708-7343, emailing admissions@diu.edu, or going online at diu.edu/admissions. Please visit diu.edu/academics/course-schedule/ for the most updated course offerings at DIU.

AL5207 Field Data Management

With a focus on methodology and good praxis, this course instructs students in the use of computational tools for managing and presenting phonological, textual, and lexical data collected in linguistic field research. *Prerequisites:* AL4302 Principles of Articulatory and Acoustic Phonetics, AL4303 Principles of Phonological Analysis, AL4410b Principles of Grammatical Analysis (b), AA4505 Second Language and Culture Acquisition. *Corequisite:* AL5406 Field Methods and Linguistic Analysis. 2 hours.

AL5312 Discourse Analysis

This course is designed to help students understand how different languages structure texts and how the resulting structure may affect communication and translation. The course focuses on the discourse structure of narrative texts, although a brief survey of the structure of non-narrative texts is included at the end of the course. Students practice analyzing texts for various discourse features. Some issues considered

are sentence structure, macrosegmentation of texts, the use of particles and conjunctions and information structure. Saliency schemes, transitivity, participant reference, and paragraph analysis are some of the other topics included. *Prerequisite:* AL4410 Principles of Grammatical Analysis. 3 hours.

AL5315 Semantics and Pragmatics

This course examines the relationship between form and meaning in human language. We consider the rules for combining word meanings to derive sentence meanings in a predictable way, and we explore the principles which allow speakers to communicate more by uttering a sentence than is contained in the sentence meaning itself. We apply these concepts not only to content words but also to grammatical morphemes such as tense, aspect, and modality markers. This course is required for the MA in Applied Linguistics and satisfies the prerequisite for AL5316 Theory and Practice of Translation. *Prerequisite:* AL4410 Principles of Grammatical Analysis. 3 hours.

AL5316 Theory and Practice of Translation

This course explores a theoretical understanding of translation as it impacts translating and advising translators. Students explore the implications of translation theory and common practice for several translation issues. In addition to reading and discussion, students experientially learn principles and procedures through class projects. *Prerequisite or Corequisite:* either AL5311 Relevance Theory or AL5315 Semantics and Pragmatics. 3 hours.

AL5406 Field Methods and Linguistic Analysis

This course serves as the capstone course for the Certificate in Applied Linguistics. Working with a speaker of a non-western language, students in this course elicit data which they then use to produce a mini-lexicon, a phonological description, and a grammar sketch of the target language. *Prerequisites:* AL4302 Principles of Articulatory and Acoustic Phonetics, AL4303 Principles of Phonological Analysis, AL4410 Principles of Grammatical Analysis, AA4505 Second Language and Culture Acquisition. *Corequisite:* AL5207 Field Data Management. 4 hours.

AA5151 Cross-cultural Teaching Seminar

The Cross-cultural Teaching Seminar allows students to analyze a teaching process from the perspective of both learning and teaching styles, and identify factors relevant to teaching cross-culturally. *Prerequisites:* AA4350 Language and Society or AA4505 Second Language and Culture Acquisition. This course is required only for the DIU MA in Applied Linguistics. 1 hour.

Master of Arts in Christian Studies (MACS)

PURPOSE:

The Master of Arts in Christian Studies degree program is designed to prepare students for effective service in a wide variety of Christian ministry settings.

Hours: 63

Languages: • English • Chinese • Spanish

The MACS is primarily for lay leaders who desire training for more effective ministry within their churches or organizations. It may also provide supplemental training for those engaged in parachurch ministries or those in support positions with missions agencies or churches. The MACS is offered in English, Chinese, and Spanish with some customized requirements. The program can be completed entirely online in English and Spanish. Most of the courses in the Chinese-language MACS can be completed online, but some will need to be completed in a real-time format in Dallas, Houston, or Hong Kong. Please visit dts.edu/chinese or contact the Chinese Studies office for more information on completing the MACS in Chinese.

Goals

All students in the MACS program will be able to:

- demonstrate a general knowledge of the Bible, including a synthetic understanding of the major books;
- evidence an understanding of the historical development of theology, a knowledge of premillennial theology, and an ability to support their theological views and apply them to contemporary issues;
- communicate biblical and theological knowledge to a contemporary audience;
- evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit;

- evidence an interest and involvement in the local church or other ministries with which they are associated; and
- minister within a local church or other group by means of leadership skills, evangelism, and service.

In addition to the above goals, students in the Chinese-language version of the MACS will also be able to:

- design an effective strategy for Chinese ministry.

Admission Requirements

Admission requirements and application procedures for the MACS are the same as for all programs of study at the seminary (please refer to the Admission section of this

catalog for more information). Those who are planning to pursue or are currently in ministry roles in which they are responsible for the leadership, teaching, or theological direction of a local church should apply to the ThM or one of the seminary's ministry MA programs.

Transfer of Credit

Transfer of up to 30 hours of credit is allowed toward the MACS program from accredited graduate programs in related fields of study. Students must have earned a grade of C or better (2.0 on a 4.0 scale) for a course to be considered for transfer.

¹ The following courses are approved to meet the communication course requirement for all students: EML5105 Teaching Process and Media Presentations; EML5450 Women Teaching Women; MW5302 Writing for Publication; PM5103 Expository Preaching I; WM5210 Intercultural Communication; and WM5540 Applied Biblical Contextualization. Chinese-language students may choose PM5120 Basics in Biblical Communication. Other communication courses may also be approved in consultation with the Division of Ministries and Communication.

² English- and Spanish-language students must take at least one elective course from the Division of Ministries and Communication (BC, EML, MW, PM, or WM). The remaining 9–10 credit hours of electives may be used for courses from any division.

Program Completion Requirements

Although the MACS can be completed entirely online, all of the courses are also offered on the main Dallas campus. Most of the courses are also available at the seminary's extension sites.

Not all of the MACS courses are offered in a traditional live format in Chinese. Some are offered live at the Dallas and Houston campuses, and 14 hours can be completed in face-to-face courses in Chinese at the seminary's extension in Hong Kong. For more information on course availability in Chinese, please contact the Chinese Studies office.

Regardless of the mode of delivery (online or in traditional courses in Dallas or at an approved extension), at least fifty percent of the coursework required for the degree must be earned through DTS.

All work toward the MACS degree must be completed within seven years from the time of initial matriculation. Extension of this time limit requires the approval of the Credits Committee. Reinstatement to the degree after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Course Requirements

Sixty-three credit hours of coursework are required as a minimum for graduation. Of those hours, 24 are in prescribed Bible Exposition courses, 21 are in prescribed Theological Studies courses, 6 hours are in Ministries and Communications courses, and the remaining 12 hours are electives in courses of interest to the student. No thesis is required.

Spiritual Formation

Because DTS values Christlike character and spiritual maturity, MACS students are required to register for and participate in Spiritual Formation groups for four consecutive fall and spring terms at the Dallas, Houston, or Washington, DC, locations. (Students who are not planning to move to Dallas, Houston, or Washington, DC, for four consecutive fall and spring terms must contact the Spiritual Formation office concerning how to meet their Spiritual Formation requirement.)

In the Spiritual Formation curriculum, small groups of five to seven students focus on identity, community, integrity, and fidelity. The groups also provide an atmosphere for prayer, fellowship, and the integration of learning with life and ministry.

Because students participate with the same group during four consecutive fall and spring terms, they should plan their schedules so that they may meet on the same day and at the same time each term. Spiritual Formation is a noncredit, transcribed experience. Students in the Chinese-language MACS must contact the Chinese Studies office concerning how to meet their Spiritual Formation requirement.

Accelerated MACS

Students entering the English MACS with a strong background in Bible or theology from an approved Christian university, Bible college, or parachurch ministry may apply for the accelerated program during the admissions process. In place of core courses in the MACS curriculum, accelerated participants take four advanced standing courses (AS5103–5106). This results in a curricular reduction of up to 12 credit hours. The accelerated program is limited to students taking courses on the Dallas campus.

For more information about the accelerated program, please visit dts.edu/advancedstanding.

Certificate of Graduate Studies (CGS) in Bible and Theology

PURPOSE:

The Certificate of Graduate Studies in Bible and Theology is designed to provide a graduate-level, introductory education for students desiring to explore seminary study and/or ministry training.

Hours: 30

Languages: • English • Chinese • Spanish

The **Certificate of Graduate Studies in Bible and Theology** provides a flexible course of study for:

- Christian laypersons who desire a short program of seminary studies to equip them for effective ministry in the local church or elsewhere;
- those who wish to begin seminary studies on a trial basis to help them determine if they desire to pursue a degree program;*
- Christian workers with limited time available for seminary studies (those who intend to enter a professional ministry are encouraged to apply for admission to one of the master's-level degree programs);
- missionary candidates who anticipate service in nonprofessional ministries whose mission board requires graduate study in Bible and theology;
- college graduates who want a year of seminary studies as a supplement to their undergraduate work; and
- spouses of current DTS students who want to complete a program of graduate seminary studies.

* Students should contact the Advising Center as soon as they decide to pursue a degree.

Goals

All students in the CGS program will be able to:

- demonstrate a general knowledge of the Bible;
- evidence a general knowledge of premillennial theology and an ability to support their theological views;
- evidence an increasing likeness to Christ as manifested in love for God, love for others, and the fruit of the Spirit; and
- evidence an interest and involvement in the local church or other ministries with which they are associated.

Admission Requirements

Admission requirements and application procedures for the CGS program are the same as for all programs of study at the seminary (please refer to the Admission section of this catalog for more information).

Although the CGS can be completed entirely online, CGS courses are also offered on the main Dallas campus and at all of the seminary's extension sites. Of the 30 credit hours of coursework required for graduation, a minimum of 24 must be taken through DTS.

Reinstatement to the program after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the certificate.

Graduates of this certificate program normally are not recommended by the Alumni and Career Services office for ministry placement. Students in the CGS program are classified as nondegree students.

Transfer of Credit

Transfer of up to 6 credit hours from accredited graduate programs in related fields of study is allowed toward the Certificate of Graduate Studies. Students must have earned a grade of C or better (2.0 on a 4.0 scale) in order to be eligible to transfer a course from another institution to DTS.

Course Requirements

Thirty credit hours of coursework are required for the CGS. Students will complete 9 hours in Bible Exposition, 9 hours in Systematic Theology, 3 hours in the Christian Life and Witness course, and 9 hours of electives. Students are able to take up to 6 additional hours beyond the designated 30 hours without needing to apply to a degree program.

Flexibility in the Bible and theology courses and in the 9 hours of electives allows students to select courses suited to their particular interests and needs. Many, if not all, of these courses may be completed online.

Postgraduate and Doctoral Programs

DTS offers one postgraduate and three doctoral programs

Master of Sacred Theology ([see page 128](#))

Doctor of Ministry ([see page 131](#))

Doctor of Educational Ministry ([see page 136](#))

Doctor of Philosophy ([see page 142](#))

PURPOSES:

The Master of Sacred Theology degree is a postgraduate degree program for those seeking further theological training in preparation for doctoral studies or other Christian service. The Doctor of Ministry degree is the highest professional degree for those engaged in local church and parachurch ministries, world missions, and similar ministries. By contrast, the DEdMin degree focuses primarily on educational types of ministries in the local church, parachurch, and world missions. The PhD degree is designed primarily to equip students to engage in scholarly research and teaching.

Master of Sacred Theology (STM)

PURPOSE:

The Master of Sacred Theology degree program is designed to provide advanced study in a specific area in the biblical, theological, and ministry disciplines, whether related to Christian service or academic study. This program is open to those who have previously attained a Master of Divinity degree or its equivalent.

Hours: 32

Languages: English

Goals

To enable students to:

- interpret competently the Hebrew and Greek texts of the Bible;
- understand the major areas of systematic theology and their historical development;
- demonstrate Christlike leadership;
- communicate the Bible and/or theology effectively;
- critically address contemporary issues within their chosen area of study; and
- charitably interact with the ideas of others.

Admission Requirements

Admission requirements and application procedures for the STM program are the same as for all programs of study at the seminary (please refer to the Admission section of this catalog for more information), with three exceptions: (1) STM applicants must have attained accredited college and seminary degrees or their respective academic and theological equivalents; (2) transcripts

of this work must show a grade point average of at least 2.5 on a scale of 4.0; and (3) applicants must provide a research paper (in English) previously written at the master's level that shows an acceptable level of competency in research and writing.

Each applicant's evaluation for admission to the STM program will include a review of the applicant's completed MDiv (or equivalent) coursework to ensure the appropriate breadth of preparation necessary to pursue the STM degree. Identified deficiencies must be completed in addition to the standard program requirements.

All STM students must demonstrate exegetical proficiency in Greek and Hebrew. Students who do not have the appropriate Hebrew and Greek courses at the MDiv level will also be required to take the prerequisite Hebrew and Greek courses as necessary (OT5101–OT5102, NT5101–NT5103).

Students who have had Hebrew or Greek at the MDiv level will need to pass a Hebrew or Greek proficiency exam before enrolling in OT5103 or NT5103. Failure to pass the exams will require the student to enroll in first-year language courses. Prerequisite courses in Hebrew or Greek, if required, will not count toward the 32-hour requirement for the STM degree.

Transfer of up to 6 credit hours from accredited graduate theological schools is allowed under certain circumstances. Please contact the Registrar's office for more information.

Course Requirements

The STM degree normally requires 32 credit hours of coursework. Students pursuing this degree will individually customize their program for their intended ministry goals

by selecting courses from one of the following departments of choice (selected in conjunction with an academic advisor): Biblical Counseling, Bible Exposition, Educational Ministries and Leadership, Historical Theology, Media Arts and Worship, Old Testament, New Testament, Pastoral Ministries, Systematic Theology, or Missiology and Intercultural Ministries.

RS5102	Senior Research Seminar	2
	Courses in Selected Department	9
Total STM Hours		32

* Students intending to apply for the PhD program at DTS should consult with PhD Studies Department regarding course selection.

Real-Time and Degree Limit Requirements

Of the 32 credit hours of coursework required for graduation, 18 hours must be taken in a real-time format. (Students should note that not all courses are offered at all locations.) In most cases it will be necessary for STM students to be enrolled in a minimum of three terms of study, which can include the summer term.

All work leading to the STM degree must be completed within six years from the time of matriculation. Extension requires approval by the Credits Committee. Reinstatement in the program after withdrawal requires action by the Admissions Committee and may subject the student to additional requirements for the degree.

Admission to Candidacy

Students may be admitted to candidacy by action of the faculty for the STM degree in the fall or spring term prior to the term of degree conferral or the term prior to their participation in the Commencement ceremony after these requirements have been met: (1) grade point average of 2.5; (2) evidence, to the satisfaction of the faculty, of proven Christian character and adherence to the following doctrines: the authority and inerrancy of Scripture, the

Trinity, the full deity and humanity of Christ, the spiritual loss of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ; (3) provision of a written statement of church involvement from the local church regularly attended while in seminary; and (4) provision of a reference form completed by a pastor or spiritual overseer.

Admission to candidacy is valid for one year. Students who postpone degree conferral beyond one year from the original admission to candidacy or who postpone participation in the Commencement ceremony until the following spring will be required to reapply for admission to candidacy.

Graduation Requirements

Candidates for the STM degree must have completed the required 32 credit hours of coursework with a grade point average of at least 2.5, and must evidence, to the satisfaction of the faculty, ability and acceptability in Christian ministry, proven Christian character, and adherence to the doctrines stated in the Admission to Candidacy section.

Diplomas will not be released, transcripts issued, or placement assistance provided unless all financial obligations to the seminary and/or student loan program are current.

Doctor of Ministry (DMin)

PURPOSE:

The Doctor of Ministry degree program is designed to enhance the service of those actively involved in vocational or bi-vocational ministry by providing advanced training in the practice of biblically and theologically oriented ministry.

Hours: 30

Languages: • English • Portuguese • Spanish

The DMin program is offered “in ministry” rather than “in residence,” as it assumes students will remain in ministry throughout the program and does not require them to relocate to Dallas. Entry to the program normally requires a minimum of three years of meaningful ministry experience. Each course assumes this ministry experience and endeavors to integrate learning with the student’s present context of ministry and future goals.

One of the most inviting features of the DMin at DTS is that the curriculum is designed with a high degree of flexibility. Of the 27 hours of coursework required for the degree, only 6 hours are prescribed so that students may tailor the program to their own ministry goals. Three additional hours are granted for the student’s applied research project, which the student reports in the dissertation.

Goals

To enable students to:

- evaluate their own personal, spiritual, and professional development;
- assess and construct biblical ministries in a variety of contemporary contexts;
- conduct biblically and theologically integrated professional applied research within their chosen field of study;

- manifest a maturing and Spirit-filled character;
- enhance identified ministerial skills such as preaching, leadership, administration, counseling, spiritual formation, educational programming, and communication;
- communicate God's Word effectively through preaching, teaching, writing, or other media; and
- contribute to the practice of ministry for greater local church and parachurch effectiveness.

Admission Requirements

In addition to the common admissions requirements for all degree programs (please refer to the Admission section of this catalog), the following prerequisites apply to DMin applicants. All applicants must:

- normally have at least three years of substantial vocational or bivocational Christian ministry experience since receiving their first graduate theological degree;
- give evidence of growth and competence in ministerial skills and leadership;
- be involved in an ongoing ministry (including lay ministry);
- have an academic record that demonstrates superior ability and shows promise of success in doctoral studies; and
- hold an accredited Master of Divinity (MDiv), Master of Theology (ThM) degree, or a Master of Arts (MA) degree plus leveling courses as necessary to provide MDiv equivalence. Prerequisite degrees and/or equivalence must include three terms of Greek and two terms of Hebrew.

(For certain DTS master's degrees, the student needs only ID7201 Computer Tools for Biblical Exegesis in lieu of Greek and Hebrew.)

Credits needed to meet MDiv equivalence requirements must cover the breadth and scope of DTS's curriculum and commitment to Scripture as prescribed by the DMin office. Courses required for MDiv equivalence may be earned at DTS, its extension sites, through external studies programs, or other accredited institutions. For more information on MDiv equivalence, please contact the Doctor of Ministry office.

Applicants must supply the requisite written admission materials and must have a personal or phone interview with members of the faculty. Prospective DMin students may apply for admission at any time. The deadline for the summer seminar is January 15 and the deadline for the winter seminar is June 1. Further details on admission requirements and procedures are available from the Admissions office.

DMin Program Overview

The Doctor of Ministry program offers two tracks of study: Ministry Leadership and Spanish Ministry Leadership. Students may select different emphases within each of the two tracks. While the DMin program generally follows a standard model in which students, in consultation with their advisor, design and customize their degree plan around individual ministry needs and goals, some emphases follow a cohort model. In the cohort model, students proceed through the courses necessary for their emphasis with a small group of ministry colleagues. This group moves through the designated part of the program together. The cohort model has the advantage of providing a community experience with fellow learners and faculty mentors.

Ministry Leadership Track

The Ministry Leadership track is designed to equip students for greater ministry effectiveness in their respective areas of leadership. Ministry leaders can concentrate their individualized plan of study in Church Planting, Expository Preaching, Pastoral Leadership, Marriage and Family, Spiritual Formation, Multicultural Ministry, Women in Ministry, or customize their own concentration. The Ministry Leadership track also offers the following cohort emphases:

• Advanced Expository Preaching

This emphasis provides advanced training in the art and discipline of expository preaching as practiced in a church context. This specialty will reaffirm and refine the principles of homiletics. The courses will also address leading from the pulpit, long-range sermon planning, and preaching the major biblical genres with accuracy and creativity. This cohort-based program will further provide advanced study in audience analysis, variety in sermon structures, mentoring in homiletics, and preaching to the post-modern generation. Key aspects of this cohort specialty are peer-group interactive learning and individual mentoring in homiletics.

• Church Health, Leadership, and Multiplication

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for church pastors and church planters. Courses focus on an evaluation of problems, programs, and/or procedures unique to church leaders through case-study methodology, with special attention given to church health, leadership development, and ministry multiplication.

• Executive/Associate Pastors

Utilizing case study methodology, these seminars evaluate the problems, programs, and procedures unique to Executive and Associate Pastors. Three main areas will be covered—organizational elements of church leadership, situations elements of church leadership, and personal elements of church leadership. This course uses case studies and live interviews as a means to discuss issues of pastoral leadership.

- **Marriage and Family Ministry**

This emphasis explores biblical and theological foundations, cutting-edge programs, and ministry-education strategies. Certification in the use of research-based tools for marriage and family educators will be included. A major focus will be to design sustainable, context-specific marriage and family ministries, particularly in the church.

- **Ministry Leadership in International Contexts**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for those ministering in international contexts. This cohort focuses on pastoral and parachurch leadership issues, along with challenges and opportunities unique to ministry abroad.

- **Multicultural Ministry**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for multicultural church leaders serving the local church and parachurch organizations. This cohort program is designed to help ministry leaders through a study of the principles, leadership issues, challenges, and opportunities uniquely confronting multicultural church leaders with the goal of helping students take their ministry to the next level. Attention is given to leadership development and case-study research method.

- **Pastoral Senior Care and Counseling**

This emphasis provides advanced equipping of pastors and chaplains for pastoral ministry to aging populations in local church and parachurch organizations. This cohort will include biblical, theological and practical study to help the student design and implement effective and sustainable senior care ministries in the local church and senior living communities to meet the actual needs of senior adults and their families.

- **Pastors of Large Churches**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for pastors serving in large churches. It is designed to support and promote pastoral leadership development through the evaluation of problems, programs, and/or procedures unique to pastors of large churches. Attention is given to leadership development and case-study research method.

- **Spiritual Formation**

This emphasis provides advanced training in Christian spiritual formation for ministry practitioners. Special attention will be given to the theology and history of Christian spirituality, personal and corporate practices of spiritual formation, and the process of providing spiritual nurture and guidance to others. This cohort-based program will further provide advanced study on topics related to the history and practice of soul care, spiritual direction, and spiritual formation in small groups.

- **Women in Ministry**

This emphasis provides advanced training in the practice of biblically and theologically oriented ministry for women. It is designed to support and promote the complementary role of men and women in ministry.

Spanish Ministry Leadership Track

The Spanish Ministry Leadership track is designed to equip Spanish-speaking students for greater ministry effectiveness in their respective areas of leadership. This program of study is offered on the campus of *Seminario Teológico Centroamericano* (SETECA) in Guatemala City for leaders in Latin America, Spain, North America, and elsewhere.

DMin Extension Programs

The seminary offers DMin classes in two locations outside the Dallas area: Guatemala City, Guatemala and Houston, Texas. These extension sites are designed to provide greater access to DMin studies for interested students.

The DMin extension in Guatemala City is the seminary's Spanish-language DMin program for leaders in Latin America, Spain, North America, and elsewhere. The week of residence is offered on the campus of the *Seminario Teológico Centroamericano* (SETECA) in Guatemala City. The courses offered in the Spanish DMin program are the same as those offered in Dallas but are contextualized for the Spanish-speaking world. Interested students should contact the DMin office for more information.

The Houston campus is designed to make the DTS DMin degree more accessible to students living in the larger Houston metroplex. Any DMin student may take courses at the extension site, though international students entering the United States on an F-1 student visa are required to take all DMin courses at the Dallas or Houston campuses.

National Certifications

Presently, three national certification programs are offered for DMin students in cooperation with the following partnership organizations:

1. Christian Conciliator, Peacemaker Ministries
2. Sexual Educator, Institute for Sexual Wholeness
3. Sexual Abuse Awareness, MinistrySafe

Please contact the DMin office for more information about these opportunities.

Course Requirements

The DMin program requires 27 credit hours of coursework (which includes from 21 to 24 hours of prescribed and elective courses and from 3 to 6 hours of independent study courses) plus a 3-hour applied research project related to the student's ministry. The program normally requires at least four years of study.

Normally, three prescribed courses must be taken by all DMin students: DM7101 The Ministry Leader, DM7102 Applied Research Project Development Seminar, and DM7103 The Applied Research Project. Some cohorts include the leadership and/or research components in the selected cohort. In addition, students normally complete at least one independent study course, DM7901 Independent Study. Course descriptions for these and other DMin courses may be found in the Course Descriptions section of this catalog.

All courses are six months in length and include one or two weeks of residence in either January or July. Classes meet on the main campus, the Houston campus, or at the Guatemala site. During the pre-resident months, students read and interact with course material. After the course meets for the resident week, students complete assignments that are appropriate for their ministry. (DTS alumni are allowed to audit the resident portion of a course as space permits.) Registration for summer DMin courses must be completed by March 15, and registration for winter DMin courses must be completed by September 15. Electives in the various areas of concentration are listed in the Course Descriptions section of this catalog.

All work leading to the Doctor of Ministry degree must be completed in no less than three and no more than six years from the time of matriculation. A minimum grade of B- must be received in every course credited toward graduation and on the applied research project.

Additional information on DMin policies and procedures is provided in the Doctor of Ministry Handbook, which is available at dts.edu/dmin.

Transfer of Credit

Transfer of credit for the DMin may not exceed 10 credit hours. Doctoral-level credit completed at another accredited institution may be applied toward the DMin degree if those hours constitute equivalent work. Normally only courses taken after receiving an MA, MDiv, ThM, STM, or equivalent degree can be credited toward the DMin degree.

The training and courses completed in the Basic and Advanced Chaplaincy programs of the US Army, or equivalent training and courses completed as a chaplain in other branches of the US Military, may be transferred for up to 10 hours of credit toward a DMin degree at DTS.

Requests for transfer of credit should be directed to the director of DMin studies. Plans to take other courses for transfer credit must be approved by the DMin committee prior to taking the course.

Admission to Candidacy

Students may be admitted to candidacy for the DMin degree by action of the faculty only after these requirements have been met: (1) completion of all residence requirements leading to the degree; (2) the satisfactory completion of a minimum of 21 credit hours of coursework; (3) evidence of proven Christian character and effectiveness in Christian ministry; and (4) adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ.

Students applying to candidacy for the DMin degree must also provide (1) a written letter of reference from the local church or organization where the student is serving that endorses the student's ministry; and (2) a personal reference from another source.

CURRICULUM (DOCTOR OF MINISTRY)

Students must be admitted to candidacy before they can register for DM7103 The Applied Research Project. Six of the 9 hours that remain for completion of the degree can be taken concurrently with DM7103 (3 hours).

Applied Research Project Requirements

The applied research project is the student's major research project in the degree program. It must be directly related to his or her ministry and must make a significant contribution to the field of professional ministry as well as to the student's personal life. The project normally should deal with some aspect of communication, administration, nurture, leadership, or Christian education. The length is to be appropriate for the subject as judged by the student's advisors.

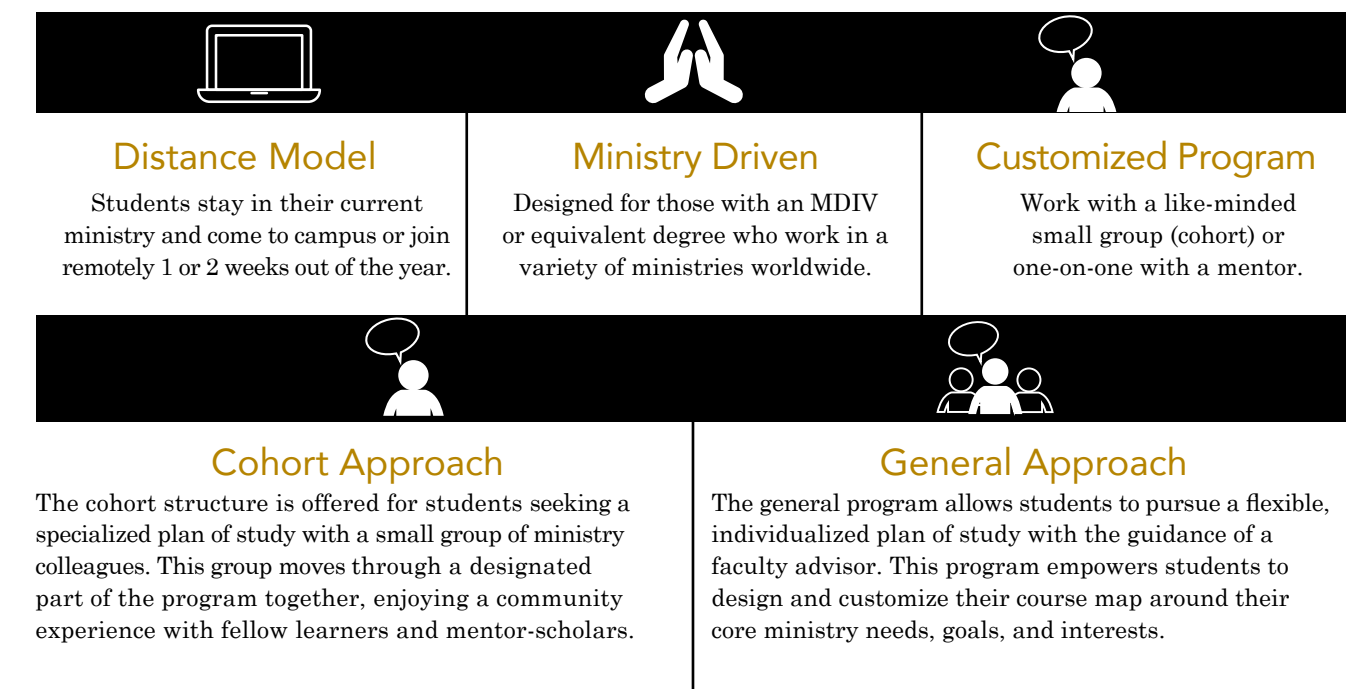

If the applied research project is not completed within the first year after enrolling in DM7103, then the student will be required to register for DM7105 Applied Research Continuation each summer and winter term until the project is completed.

Details on the procedures and deadlines for the topic approval and proposal and for first and final drafts of the applied research project are available in the Doctor of Ministry office and in the DMin Handbook.

Graduation Requirements

Candidates for the DMin degree must have completed 27 credit hours of coursework and the 3-hour applied research project, along with any other requirements that may have been assigned. The completion of minimum requirements does not automatically qualify a student for the degree. The candidate must evidence, to the satisfaction of the faculty, proven Christian character, ability and acceptability in Christian ministry, and adherence to the doctrines stated in the previous Admission to Candidacy section.

Diplomas will not be awarded, transcripts issued, or placement assistance provided unless all financial obligations to the seminary and/or the student loan program are current.

Doctor of Educational Ministry (DEdMin)

PURPOSE:

The Doctor of Educational Ministry degree program is designed to enhance the service of those actively involved in vocational or bi-vocational educational ministry by providing advanced training in the practice of biblically and theologically oriented educational ministry.

Hours: 39

Languages: • English • Chinese • Spanish

The Doctor of Educational Ministry degree is the highest professional degree for those engaged in local church and parachurch ministries, world missions, and similar educational ministries. The DEdMin program is offered “in ministry” rather than “in residence,” as it assumes students will remain in ministry throughout the program and does not require them to relocate to Dallas. Entry to the program normally requires a minimum of three years of prior meaningful ministry experience. Each course assumes this ministry experience and endeavors to integrate learning with the student’s present context of ministry and future goals.

One of the most inviting features of the DEdMin at DTS is that the curriculum is designed with a high degree of flexibility. Of the 39 hours of coursework required for the degree, at least 15 hours are provided for students to customize their programs to their own ministry goals. Three hours are granted for the student’s applied research project and 3 hours are given to directed reading, leading to a literature review the student reports in the dissertation project.

Goals

Students in the DEdMin will be able to:

- evaluate their own personal, spiritual, and professional development;
- assess and construct biblical, educational ministries in a variety of contemporary contexts;
- conduct biblically and theologically integrated professional applied research within their chosen field of study;
- manifest a maturing and Spirit-filled character;
- enhance identified ministerial skills such as teaching, leadership, administration, counseling, spiritual formation, educational programming, and communication; and
- contribute to the practice of educational ministry for greater local church and parachurch effectiveness.

Admission Requirements

In addition to the common admissions requirements for all degree programs (please refer to the Admission section of this catalog), specific prerequisites apply to DEdMin applicants depending on the applicant's prior master's-level preparation. Applicants with a theological master's degree (MACE or its equivalent) are eligible to enroll in the traditional 39-hour DEdMin program. Applicants with a non-theological master's degree in education or a related field are eligible to enroll in the two-stage DEdMin program.

Applicants must supply the requisite written admission materials and must have a personal or phone interview with members of the faculty. Prospective DEdMin students may apply for admission at any time. The deadline for the summer seminar is January 15, and the deadline for the winter seminar is June 1. Further details on admission requirements and procedures are available from the Admissions office.

Traditional DEdMin

Applicants to the traditional 39-hour DEdMin program must:

- normally have at least three years of vocational or bivocational Christian ministry experience;
- give evidence of growth and competence in educational ministerial skills and leadership;
- be involved in an ongoing educational ministry (including lay ministry);
- have an academic record that demonstrates superior ability and shows promise of success in doctoral studies; and
- hold a DTS Master of Arts in Christian Education (MACE) or its equivalent, Master of Divinity (MDiv), Master of Theology (ThM), or Master of Arts (MA) degree plus leveling courses as necessary to provide DTS MACE equivalence.

Courses needed to meet the DTS MACE equivalence requirements must cover the breadth and scope of DTS's curriculum and commitment to Scripture as prescribed by the DMin/DEdMin office. Courses required for MACE equivalence may be earned at DTS, its extension sites, through external studies programs, or other accredited institutions. For more information on MACE equivalence, please contact the DEdMin office.

Two-Stage DEdMin

Applicants to the two-stage DEdMin program must:

- give evidence of growth and competence in educational ministerial skills and leadership;
- have an academic record that demonstrates superior ability and show promise of success in doctoral studies; and
- hold an MA in education or a related degree from an accredited institution.

In addition to these requirements, eligible applicants must normally have a position in a Christian school as a teacher or headmaster.

The final determination of an applicant's eligibility to enter the two-stage DEdMin is at the discretion of the Doctor of Educational Ministries office. Applicants who lack the necessary educational background in education may enroll in the DTS MACE program, which serves as the prerequisite for the traditional DEdMin.

Transfer of Credit

Transfer of up to 10 hours of doctoral-level credit may be applied toward the DEdMin degree if those hours constitute equivalent work. Normally only courses taken after receiving an MA, MDiv, ThM, STM, or equivalent degree can be credited toward the DEdMin degree. Requests for transfer of credit should be sent to the director of DEdMin studies. Plans to take other courses for transfer credit must be approved by the DMin/DEdMin committee prior to taking the course.

National Certifications

Presently, the following three national certification programs are offered for DEdMin students in cooperation with the following partnership organizations:

- Christian Conciliator, Peacemaker Ministries
- Sexual Educator, Institute for Sexual Wholeness
- Sexual Abuse Awareness, MinistrySafe

Please contact the DMin/DEdMin office for more information about these opportunities.

DEdMin Program Overview

The Doctor of Educational Ministry (DEdMin) is designed to encourage students in their ministry journey and to further equip them to effectively minister in today's world.

DEdMin Approach

The heart of the DEdMin is flexibility and personalization. Students will create an overall plan of study in consultation with their advisor, who will help design and customize a degree plan around individual ministry needs and goals. This degree plan may involve following a cohort model (see below), or students can craft a degree plan with a customized approach.

Cohort Emphases

Students who choose a degree plan that follows a cohort emphasis will proceed together through their courses with a small group of ministry colleagues. This cohort model has the advantage of providing a community experience with fellow learners and faculty mentors. Within the DEdMin, students can pursue an emphasis in one of the following cohorts:

- **Advanced Academic Ministry**
This cohort-based emphasis provides advanced training unique to academic ministry leadership. The major focus of this program includes teaching in Christian institutions, administration in Christian education, curriculum design, creativity, and current issues in teaching and education.
- **Children's Ministry**
This cohort is designed to influence the leadership and development of healthy children's ministries through exposure to children's spirituality research, theological perspectives of ministry to children, contemporary issues, curriculum design, and trauma-informed ministry practices.
- **Chinese Educational Ministry Leadership**
This cohort-based emphasis provides advanced training in the practice of biblically and theologically oriented educational ministry for those ministering in Chinese-speaking communities throughout the world. This cohort focuses on church and parachurch educational-ministry leadership issues, challenges, and opportunities unique to ministry in the Chinese culture.
- **Discipleship, Mentoring, and Coaching**
This cohort comprises three two-term seminars that will explore the biblical and theological foundations, cutting-edge programs, and ministry education strategies pertaining to the effective practices of discipleship, mentoring, and coaching in ministry contexts. A major focus will be to design and evaluate sustainable context-specific discipleship, mentoring, and coaching ministries to build up the body of Christ worldwide.
- **Marriage and Family Ministry**
This cohort-based emphasis explores biblical and theological foundations, cutting-edge programs, and ministry education strategies. Certification in the use of research-based tools for marriage and family educators will be included. A major focus will be to design

sustainable, context-specific marriage and family ministries, particularly in the church.

- **Pastoral Senior Care and Counseling**
This emphasis provides advanced equipping of pastors and chaplains for pastoral ministry to aging populations in local church and parachurch organizations. This cohort will include biblical, theological, and practical study to help the student design and implement effective and sustainable senior care ministries in the local church and senior living communities to meet the actual needs of senior adults and their families.
- **Spiritual Formation**
This cohort-based emphasis provides advanced training in Christian spiritual formation for ministry practitioners. Special attention will be given to the theology and history of Christian spirituality, personal and corporate practices of spiritual formation, and the process of providing spiritual nurture and guidance to others. This cohort-based program will further provide advanced study on topics related to the history and practice of soul care, spiritual direction, and spiritual formation in small groups.
- **Women in Ministry**
This cohort-based Christian Education program provides advanced training in the practice of biblically and theologically oriented ministry for women. It is designed to support and promote the complementary role of men and women in ministry.

Course Requirements

All courses are six months in length and include one or two weeks of residence in either January or July. During the pre-resident months, students read and interact with course material. After the course meets for the resident week, students complete assignments that are appropriate for their ministries. (DTS alumni are allowed to audit the resident portion of a course as space permits.) Registration for summer DEdMin courses must be completed by March 15, and registration for winter DEdMin courses must be completed by September 15. Electives in the various areas of concentration are listed in the Course Descriptions section of this catalog.

All work leading to the Doctor of Educational Ministry degree must be completed in no less than three and no more than six years from the time of matriculation. A minimum grade of B- must be received in every course credited toward graduation and also on the applied research project.

Additional information on DEdMin policies and procedures is provided in the Doctor of Ministry Handbook, which is available at dts.edu/dminhandbook.

Traditional DEdMin Requirements

The traditional DEdMin program requires 39 credit hours, 36 of which are coursework (including 30 to 33 hours of

prescribed and elective courses and 3 to 6 hours of independent study courses) plus a 3-hour applied research project related to the student's ministry. The program typically requires at least four years of study.

Normally, eight prescribed courses must be taken by all DEdMin students: DE7302 History and Philosophy of Christian Education (required for students who have not taken an equivalent course at the master's level), DE7102 Applied Research Project Development Seminar, DE7103 The Applied Research Project, DE7205 Selected Topics of Biblical Issues in Today's Ministry, DE7310 Instructional and Learning Theories, DE7740 Trends in Contemporary Theological Movements, and ID7201 Computer Tools for Biblical Exegesis. Some cohorts include the leadership and/or research components into the selected cohort. In addition, students normally complete at least one independent study course, DE7901 Independent Study, designed in consultation with the director of the program. Course descriptions for these and other DEdMin courses may be found in the Course Descriptions section of this catalog.

Two-Stage DEdMin Requirements

The Two-Stage DEdMin program requires 82 total credit hours: 52 in Stage One and 30 in Stage Two. Stage One consists of 22 hours of Bible Exposition, 18 hours of Systematic Theology, 3 hours of Christian Life and Witness, and 9 hours of Educational Ministries and Leadership (EML5101, EML5105 and EML5110) courses. Stage Two will have 30 hours of coursework, which includes 15 hours of prescribed courses and 15 hours of special cohort classes.

Normally, the following prescribed courses must be taken by all Two-Stage DEdMin students during Stage Two: DE7101 The Educational Ministry Leader, DE7102 Applied Research Project Development Seminar, DE7103

The Applied Research Project, DE7310 Instructional and Learning Theories, and ID7201 Computer Tools for Biblical Exegesis. Some cohorts include the leadership and/or research components in the selected cohort. Course descriptions for these and other DEdMin courses may be found in the Course Descriptions section of this catalog.

Applied Research Project Requirements

The applied research project is the student's major research project in the degree program. It must be directly related to his or her ministry and must make a significant contribution to the field of professional ministry as well as to the student's personal life. The project normally should deal with some aspect of educational ministry related to communication, administration, nurture, or program leadership. The length is to be appropriate for the subject as judged by the student's advisors.

If the applied research project is not completed within the first year after enrolling in DE7103, then the student will be required to register for DE7105 Applied Research Continuation each summer and winter term until the project is completed.

Details on the procedures and deadlines for topic approval and proposal and for first and final drafts of the applied research project are available in the Doctor of Educational Ministry office and in the DEdMin Handbook.

Graduation Requirements

In order to graduate with the DEdMin, students must satisfactorily complete their coursework and be admitted to candidacy.

Completion of Coursework

Candidates for the DEdMin degree must have completed 36 credit hours of coursework (or 79 credit hours for the two-stage DEdMin) and the 3-hour applied research project, along with any other requirements that may have been assigned. A minimum grade of B- must be received in every course credited toward graduation and on the applied research project. The completion of minimum requirements does not automatically qualify a student for the degree. In addition to completing the minimum requirements, a student pursuing graduation must also be admitted to candidacy by action of the faculty (see Admission to Candidacy below).

Diplomas will not be awarded, transcripts issued, or placement assistance provided unless all financial obligations to the seminary and/or the student loan program are current.

Admission to Candidacy

Students may be admitted to candidacy for the DEdMin degree by action of the faculty only after these requirements have been met: (1) completion of all residency requirements leading to the degree; (2) the satisfactory completion of a minimum of 21 credit hours of coursework; (3) evidence of proven Christian character and effectiveness in Christian ministry; and (4) adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ.

Students applying to candidacy for the DEdMin degree must also provide (1) a written letter of reference from the local church or organization where the student is serving that endorses the student's ministry; and (2) a personal reference from another source.

Students must be admitted to candidacy before they can register for DE7103 The Applied Research Project. Three of the 6 hours that remain for completion of the degree can be taken concurrently with DE7103 (3 hours).

Distance Model

Students stay in their current ministry and come to campus 1 or 2 weeks out of the year.

Educationally Driven

Designed for those with an MACE or equivalent degree who work in educational ministries.

Customized Program

Work with a like-minded small group (cohort) or one-on-one with a mentor.

Cohort Approach

The cohort structure is offered for students seeking a specialized plan of study with a small group of ministry colleagues. This group moves through a designated part of the program together, enjoying a community experience with fellow learners and mentor-scholars.

General Approach

The general program allows students to pursue a flexible, individualized plan of study with the guidance of a faculty advisor. This program empowers students to design and customize their course map around their core ministry needs, goals, and interests.

Doctor of Philosophy (PhD)

PURPOSE:

The Doctor of Philosophy degree program is designed to prepare students to serve as Christian scholars and educational leaders around the world by providing advanced training in biblical and theological research, writing, and teaching.

Hours: 36

Languages: English

Goals

Educational Goals

To enable students to:

- develop skills of critical thinking and reflection;
- acquire a suitable mastery of the content of their chosen field of study;
- evaluate major issues and scholarly views within their academic discipline;
- engage in reliable independent research, using relevant primary and secondary sources; and
- contribute to biblical and theological research.

Spiritual Goal

To enable students to:

- manifest traits of personal integrity, character, and spirituality.

Ministry Goals

To enable students to:

- communicate effectively through writing and teaching; and
- demonstrate ability and acceptability for Christian ministry.

Admission Requirements and Process

DTS welcomes applications from students with diverse religious and educational backgrounds. Although applicants need not be affiliated with a particular denomination, they must show evidence that they:

- have saving faith in Christ;
- are of proven Christian character;
- are endowed with appropriate spiritual gifts; and
- adhere to the following doctrines:
 - the authority and inerrancy of Scripture,
 - the Trinity,
 - the full deity and humanity of Christ,
 - the spiritual lostness of the human race,
 - the substitutionary atonement and bodily resurrection of Christ,
 - salvation by grace alone through faith alone in Christ alone,
 - and the physical return of Christ.

Applicants to the PhD program may be submitted by those who hold (or are about to complete) one of the following degrees: Master of Theology degree (ThM), Master of Divinity degree (MDiv), Master of Sacred Theology (STM) degree, or a qualifying Master of Arts (MA) degree. Regardless of degree, applicants are expected to present an academic record that demonstrates superior ability. Those students admitted to the PhD program without the DTS ThM should expect additional coursework as part of their individualized requirements.

Applications are submitted to the Admissions office. These formal applications include official transcripts, a writing sample, references, and a biographical sketch. Once the initial applications are validated, a prospective student interacts with the PhD Studies office to complete the admissions process. Students will be interviewed by faculty, submit a psychological assessment (arranged with the Director of Counseling Services), satisfactorily pass a written examination in the field of their intended major, and pass an oral examination of their Christian experience, scholarship, theology, achievement, and purpose. This extensive admissions process provides opportunity for the applicant and DTS to assess whether the prospective student and program are a good fit for one another.

Applications for the doctoral program may be submitted at any time of the year. However, because of the rigorous

nature of the vetting process, one should allow for at least 3–4 months for completion of the process. Therefore, applicants are encouraged to apply at least 7–9 months prior to the beginning of the term they intend to start classes.

Program Overview

Students in the PhD program focus their studies in either the Division of Biblical Studies (OT, NT, or Bible Exposition) or the Division of Theological Studies. Regardless of area, the program is composed of two components: coursework and dissertation. Since DTS values the formation of scholars through direct personal interaction, the coursework period generally will be completed on the Dallas campus. Students unable to complete courses on campus during any particular term should consult with the PhD Studies office, as there are ongoing experiments with offering courses in alternative formats. The dissertation period does not require a student to be on campus.

Course Requirements

On acceptance to the PhD program, each student will receive a coursework plan developed in consultation with the PhD Studies office and the student's chosen department of study. Students often begin their programs by completing prerequisite courses. The number of prerequisite courses and time required depend on the student's demonstrated competencies in Hebrew, Greek, hermeneutics, theology, and ministry skills. During completion of prerequisite Master's-level courses, students are classified as PhD students. Students who have recently completed a ThM degree are less likely to need prerequisite courses.

Beyond any prerequisite courses, all students are required to complete 36 credit hours of doctoral courses. Additionally, students will demonstrate competencies in modern languages (normally Theological French and Theological German). At the conclusion of coursework, students sit for written and oral comprehensive exams. On satisfactory completion of exams, they are eligible to apply for candidacy status.

Only courses taken after receiving the prerequisite degree (MA, MDiv, ThM, or STM) can be credited toward the degree of Doctor of Philosophy. Normally work done at other institutions may not be credited toward the 33 hours of DTS doctoral coursework. A minimum grade of B- must be received in every course credited toward graduation.

Course Requirements in the Division of Biblical Studies

All Biblical Studies majors are required to take 9 hours of coursework in the following divisional courses:

- BS8101 Old Testament Backgrounds (3 hours)
- BS8102 New Testament Backgrounds (2 hours)

In addition to these required divisional courses, students in Biblical Studies must also satisfy the requirements of their concentration, whether Old Testament Studies, New Testament Studies, or Bible Exposition.

Biblical Studies Major — Old Testament Concentration

The purpose of the Old Testament Studies concentration is to prepare students for a ministry based on scholarly research in the text of the Old Testament. Only courses taken after receiving the prerequisite degree (MA, MDiv, ThM, or STM) can be credited toward the degree of Doctor of Philosophy. Normally work done in other institutions may not be credited toward Stage 2 of the PhD degree. A minimum grade of B- must be received in every course credited toward graduation and also on the dissertation.

Admission to Candidacy

Students may be admitted to candidacy for the PhD degree by action of the faculty after

- (1) completing all coursework and modern language requirements leading to the degree;
- (2) passing written and oral examinations in the fields chosen for the major;
- (3) evidencing, to the satisfaction of the faculty, proven Christian character, ability, and acceptability for Christian ministry, and adherence to the following doctrines: the authority and inerrancy of Scripture, the Trinity, the full deity and humanity of Christ, the spiritual lostness of the human race, the substitutionary atonement and bodily resurrection of Christ, salvation by grace alone through faith alone in Christ alone, and the physical return of Christ;
- (4) presenting a written letter of church involvement from the local church the student has regularly attended while in seminary; and

Students who have completed portions of their required coursework online or at extension sites, and who are therefore unable to spend two full academic years in residence in Dallas, Houston, or Washington, DC, must contact the Spiritual Formation office and apply for an

Ministry Formation Internships

The purpose of the Ministry Formation Department is to create and foster contextualized learning experiences that enable students to integrate courses and practice by partnering with the Holy Spirit, students, internship sites, and course work.

An Internship for academic credit is required for the ThM, MAAE, MACP, MACE, MACL, MACM, MAMW, and the TESOL certificate program. Spiritual Formation and completion of half a student's required DTS coursework are the primary prerequisites for Internship course eligibility. Additional degree-specific prerequisites are found in the course descriptions for each internship.

ThM—INT5130 ThM Ministry Formation Internship

MAAE—INT5170 MAAE Ministry Formation Internship

MACP—INT5180 MACP Ministry Formation Internship

MACE—INT5160 MACE Ministry Formation Internship

MACL—INT5150 MACL Ministry Formation Internship

MAIS—INT5140 MAIS Ministry Formation Internship

MAMW—MW5102 Media Arts Apprenticeship

ThM students in the Media Arts and Worship concentration and all MAMW students must complete MW5102 Media Arts Apprenticeship in place of the ThM Ministry Formation Internship.

Ministry Formation is a holistic and personalized process geared to help students accomplish their vocational goals. Elective internship credit is also available to all students, including the MACS degree. Internship credit in the form of advanced standing or course substitution is not offered for any degree.

The DTS Internship course requires the student to be involved in specific roles in a local church, parachurch, and/or other organization related to the area for the student's chosen ministry concentration. ThM and MACL degrees require one calendar year (three consecutive terms) to complete the internship requirements. All other MA Internship courses occur over two consecutive semesters to complete the degree requirements. Additionally, MACP requires completion of BC5305 Practicum I prior to beginning the MACP Internship course.

For the standard required internship, in addition to the ministry hours earned in the field, the student will demonstrate readiness for ministry through the development of a portfolio related to the student's concentration. The portfolio consists of assessed work that is based on the student's vocational intent and uniqueness of the ministry site.

Registration for all Internship courses begins with an application found on the Ministry Formation department website (dts.edu/internship). After the application has been affirmed by the student's intended mentor, a registration interview occurs with the Ministry Formation department during the term prior to the start of the Internship course. Official registration for Internship courses follows the same timeline and payment schedule as other courses. The application process for the Internship course is open year-round.

For available local, national, and international internship opportunities with churches and parachurch organizations, please consult the internship listings on the DTS Job Board (dts.edu/jobboard). For specific information on internship site requirements, the internship registration process, and portfolio requirements, please visit the Ministry Formation website (dts.edu/internship).

DTS offers qualified ThM, MACE, and MACL students the opportunity to earn seminary credit for on-site instruction and cohort interactions at select ministry sites. This 12-credit-hour Ministry Residency allows students the opportunity to pursue integration at a much deeper level, since their focus during the residency is primarily in the field.

This intensive learning opportunity is designed as an eight-month residency over two consecutive terms: EML5801 Ministry Residency I and EML5802 Ministry Residency II. For more information, please see the Educational Ministries and Leadership course descriptions section of this catalog.

Ministry Residency

To provide more intentional opportunities to integrate classroom instruction with field-based experience within partnering churches and parachurch/mission organizations, DTS offers qualified ThM, MACE, and MACL students the opportunity to earn seminary credit for on-site instruction and cohort interactions at select ministry sites. While students in every vocational degree complete

a required Internship course for academic credit, a larger block of academic credit allows students the opportunity to pursue integration at a much deeper level by practicing leadership-specific activities at their current full-time ministry positions. Students considering the residency option should plan with their concentration coordinator in order to avoid duplicating course work.

For students enrolled in EML5801 and EML5802, these courses replace their required internship for the ThM, MACE, or MACL; EML5330; and six hours of electives. See the DTS website for more information.

For students enrolled through one of our partnership churches, the various church-based residency courses (EML5811–EML5815) taught on-site at these churches count towards the student's elective hours in the ThM, MACE, or MACL. See the DTS website for more information on church-based residencies.

Doctrinal Statement

DTS Enrolls Men and Women Who:

- (1) show evidence of saving faith in Christ
- (2) are of proven Christian character
- (3) are endowed with appropriate spiritual gifts
- (4) adhere to the following doctrines:
 - the authority and inerrancy of Scripture
 - the Trinity
 - Christ's full deity and humanity
 - the spiritual lostness of the human race
 - Christ's substitutionary atonement and bodily resurrection
 - salvation by grace alone through faith alone in Christ alone
 - the physical return of Christ

While students must adhere to the seven doctrines listed above to be admitted and graduate, each faculty member affirms full agreement with the entire doctrinal statement reproduced below.

Article I—The Scriptures

We believe that “all Scripture is given by inspiration of God,” by which we understand the whole Bible is inspired in the sense that holy men of God “were moved by the Holy Spirit” to write the very words of Scripture. We believe that this divine inspiration extends equally and fully to all parts of the writings—historical, poetical, doctrinal, and prophetic—as appeared in the original manuscripts. We believe that the whole Bible in the originals is therefore without error. We believe that all the Scriptures center about the Lord Jesus Christ in His person and work in His first and second coming, and hence that no

portion, even of the Old Testament, is properly read, or understood, until it leads to Him. We also believe that all the Scriptures were designed for our practical instruction (Mark 12:26, 36; 1 Cor. 10:11; 2 Tim. 3:16; 2 Pet. 1:21).

Article II—The Godhead

We believe that the Godhead eternally exists in three persons—the Father, the Son, and the Holy Spirit—and that these three are one God, having precisely the same nature, attributes, and perfections, and worthy of precisely the same homage, confidence, and obedience (Matt. 28:18–19; Mark 12:29; John 1:14; Acts 5:3–4; 2 Cor. 13:14; Heb. 1:1–3; Rev. 1:4–6).

Article III—Angels, Fallen and Unfallen

We believe that God created an innumerable company of sinless, spiritual beings, known as angels; that one, “Lucifer, son of the morning”—the highest in rank—sinned through pride, thereby becoming Satan; that a great company of the angels followed him in his moral fall, some of whom became demons and are active as his agents and associates in the prosecution of his unholy purposes, while others who fell are “reserved in everlasting chains under darkness unto the judgment of the great day” (Isa. 14:12–17; Ezek. 28:11–19; 1 Tim. 3:6; 2 Pet. 2:4; Jude 6).

We believe that Satan is the originator of sin, and that, under the permission of God, he, through subtlety, led our first parents into transgression, thereby accomplishing their moral fall and subjecting them and their posterity to his own power; that he is the enemy of God and the people of God, opposing and exalting himself above all that is called God or that is worshiped; and that he who in the beginning said, “I will be like the most High,” in his warfare appears as an angel of light, even counterfeiting the works of God by fostering religious movements and systems of doctrine, which systems in every case are characterized by a denial of the efficacy of the blood of Christ and of salvation by grace alone (Gen. 3:1–19; Rom. 5:12–14; 2 Cor. 4:3–4; 11:13–15; Eph. 6:10–12; 2 Thess. 2:4; 1 Tim. 4:1–3).

We believe that Satan was judged at the Cross, though not then executed, and that he, a usurper, now rules as the “god of this world”; that, at the second coming of Christ, Satan will be bound and cast into the abyss for a thousand years, and after the thousand years he will be loosed for a little season and then “cast into the lake of fire and brimstone,” where he “shall be tormented day and night for ever and ever” (Col. 2:15; Rev. 20:1–3, 10).

We believe that a great company of angels kept their holy estate and are before the throne of God, from whence they are sent forth as ministering spirits to minister for them who shall be heirs of salvation (Luke 15:10; Eph. 1:21; Heb. 1:14; Rev. 7:12).

We believe that man was made lower than the angels; and that, in His incarnation, Christ took for a little time this lower place that He might lift the believer to His own sphere above the angels (Heb. 2:6–10).

Article IV—Man, Created and Fallen

We believe that man was originally created in the image and after the likeness of God, and that he fell through sin, and, as a consequence of his sin, lost his spiritual life, becoming dead in trespasses and sins, and that he became subject to the power of the devil. We also believe that this spiritual death, or total depravity of human nature, has been transmitted to the entire human race of man, the Man Christ Jesus alone being excepted; and hence that every child of Adam is born into the world with a nature which not only possesses no spark of divine life, but is essentially and unchangeably bad apart from divine grace (Gen. 1:26; 2:17; 6:5; Pss. 14:1–3; 51:5; Jer. 17:9; John 3:6; 5:40; 6:35; Rom. 3:10–19; 8:6–7; Eph. 2:1–3; 1 Tim. 5:6; 1 John 3:8).

Article V—The Dispensations

We believe that the dispensations are stewardships by which God administers His purpose on the earth through man under varying responsibilities. We believe that the changes in the dispensational dealings of God with man depend on changed conditions or situations in which man is successively found with relation to God, and that these changes are the

result of the failures of man and the judgments of God. We believe that different administrative responsibilities of this character are manifest in the biblical record, that they span the entire history of mankind, and that each ends in the failure of man under the respective test and in an ensuing judgment from God. We believe that three of these dispensations or rules of life are the subject of extended revelation in the Scriptures, viz., the dispensation of the Mosaic Law, the present dispensation of grace, and the future dispensation of the millennial kingdom. We believe that these are distinct and are not to be intermingled or confused, as they are chronologically successive.

We believe that the dispensations are not ways of salvation nor different methods of administering the so-called Covenant of Grace. They are not in themselves dependent on covenant relationships but are ways of life and responsibility to God which test the submission of man to His revealed will during a particular time. We believe that if man does trust in his own efforts to gain the favor of God or salvation under any dispensational test, because of inherent sin his failure to satisfy fully the just requirements of God is inevitable and his condemnation sure.

We believe that according to the “eternal purpose” of God (Eph. 3:11) salvation in the divine reckoning is always “by grace through faith,” and rests upon the basis of the shed blood of Christ. We believe that God has always been gracious, regardless of the ruling dispensation, but that man has not at all times been under an administration or stewardship of grace as is true in the present dispensation (1 Cor. 9:17; Eph. 3:2; 3:9, asv; Col. 1:25; 1 Tim. 1:4, asv).

We believe that it has always been true that “without faith it is impossible to please” God (Heb. 11:6), and that the principle of faith was prevalent in the lives of all the Old Testament saints. However, we believe that it was historically impossible that they should have had as the conscious object of their faith the incarnate, crucified Son, the Lamb of God (John 1:29), and that it is evident that they did not comprehend as we do that the sacrifices depicted the person and work of Christ. We believe also that they did not understand the redemptive significance of the prophecies or types concerning the sufferings of Christ (1 Pet. 1:10–12); therefore, we believe that their faith toward God was manifested in other ways as is shown by the long record in Hebrews 11:1–40. We believe further that their faith thus manifested was counted unto them for righteousness (cf. Rom. 4:3 with Gen. 15:6; Rom. 4:5–8; Heb. 11:7).

Article VI—The First Advent

We believe that, as provided and purposed by God and as preannounced in the prophecies of the Scriptures, the eternal Son of God came into this world that He might manifest God to men, fulfill prophecy, and become the Redeemer of a lost world. To this end He was born of the virgin, and received a human body and a sinless human nature (Luke 1:30–35; John 1:18; 3:16; Heb. 4:15).

We believe that, on the human side, He became and remained a perfect man, but sinless throughout His life; yet He retained His absolute deity, being at the same time very God and very man, and that His earth-life sometimes functioned within the sphere of that which was human and sometimes within the sphere of that which was divine (Luke 2:40; John 1:1–2; Phil. 2:5–8).

We believe that in fulfillment of prophecy He came first to Israel as her Messiah-King, and that, being rejected of that nation, He, according to the eternal counsels of God, gave His life as a ransom for all (John 1:11; Acts 2:22–24; 1 Tim. 2:6).

We believe that, in infinite love for the lost, He voluntarily accepted His Father’s will and became the divinely provided sacrificial Lamb and took away the sin of the world, bearing the holy judgments against sin which the righteousness of God must impose. His death was therefore substitutionary in the most absolute sense—the just for the unjust—and by His death He became the Savior of the lost (John 1:29; Rom. 3:25–26; 2 Cor. 5:14; Heb. 10:5–14; 1 Pet. 3:18).

We believe that, according to the Scriptures, He arose from the dead in the same body, though glorified, in which He had lived and died, and that His resurrection body is the pattern of that body which ultimately will be given to all believers (John 20:20; Phil. 3:20–21).

We believe that, on departing from the earth, He was accepted of His Father and that His acceptance is a final assurance to us that His redeeming work was perfectly accomplished (Heb. 1:3).

We believe that He became Head over all things to the church which is His body, and in this ministry He ceases not to intercede and advocate for the saved (Eph. 1:22–23; Heb. 7:25; 1 John 2:1).

Article VII—Salvation Only Through Christ

We believe that, owing to universal death through sin, no one can enter the kingdom of God unless born again; and that no degree of reformation however great, no attainments in morality however high, no culture however attractive, no baptism or other ordinance however administered, can help the sinner to take even one step toward heaven; but a new nature imparted from above, a new life implanted by the Holy Spirit through the Word, is absolutely essential to salvation, and only those thus saved are sons of God. We believe, also, that our redemption has been accomplished solely by the blood of our Lord Jesus Christ, who was made to be sin and was made a curse for us, dying in our room and stead; and that no repentance, no feeling, no faith, no good resolutions, no sincere efforts, no submission to the rules and regulations of any church, nor all the churches that have existed since the days of the Apostles can add in the very least degree to the value of the blood, or to the merit of the finished work wrought for us by Him who united in His person true and proper deity with perfect and sinless humanity (Lev. 17:11; Isa. 64:6; Matt. 26:28; John 3:7–18; Rom. 5:6–9; 2 Cor. 5:21; Gal. 3:13; 6:15; Eph. 1:7; Phil. 3:4–9; Titus 3:5; James 1:18; 1 Pet. 1:18–19, 23).

We believe that the new birth of the believer comes only through faith in Christ and that repentance is a vital part of believing, and is in no way, in itself, a separate and independent condition of salvation; nor are any other acts, such as confession, baptism, prayer, or faithful service, to be added to believing as a condition of salvation (John 1:12; 3:16, 18, 36; 5:24; 6:29; Acts 13:39; 16:31; Rom. 1:16–17; 3:22, 26; 4:5; 10:4; Gal. 3:22).

Article VIII—The Extent of Salvation

We believe that when an unregenerate person exercises that faith in Christ which is illustrated and described as such in the New Testament, he passes immediately out of spiritual death into spiritual life, and from the old creation into the new; being justified from all things, accepted before the Father as Christ His Son is accepted, loved as Christ is loved, having his place and portion as linked to Him and one with Him forever. Though the saved one may have occasion to grow in the realization of his blessings and to know a fuller measure of divine power through the yielding of his life more fully to God, he is, as soon as he is saved, in possession of every spiritual blessing and absolutely complete in Christ, and is therefore in no way required

by God to seek a so-called “second blessing,” or a “second work of grace” (John 5:24; 17:23; Acts 13:39; Rom. 5:1; 1 Cor. 3:21–23; Eph. 1:3; Col. 2:10; 1 John 4:17; 5:11–12).

Article IX—Sanctification

We believe that sanctification, which is a setting-apart unto God, is threefold: It is already complete for every saved person because his position toward God is the same as Christ’s position. Since the believer is in Christ, he is set apart unto God in the measure in which Christ is set apart unto God. We believe, however, that he retains his sin nature, which cannot be eradicated in this life. Therefore, while the standing of the Christian in Christ is perfect, his present state is no more perfect than his experience in daily life. There is, therefore, a progressive sanctification wherein the Christian is to “grow in grace,” and to “be changed” by the unhindered power of the Spirit. We believe also that the child of God will yet be fully sanctified in his state as he is now sanctified in his standing in Christ when he shall see his Lord and shall be “like Him” (John 17:17; 2 Cor. 3:18; 7:1; Eph. 4:24; 5:25–27; 1 Thess. 5:23; Heb. 10:10, 14; 12:10).

Article X—Eternal Security

We believe that, because of the eternal purpose of God toward the objects of His love, because of His freedom to exercise grace toward the meritless on the ground of the

propitiatory blood of Christ, because of the very nature of the divine gift of eternal life, because of the present and unending intercession and advocacy of Christ in heaven, because of the immutability of the unchangeable covenants of God, because of the regenerating, abiding presence of the Holy Spirit in the hearts of all who are saved, we and all true believers everywhere, once saved shall be kept saved forever. We believe, however, that God is a holy and righteous Father and that, since He cannot overlook the sin of His children, He will, when they persistently sin, chasten them and correct them in infinite love; but having undertaken to save them and keep them forever, apart from all human merit, He, who cannot fail, will in the end present every one of them faultless before the presence of His glory and conformed to the image of His Son (John 5:24; 10:28; 13:1; 14:16–17; 17:11; Rom. 8:29; 1 Cor. 6:19; Heb. 7:25; 1 John 2:1–2; 5:13; Jude 24).

Article XI—Assurance

We believe it is the privilege, not only of some, but of all who are born again by the Spirit through faith in Christ as revealed in the Scriptures, to be assured of their salvation from the very day they take Him to be their Savior and that this assurance is not founded upon any fancied discovery of their own worthiness or fitness, but wholly upon the testimony of God in His written Word, exciting within His children filial love, gratitude, and obedience (Luke 10:20; 22:32; 2 Cor. 5:1, 6–8; 2 Tim. 1:12; Heb. 10:22; 1 John 5:13).

Article XII—The Holy Spirit

We believe that the Holy Spirit, the Third Person of the blessed Trinity, though omnipresent from all eternity, took up His abode in the world in a special sense on the day of Pentecost according to the divine promise, dwells in every believer, and by His baptism unites all to Christ in one body, and that He, as the Indwelling One, is the source of all power and all acceptable worship and service. We believe that He never takes His departure from the church, nor from the feeblest of the saints, but is ever present to testify of Christ; seeking to occupy believers with Him and not with themselves nor with their experiences. We believe that His abode in the world in this special sense will cease when Christ comes to receive His own at the completion of the church (John 14:16–17; 16:7–15; 1 Cor. 6:19; Eph. 2:22; 2 Thess. 2:7).

We believe that, in this age, certain well-defined ministries are committed to the Holy Spirit, and that it is the duty of every Christian to understand them and to be adjusted to them in his own life and experience. These ministries are the restraining of evil in the world to the measure of the divine will; the convicting of the world respecting sin, righteousness, and judgment; the regenerating of all believers; the indwelling and anointing of all who are saved, thereby sealing them unto the day of redemption; the baptizing into the one body of Christ of all who are saved; and the continued filling for power, teaching, and service of those among the saved who are yielded to Him and who are subject to His will (John 3:6; 16:7–11; Rom. 8:9; 1 Cor. 12:13; Eph. 4:30; 5:18; 2 Thess. 2:7; 1 John 2:20–27).

We believe that some gifts of the Holy Spirit such as speaking in tongues and miraculous healings were temporary. We believe that speaking in tongues was never the common or necessary sign of the baptism nor of the filling of the Spirit, and that the deliverance of the body from sickness or death awaits the consummation of our salvation in the resurrection (Acts 4:8, 31; Rom. 8:23; 1 Cor. 13:8).

Article XIII—The Church, A Unity of Believers

We believe that all who are united to the risen and ascended Son of God are members of the church which is the body and bride of Christ, which began at Pentecost and is completely distinct from Israel. Its members are constituted as such regardless of membership or nonmembership in the organized churches of earth. We believe that by the same Spirit all believers in this age are baptized into, and thus become, one body that is Christ's, whether Jews or Gentiles, and having become members one of another, are under solemn duty to keep the unity of the Spirit in the bond of peace, rising above all sectarian differences, and loving one another with a pure heart fervently (Matt. 16:16–18; Acts 2:42–47; Rom. 12:5; 1 Cor. 12:12–27; Eph. 1:20–23; 4:3–10; Col. 3:14–15).

Article XIV—The Sacraments or Ordinances

We believe that water baptism and the Lord's Supper are the only sacraments and ordinances of the church and that they are a scriptural means of testimony for the church in this age (Matt. 28:19; Luke 22:19–20; Acts 10:47–48; 16:32–33; 18:7–8; 1 Cor. 11:26).

Article XV—The Christian Walk

We believe that we are called with a holy calling, to walk not after the flesh, but after the Spirit, and so to live in the power of the indwelling Spirit that we will not fulfill the lust of the flesh. But the flesh with its fallen, Adamic nature, which in this life is never eradicated, being with us to the end of our earthly pilgrimage, needs to be kept by the Spirit constantly in subjection to Christ, or it will surely manifest its presence in our lives to the dishonor of our Lord (Rom. 6:11–13; 8:2, 4, 12–13; Gal. 5:16–23; Eph. 4:22–24; Col. 2:1–10; 1 Pet. 1:14–16; 1 John 1:4–7; 3:5–9).

Article XVI—The Christian's Service

We believe that divine, enabling gifts for service are bestowed by the Spirit upon all who are saved. While there is a diversity of gifts, each believer is energized by the same Spirit, and each is called to his own divinely appointed service as the Spirit may will. In the apostolic church there were certain gifted men—apostles, prophets, evangelists, pastors, and teachers—who were appointed by God for the perfecting of the saints unto their work of the ministry. We believe also that today some men are especially called of God to be evangelists, pastors, and teachers, and that it is to the fulfilling of His will and to His eternal glory that these shall be sustained and encouraged in their service for God (Rom. 12:6; 1 Cor. 12:4–11; Eph. 4:11).

We believe that, wholly apart from salvation benefits which are bestowed equally upon all who believe, rewards are promised according to the faithfulness of each believer in his service for his Lord, and that these rewards will be bestowed at the judgment seat of Christ after He comes to receive His own to Himself (1 Cor. 3:9–15; 9:18–27; 2 Cor. 5:10).

Article XVII—The Great Commission

We believe that it is the explicit message of our Lord Jesus Christ to those whom He has saved that they are sent forth by Him into the world even as He was sent forth of His Father into the world. We believe that, after they are saved, they are divinely reckoned to be related to this world as strangers and pilgrims, ambassadors and witnesses, and that their

primary purpose in life should be to make Christ known to the whole world (Matt. 28:18–19; Mark 16:15; John 17:18; Acts 1:8; 2 Cor. 5:18–20; 1 Pet. 1:17; 2:11).

Article XVIII—The Blessed Hope

We believe that, according to the Word of God, the next great event in the fulfillment of prophecy will be the coming of the Lord in the air to receive to Himself into heaven both His own who are alive and remain unto His coming, and also all who have fallen asleep in Jesus, and that this event is the blessed hope set before us in the Scripture, and for this we should be constantly looking (John 14:1–3; 1 Cor. 15:51–52; Phil. 3:20; 1 Thess. 4:13–18; Titus 2:11–14).

Article XIX—The Tribulation

We believe that the translation of the church will be followed by the fulfillment of Israel's seventieth week (Dan. 9:27; Rev. 6:1–19:21) during which the church, the body of Christ, will be in heaven. The whole period of Israel's seventieth week will be a time of judgment on the whole earth, at the end of which the times of the Gentiles will be brought to a close. The latter half of this period will be the time of Jacob's trouble (Jer. 30:7), which our Lord called the great tribulation (Matt. 24:15–21). We believe that universal righteousness will not be realized previous to the second coming of Christ, but that the world is day by day ripening for judgment and that the age will end with a fearful apostasy.

Article XX—The Second Coming of Christ

We believe that the period of great tribulation in the earth will be climaxed by the return of the Lord Jesus Christ to the earth as He went, in person on the clouds of heaven, and with power and great glory to introduce the millennial age, to bind Satan and place him in the abyss, to lift the curse which now rests upon the whole creation, to restore Israel to her own land and to give her the realization of God's covenant promises, and to bring the whole world to the knowledge of God (Deut. 30:1–10; Isa. 11:9; Ezek. 37:21–28; Matt. 24:15–25:46; Acts 15:16–17; Rom. 8:19–23; 11:25–27; 1 Tim. 4:1–3; 2 Tim. 3:1–5; Rev. 20:1–3).

Article XXI—The Eternal State

We believe that at death the spirits and souls of those who have trusted in the Lord Jesus Christ for salvation pass immediately into His presence and there remain in conscious bliss until the resurrection of the glorified body when Christ comes for His own, whereupon soul and body reunited shall be associated with Him forever in glory; but the spirits and souls of the unbelieving remain after death conscious of condemnation and in misery until the final judgment of the great white throne at the close of the millennium, when soul and body reunited shall be cast into the lake of fire, not to be annihilated, but to be punished with everlasting destruction from the presence of the Lord, and from the glory of His power (Luke 16:19–26; 23:42; 2 Cor. 5:8; Phil. 1:23; 2 Thess. 1:7–9; Jude 6–7; Rev. 20:11–15).

Statement of Educational Effectiveness

In an effort to assess the effectiveness of its educational programs, Dallas Theological Seminary tracks persistence rates, graduation rates, and placement information for all its educational programs. Since the majority of graduate theological institutions track such effectiveness data in a variety of ways, the following information is designed only to give interested individuals and the seminary's constituents information about the seminary and should not be used as a comparison, either good or bad, to the effectiveness of other seminaries and graduate-level theological institutions.

Persistence

DTS persistence rates are a measure of the number of students that continue in a seminary degree program three years after initial matriculation into the seminary. Of master's students initially matriculating from fall 2008 through fall 2017, 66% continued or graduated after three years.

Within that group, 71% of Master of Theology (ThM) students (the seminary's flagship, four-year, ministry-preparation degree program) continued after three years. The seminary's goal is to increase the persistence for all master's programs to 68% for the 2007–2017 reporting period and to 74% for the ThM program. The seminary's minimum threshold of acceptability for persistence rate is 55% for all master's programs.

Graduation Rates

Graduation rates are a measure of the number of students who actually graduated with a DTS degree within eight years of initial matriculation. Eight years is the upper time limit within which a student must complete a program of study. Of the master's-level students initially matriculating from fall 2008 through fall 2012, 52% graduated within eight years. Within that group, 61% of students matriculating into the ThM earned their degree within eight years. The seminary has set a goal of increasing the graduation rate for all master's-level students matriculating from fall 2007 through fall 2013 to 58% and for the ThM for the same period to 64%. The seminary's minimum threshold of acceptability for graduation rate is 45% for all master's programs.

Placement Information

The seminary also tracks the percentage of known graduates who are in various categories of employment within a specified number of months of graduation. Of the graduates in 2019 whose ministry placements are known to the seminary, 42% are working in church ministry, 24% in parachurch ministry, 6% in missions, 12% in education, 11% in secular employment, and 2% are students in doctoral and other programs. Further evidence that graduates of the seminary are prepared for a lifetime of ministry can be seen from an overview of the seminary's 15,594 living alumni. Of those for whom the seminary has the information, 33% are working in church ministry, 20% in parachurch ministries, 12% in education, 6% in missions, 17% in secular work, and 11% are retired. The seminary has set a goal of increasing the ministry placement rate (i.e., excluding those in secular employment) to 88%. The seminary's minimum threshold of acceptability for placement in some form of ministry or pursuing further education for ministry is 75% for all master's programs.

Frequently Asked Questions

How do I apply?

You can apply online at dts.edu/apply. Enrollment requires a four-year bachelor's degree from an accredited college or university, with limited exceptions. Please see the Admission Process section of this catalog for more information.

Can I receive Advanced Standing?

Advanced standing credit for up to one-third or 33% of most degree programs. Please visit dts.edu/advancedstanding for more information.

Can I receive transfer credit?

Yes, DTS accepts transfer credit, pending evaluation by the Registrar's office. Students may be eligible to transfer up to one-half of a completed degree from other accredited seminaries and graduate schools. Please visit dts.edu/transfer for more information.

Is financial aid available?

Last year, DTS students received more than \$5 million in financial aid. General scholarship funds are available as well as specialized funds for American-born minorities and international students. In addition, eligible students can take advantage of an interest-free payment plan for tuition and books, and low-cost group health insurance is also available.

What about housing?

DTS is committed to providing quality, economical housing that supports the mission of DTS by encouraging spiritual growth and community in two housing facilities on the Dallas campus. For housing information, please visit dts.edu/housing.

How can I find a job while in school?

Once you are admitted to DTS, you gain access to the seminary's job board, an online tool that lists jobs from employers who frequently seek seminary students to fill positions. Access to the DTS Job Board for both secular and ministry opportunities is available to all students at dts.edu/jobboard.

Is there job placement assistance after graduation?

After graduation, our Career Services office works with you to help you find a ministry position. Our graduates serve in church and parachurch ministries, mission organizations, Bible colleges and seminaries, and in a number of other fields. Many also go on to further study after completing one of our degrees.

What is your doctrinal position?

The full Doctrinal Statement appears in this catalog. While our faculty and board annually affirm their agreement with the entire statement, students need only affirm these seven essentials:

- the authority and inerrancy of Scripture
- the Trinity
- the full deity and humanity of Christ
- the spiritual lostness of the human race
- the substitutionary atonement and bodily resurrection of Christ
- salvation by grace alone through faith alone in Christ alone
- the physical return of Christ
